Report on Promoting Awareness on Traffic Rules for Safer Roads

Details of the Event

Name of the Event : Promoting Awareness on Traffic Rules for Safer Roads

Date of the Event :15-09-2022

Venue :Prathuru

Village

No. of Participants : Students: 94 Faculty, Staff:03

Objective

The objective of promoting awareness on traffic rules for safer roads in Prathuru village is to enhance residents' understanding and adherence to traffic regulations through comprehensive educational initiatives, community engagement, and strategic partnerships. By integrating road safety education in schools, conducting community workshops, leveraging local media, and improving traffic signage, the initiative aims to foster safer driving practices, reduce accidents, and create a culture of safety and responsibility on the village roads. Continuous monitoring and adaptation of strategies based on community feedback and data analysis will ensure the sustained effectiveness and impact of the program.

Description

On 15-09-2022, the KLEF NSS Unit-02, in collaboration with the Department of ECE, organized an initiative in Prathuru village to raise awareness about traffic rules and regulations. This effort was driven by the need to address the main causes of road accidents, which were identified through an analysis as over-aged vehicles, overloading, and speeding. Armed with these insights, the team prepared educational materials focused on traffic awareness.

Dr. M. Suman, Head of the ECE department, highlighted the critical importance of adhering to traffic rules to prevent accidents. The team arrived at the venue at 9:45 am, divided into groups, and engaged with individuals who were not wearing helmets, explaining the benefits of helmet use and emphasizing its role in safety.

The community responded positively, with many residents appreciating the volunteers' efforts and the valuable information shared. The success of the program was attributed to the guidance and support of Dr. Ch. Hanumantha Rao (Dean of Student Affairs), Dr. K.R.S. Prasad (Advisor of Student Affairs), and Dr. Habibulla Khan (Advisor of Student Affairs). Mr. P. Srikanth Reddy served as the Program Coordinator, while Mr. P. Suresh, the Coordinator for Community Engagement Activities (CEA), led the program.

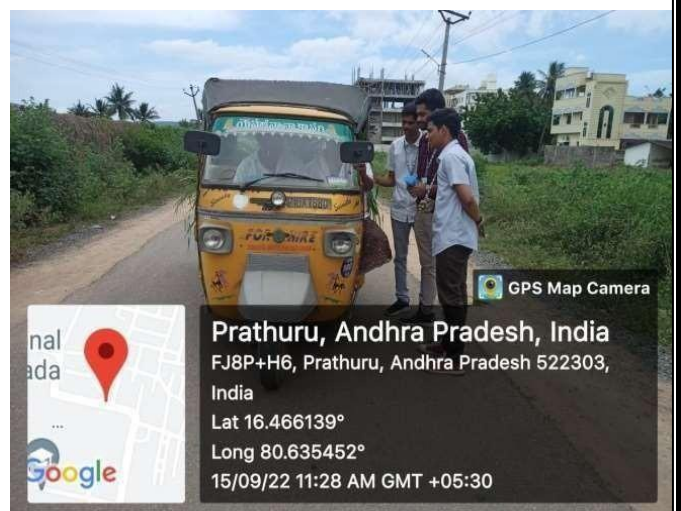

Outcome:

The traffic awareness event held on 15-09-2022 in Prathuru village, organized by KLEF NSS Unit-02 and the Department of ECE, resulted in a significant increase in community awareness regarding traffic rules and safety practices. The initiative successfully addressed key issues such as over-aged vehicles, overloading, and speeding, and emphasized the importance of helmet use. The positive community response and appreciation for the volunteers' efforts highlighted the event's impact in fostering a culture of road safety. The program's success, supported by Dr. Ch. Hanumantha Rao, Dr. K.R.S. Prasad, and Dr. Habibulla Khan, and coordinated by Mr. P. Srikanth Reddy and Mr. P. Suresh, demonstrated the effectiveness of educational outreach in promoting public safety.

Impact on Society:

The traffic awareness event in Prathuru village significantly enhanced public knowledge of road safety practices, leading to increased compliance with traffic regulations. This initiative fostered a safer community by reducing risky behaviors such as speeding, overloading, and not wearing helmets.
