As a part of this NSS Volunteers from Unit-07 and final year students participated in the event.

Objective of this Programme: To educate people about importance of education for dropout student.

Summary of the Event

The program was initiated to create awareness about importance of education for dropout students, so that it will benefit the society and themselves as well. Many of us are better regarding financial condition so we are able to continue education till now...but this is not same for everyone. Many people are unable to make their children educate due to their financial conditions, gender bias and many other reasons... So to witness the true side of society why many drop outs are still occurring especially in case of girls. So we planned this event. We went home to home in village and asked whether their children are studying or not? If no, we asked for the reasons and we told them the importance of education and how it creates impacts on life.
