Guntur District, Andhra Pradesh.

Objective:

The objective of Swachhata Hi Seva is to mobilize citizens to participate actively in cleaning up their surroundings, promoting awareness about sanitation and hygiene, and reducing plastic waste. It aims to bring together communities, organizations, and individuals in a collective effort toward a cleaner, greener India. This initiative supports the broader Swachh Bharat Mission to make India open defecation-free and environmentally sustainable.

Description:

Swachhata Hi Seva (SHS) is a nationwide cleanliness drive aimed at fostering community-led efforts toward a cleaner India. Launched under the broader Swachh Bharat Mission, this initiative emphasizes active citizen participation in improving sanitation and reducing waste, especially single-use plastics. Through organized activities like community clean-ups, awareness workshops, and school programs, it encourages everyone to contribute to local and national sanitation goals. SHS also serves as a platform for government agencies, NGOs, and the private sector to collaborate in these efforts. By addressing environmental issues and promoting responsible waste management, SHS plays a key role in raising awareness about sustainable practices. It seeks to instill a sense of pride and responsibility among citizens toward their surroundings. Ultimately, Swachhata Hi Seva strengthens the mission of a cleaner, healthier India for current and future generations.

Procedure of the Event:

The Swachhata Hi Seva event begins with planning and organizing cleanliness drives by local authorities, NGOs, and community leaders. Volunteers are mobilized, often through schools, workplaces, and community centers, to join cleanup activities. Participants gather at designated sites, where they engage in tasks like collecting and segregating waste, especially focusing on single-use plastics. Awareness programs run alongside, educating participants on sanitation, hygiene, and sustainable waste management. The event concludes with

the proper disposal of collected waste and reflections on promoting lasting cleanliness practices.

Outcome:

The Swachhata Hi Seva event results in cleaner public spaces, reduced plastic waste, and heightened community awareness about sanitation and environmental responsibility. It fosters a culture of cleanliness and sustainable waste management among participants and communities. Ultimately, it strengthens the collective commitment to maintaining a cleaner, greener India.

Overall, the awareness on voting program conducted by the KL team at Pedapalem Village on 25th January 2024 successfully concluded, contributing significantly to awareness on voting.

Details of the Event:

Name of the Event	: Swachhata Hi Seva
Place of the Event	: Prathuru Village
Date of the event	: 26-01-2024
No. of Hours	: 09:30 AM to 1:30 PM
No. of Participants	: Students: 81, Faculty: 03
No. of Beneficiary's	: 795
