Guntur District, Andhra Pradesh.

Objective:

The objective of providing first aid training to school students is to equip them with essential lifesaving skills in emergency situations. It aims to empower students to respond effectively to injuries, accidents, and medical emergencies within their schools and communities. Additionally, first aid training promotes confidence, preparedness, and a sense of responsibility towards helping others in need.

Description:

On 20-02-2024, KL Deemed to be University College of Pharmacy Unit-06 NSS wing organized a first aid training session for students at Vaddeswaram ZP High School as part of their Special Camp. Dr. R. Supriya, NSS Programme Officer, emphasized the importance of the training, focusing on essential life-saving skills such as CPR and assisting individuals with bleeding. The event was interactive, allowing students to practice these skills in simulated emergency scenarios to ensure they are prepared to aid both within their school campus and in their communities. Principal Dr. G. Chakravarthy, Dean of Student Affairs Dr. Ch. Hanumantha Rao, and advisors Dr. Habibulla Khan and Dr. KRS Prasad, along with NSS Programme Coordinator Mr. P. Srikanth Reddy, actively participated in the event. NSS Coordinator Mr. P. Suresh and Student Mentor Mr. G. Chandrasekhar effectively coordinated the activities, ensuring the successful implementation of the training session.

Outcome:

The first aid training session at Vaddeswaram ZP High School yielded positive outcomes, equipping students with crucial life-saving skills such as CPR and bleeding control. Participants gained confidence in responding to emergencies both at school and in their communities. The event fostered a sense of preparedness and responsibility among students towards providing immediate assistance during medical crises.

Impact on Society:

The first aid training at Vaddeswaram ZP High School positively impacted society by fostering a generation of students capable of providing immediate assistance in emergencies, thus potentially saving lives. It promoted a culture of preparedness and community responsibility towards health and safety.
