This special camp was organized with the help of panchayat raj department and zilla parishyat of Revendrapadu. As a part of this camp, everyday volunteers attended with an intention to do what they can do for the welfare of villagers.

18th March 2019

In the early morning, who are staying distributed the pamphlets and invited villagers to participate in the camp and get benefitted. They given bunch of pamphlets to the paper boy, and he inserted them in between the newspaper and circulated. They made all the arrangements needed to do the programs without any problem.

19th March 2019 Medical Camp Program

The blood group identification program we invited two Doctors from your university and anu hospitals to do the job. The grouping is very important when it comes to having a blood transfusion. If blood is given to a patient that has a blood type that is incompatible with the blood type of the blood that the patient receives, it can cause intravenous clumping in the patient's blood which can be fatal.

The patient's body can start producing antibodies that attack the antigens on the blood cells in the blood that was given to the patient. Many villagers came to know their blood group and we had given an identity card so that they will never forget.

20th March 2019 at Afternoon-Awareness About Government Schemes

No doubt that there are wonderful policies/schemes of the Government of India; all built for progress of the poor. Most unfortunately these do not reach the poor but are siphoned away by miscreants who are middlemen and corrupt officials. It is a pity that these classes of people of our country are not served well at all despite the resolve of the Government towards these people. So our volunteers educated, motivated and encouraged villagers to register for the schemes and get benefitted. The main reason of this is all the government schemes should reach to needy and poor families. A group of volunteers went every home in the selected street and discussed with them and suggested some schemes which make their life more beautiful. The schemes we informed are Pradhan Mantri Kisan Samman Nidhi Yojana, Ayushman

Bharat, Pradhan mantri shram mandhan yojna (for unorganised workers), Pradhan mantri mudra yojana etc...

21st March 2019 Career Guidance for 9th Class Students

We conducted a career guidance program for students, as a matter of fact; career guidance is a very important aspect of your life. In fact, it can make or break your career. And career guidance is very essential for success. If you want to see your career moving in a right direction then career guidance is of utmost importance.

Everyone wants to be successful but they do not get the right guidance to make right decision at right time. If you have a pre-planned guidance for your career then it can make a lot of difference.

Today, awareness about career guidance is still very low among the younger generation. The culture of going to a counsellor is so important in our country. So we decided to give right guidance to the upcoming citizens

As our adopted village contains only a ZPH school we chose 9th class students as their entire future lies in front of them. To choose the right path we need right guidance also. The best part of career guidance is that it is very objective as well as strategic. You could get a clear picture of what your goal should be or must be. So we have done a lot of ground work to convey our content to them effectively.

22nd March 2019 Interactive Session With Students:

We asked children about their point of interest and described to them in which path to go so that they can achieve their dreams. We had a good interactive session with all the students.
