**Objective:**

The objective of raising awareness on dehydration is to educate people about its causes, symptoms, and potential health risks. It aims to highlight the importance of staying properly hydrated, especially in hot climates or during physical activity. By promoting healthy hydration habits, the initiative seeks to prevent dehydration-related illnesses. Ultimately, it encourages individuals to recognize early warning signs and take proactive steps to maintain their well-being.

**Description:**

On Saturday, the NSS department of KL University organized a dehydration awareness campaign in Prathuru village. Volunteers went door-to-door, educating residents on proper hydration habits and essential precautions to prevent dehydration. The campaign was coordinated by Mr. P. Suresh and saw active involvement from NSS Programme Officer Dr. Yesudasu, Dr. M. Suman (Head of the ECE Department), and village elder A. Srinivasa Rao. The initiative received appreciation from Vice Chancellor Dr. G. Parthasaradhi Varma, Pro Vice Chancellor Dr. AVS. Prasad, Dr. N. Venkatram, Dr. K. Rajasekhara Rao, Dean of Student Affairs Dr. KRS. Prasad, Advisor Dr. Habibulla Khan, NSS Programme Coordinator Mr. P. Srikanth Reddy, and other esteemed university officials.

**Outcome:**

Increased awareness of dehydration and its dangers has led to enhanced hydration practices within the community daily basis. This heightened understanding also facilitates the early detection and treatment of dehydration cases, ultimately contributing to a decreased incidence of dehydration-related illnesses such as heatstroke and kidney issues.

**Impact on Society:**

The project promotes a healthier, better-informed population. By promoting adequate hydration, it serves to decrease medical emergencies, increase workplace and scholastic productivity, and improve general quality of life. It also aids in public health initiatives, especially during periods of heat waves and where there is poor access to clean water.
