Science and Technology Innovation Policy(Quiz)

KL Deemed to be University (Koneru Lakshmaiah Education Foundation) Engineering & Non-Engineering National Service Scheme (NSS) Volunteers has participated in “Science and Technology Innovation Policy 2020” (STIP-2020) online Quiz Competition on 27th October, 2020.

In a span of six decades since India’s first Science Policy Resolution, 1958, well-crafted STI policies have played a major role in helping the nation build a robust STI ecosystem and emerge as a leader in several branches of science, technology and innovation. India is constantly evolving and adapting to the changing national and international dynamics. The current pandemic catalyzed the need for a new policy instrument that amalgamates profound and incremental approaches to prioritize and strategize across the STI landscape. Hence, the government of India (GOI) initiated the consultation process for India’s 5th STI Policy named as the Science, Technology and Innovation policy 2020 (STIP 2020). This policy aims to be truly evidence-driven, inclusive and bottom-up while encouraging stakeholder interaction at all levels.

This quiz thus attempts to encourage public participation and awareness of the STI ecosystem. The participants will be quizzed on several aspects of S&T, in terms of India’s achievements, latest trends and policy interventions in this regard. This is a timed quiz with 20 questions to be answered in 300 seconds.
