Guntur District, Andhra Pradesh.

Objective:

The objective of "Ek Ped Maa Ke Naam" on the occasion of "Swachhata Hi Seva" is to inspire individuals to plant trees in honor of their mothers, symbolizing life, nurturing, and growth. This initiative aims to strengthen the connection between environmental conservation and cleanliness by encouraging communities to improve green spaces, which contribute to cleaner and healthier surroundings. By planting trees, participants help combat pollution, enhance biodiversity, and create a sustainable future. Overall, the campaign fosters a sense of personal responsibility toward protecting nature for the well-being of both current and future generations.

Description:

Dr. KRS Prasad, Dean of Student Affairs at KL Deemed to be University, emphasized that every student should plant at least one sapling in their mother's name and take responsibility for its care. Responding to the call of the Central Youth Affairs and Sports Ministry, the University grandly organized a program titled "Plant a Sapling in the Name of Mother" on Monday, 17th September 2024, as part of the "Swachhata Hi Seva" campaign, under the aegis of the University's NSS department. Dean of Planning and Development, Dr. Rajesh, highlighted the importance of greenery in preserving nature, expressing concerns over rising pollution, irregular rainfall, and increasing temperatures due to deforestation. Dr. Sridhar, Associate Dean of Student Affairs, stressed the need to nurture plants with the same love and care we show to our mothers. NSS Program Coordinator Mr. P. Srikanth Reddy urged all NSS officers to involve students in planting saplings in their adopted villages. The P&D department contributed significantly to the event, with participation from Vice Chancellor Dr. G. Pardhasaradivarma, Pro Vice Chancellors Dr. AVS Prasad and Dr. N. Venkat Ram, Advisor to the Dean of Student Affairs Dr. Habibullah Khan, Associate Dean of P&D Dr. GRK Prasad, Associate Dean KJ Brahmachari, Principal Dr. T.K. Ramakrishna Rao, NSS Coordinator Mr. P. Suresh, and others, who planted saplings to mark the occasion.

Outcome:

The event led to the successful planting of saplings by students and faculty, fostering a sense of environmental responsibility. It raised awareness about the importance of greenery in combating pollution and climate issues. Additionally, it encouraged sustained community involvement in nurturing nature and promoting ecological balance.

Impact on Society:

The event created a positive societal impact by inspiring individuals to actively participate in environmental conservation through tree planting. It emphasized the connection between personal responsibility and community well-being, encouraging a culture of sustainability. The initiative also heightened awareness of climate change, pollution, and the need for greener spaces in society.
