Report on “Basics of Electronics” **Conducted on 23-12-2021 at Pedavadlapudi**

Objective:

The objective of the "Basics of Electronics" workshop conducted on 23-12-2021 at Pedavadlapudi was to provide participants with fundamental knowledge and understanding of electronic principles and components. The workshop aimed to demystify the complexities of electronics and equip attendees with essential skills necessary for entry-level understanding and application in various fields such as engineering, technology, and innovation. Through interactive sessions, demonstrations, and hands-on activities, the workshop strived to empower participants with a solid foundation in electronics, fostering curiosity, creativity, and proficiency in the subject.

Description:

KL Deemed to be University's Electronics and Communication Engineering (ECE) National Service Scheme (NSS) Unit-02 conducted the "Basics of Electronics" workshop on 23-12-2021 at Zilla Parishad High School, Pedavadlapudi, with the aim of introducing students in rural areas to new technologies. Organized by the KLEF NSS team, the event featured an orientation program focusing on fundamental electronic components. The team meticulously planned the event, secured necessary permissions, and enlisted Dr. P. Satyanarayana, a professor from the Department of ECE at KLEF, to deliver a comprehensive lecture on electronics basics. The workshop began at 10 AM and continued with technical demonstrations and interactive projects, showcasing practical applications of theoretical concepts. Simultaneously, the non-technical team engaged students with entertaining activities like musical chairs and charades to ensure an engaging and educational experience. The event received exceptional support from the school management and students, contributing significantly to its success. Dr. KRS Prasad, Dean of Student Affairs, oversaw the program, with Mr. P. Srikanth Reddy, Dr. P. Satyanarayana, and Mr. P. Suresh leading the initiative on behalf of the NSS team.

Outcome:

The event successfully imparted fundamental knowledge of electronic components through a structured lecture by Dr. P. Satyanarayana and practical demonstrations by the technical team. Students actively participated in interactive sessions and hands-on projects, gaining practical insights into electronics. The non-technical activities further enhanced engagement and enjoyment, ensuring a holistic learning experience. The event fostered curiosity and interest in technology among the students while strengthening community ties between the university and the school.

Impact on Society:

The "Basics of Electronics" workshop by KL Deemed to be University's ECE NSS Unit-02 contributed to bridging the digital divide by imparting essential technological knowledge to rural students, empowering them with skills crucial for modern education and employment. By fostering interest in electronics and technology early on, the event aimed to inspire future innovators and contribute to the technological advancement and socio-economic development of the community.

Details of the Event:

Name of the Event	: Basics of Electronics
Date of the event	: 23-12 2021
Venue	: ZPHS, Pedavadlapudi
No. of participants	: 93 students, 2 faculty

A cohort of students is deeply involved in a hands-on learning session centered around the fundamental principles of electronics on 23/12/21

students is deeply involved in a hands-on learning session on 23/12/21

Recreating Activities to students at ZPHS Pedavadlapudi on 23/12/21
