

KLU Bags 16 Educational Excellence Awards at Indo-Global Education Summit 2015

December 11, 2015

We are pleased to announce that KLU has received a rich bounty of **16 Awards for Educational Excellence** at *Indo-Global Education Summit 2015*.

US based Indus Foundation organizes Indo-Global Education Summit at Hyderabad, the joint capital city of Andhra Pradesh and Telangana State, each year, to facilitate academic and research collaborations between Indian and overseas universities as well as international student recruitment by overseas universities.

An important feature of the Summit is the Awards track meant to honor outstanding educationists, educational institutions, academicians, researchers, and students.

The eighth edition of the Summit was jointly conducted by the Federation of Telangana and Andhra Pradesh Chambers of Commerce and Industry (FTAPCCI) and the Indus Foundation at the Taj Deccan, Hyderabad, on November 14 and 15, 2015.

The Summit saw KLU being the **only university from around the world** to have had the unique distinction of receiving the largest number of awards by any academic institution in the summit series to date – **16 in all**.

This announcement has been delayed because the award ceremony photographs have not arrived till recently.

Here are the list of the proud winners and the award categories:

About KLU

Recognized as a **Deemed University** in 2009 by India's apex higher education regulator UGC, KLU is a large, multidisciplinary, and independent technical university in India with the vision to be among the **top 5** private universities in South Asia by 2020. Based out of Guntur district, AP, KLU has four graduate schools, with over 700 faculty, 640 staff, and 65,000 successful alumni. Consistently ranked among India's **top 10** private universities and accredited at **A** grade (the highest) by NAAC, KLU offers 15 bachelor's, 26 master's, 14 dual-degree, and 14 doctoral programs to over 12,000 students and 1050 PhD scholars from India and 22 South Asian and African countries. For more details, visit www.kluniversity.in.

About Indus Foundation

The Indus Foundation is an American organization of professionals working as authorized representative and promoter of US universities in India. The Foundation offers a comprehensive and cost-effective package of services to assist Indian students through the entire application process from identification of programs to enrollment in American universities. The Foundation also works to galvanize high-impact educational collaborations between academic entities in India and those in foreign countries. For more information, check www.indus.org.

About FTAPCCI

The Federation of Telangana and Andhra Pradesh Chambers of Commerce and Industry was started in 1917 as a Chamber of Commerce. It gradually evolved into an organization representing the small, retail, and wholesale trade businesses across small, medium, and large scale industries, spanning public, private, joint and corporate sectors. With about 150 other Chambers and Associations at Mandal, District, and State levels affiliated to it, FTAPCCI has 3,201 members on its rolls. For further details, check www.fapcci.in/.
