Objective:

The objective of road safety awareness is to educate individuals about safe driving practices and the importance of following traffic rules to prevent accidents. It aims to reduce road fatalities and injuries by promoting responsible behavior among all road users. Additionally, it seeks to create a culture of safety and vigilance on the roads.

Description:

On 10-03-2024, the NSS wing of KL Deemed to be University College of Engineering CSE Honors Unit-2 conducted a Road Safety Awareness campaign at Pedapalem Village as part of a special camp. NSS Programme Officer Mr. N. Naveen Narayanan emphasized the importance of vehicle safety for both two-wheelers and four-wheelers, advocating for the enforcement of regulations related to seat belts, airbags, anti-lock braking systems (ABS), and regular vehicle inspections to mitigate injury severity in accidents. He also highlighted the critical role of safety features such as child car seats and helmets for motorcyclists in saving lives. NSS Programme Coordinator Mr. P. Srikanth Reddy stressed the need for well-designed and maintained road infrastructure to minimize accident risks, including clear signage, proper lighting, well-marked lanes, pedestrian crossings, and traffic signals. He underscored the importance of regular road maintenance, such as repairing potholes and addressing hazardous conditions, to ensure safer travel. The event was coordinated by NSS Coordinator Mr. P. Suresh and Student Mentor Mr. G. Chandrasekhar and received appreciation from Dean of Student Affairs Dr. Ch. Hanumantha Rao, Advisors Dr. Habibulla Khan and Dr. K.R.S. Prasad, and HOD of CSE Honors Dr. Senthil Athithan.

Outcome:

The Road Safety Awareness event at Pedapalem Village heightened residents' understanding of essential vehicle safety features and the importance of well-maintained road infrastructure, promoting safer driving practices. This initiative is likely to reduce accidents and enhance overall road safety in the community.

Impact on Society:

The Road Safety Awareness event fostered a culture of safety in Pedapalem Village, encouraging responsible driving and the use of essential safety features. This societal shift is expected to decrease accidents and improve community well-being.
