Objective:

To give enhance Awareness on Cashless Transactions, Koneru Lakshmaiah Educational Foundation National Service Scheme (NSS) has conducted awareness in Mellampudi village, in the form of NSS activities on 19-03-2024 to 25-03-2024, As part of Unit-06 College of BCA NSS Special Camp.

Description:

Cashless transactions refer to the exchange of funds between parties without the physical exchange of cash. Instead, these transactions rely on digital payment systems and electronic fund transfers. Cashless transactions can be conducted using various methods, such as debit cards, credit cards, mobile payments, and online banking systems.

Some key features of cashless transactions include:

- **Convenience:** Cashless transactions can be faster and more convenient than traditional cash-based transactions, as they can be completed from any location with an internet connection.
- **Security:** Digital payment systems often incorporate encryption and other security measures to protect users' financial information and reduce the risk of fraud or theft.
- **Record-keeping:** Cashless transactions generate electronic records, making it easier for individuals and businesses to track their spending and manage their finances.
- **Increased financial inclusion:** Cashless transactions can help increase financial inclusion by enabling individuals without access to traditional banking services to participate in the digital economy.
- **Cost savings:** By reducing the need for cash handling and processing, cashless transactions can help businesses and governments reduce costs associated with handling cash.
- **Environmental benefits:** Cashless transactions can reduce the demand for cash production, transportation, and storage, leading to lower greenhouse gas emissions and a reduced environmental impact.

Procedure of the Event:

- The KLEF Students, Faculty and Participants are arrived at Vaddeswaram.
- The students, faculty and participants gather at Mellempudi village, showing their support for the cause.
- The event begins with a lively rally through the village streets, led by enthusiastic volunteers.
- Participants carry banners and signs advocating for awareness on cashless transactions, spreading the message throughout the community.
- At a central location, the rally concludes, and volunteers explain why awareness about Awareness on cashless transactions is crucial, discussing various techniques and methods for prevention.

Outcome:

- ✓ Faster transactions: Cashless payments are processed quickly and efficiently, reducing the time it takes to complete a transaction.
- ✓ Increased accessibility: Cashless transactions allow people without bank accounts or access to traditional financial services to participate in the economy.
- ✓ Improved security: Digital payment systems are often more secure than cash, reducing the risk of theft or fraud.
- ✓ Greater transparency: Cashless transactions can be tracked and monitored more easily, helping to reduce corruption and increase transparency in financial systems.
- ✓ Increased efficiency: Cashless transactions can reduce the cost of handling cash and make it easier for businesses to manage their finances.

Overall, the Awareness on cashless transactions conducted by the KLEF BCA team NSS at Mellampudi on 19-03-2024 as part of Special Camp successfully the students completed the program by raising awareness on cashless transactions.
