Objective:

The objective of the Door-to-Door Awareness on Diabetes program is to educate villagers about the causes, symptoms, and prevention of diabetes. It aims to promote healthy lifestyle practices, including balanced diets and regular exercise, to reduce the risk of diabetes. The initiative focuses on early detection through regular health checks and monitoring blood sugar levels. By empowering communities with knowledge, it seeks to improve overall health and reduce diabetes-related complications in rural areas.

Description:

The KLEF College of Pharmacy National Service Scheme (NSS) conducted a door-to-door diabetes awareness campaign on 25th November 2024 at Godavarru Village, Duggirala Mandal. The initiative aimed to educate villagers about diabetes prevention, management, and the importance of early detection. NSS volunteers visited households, sharing information on healthy lifestyles, balanced diets, and regular health checkups to combat diabetes. The program fostered community engagement and raised awareness about the risks and complications associated with the condition. This effort highlighted KLEF College of Pharmacy's commitment to promoting rural health and wellness.

Outcome:

The door-to-door diabetes awareness campaign at Godavarru Village successfully educated villagers on the importance of diabetes prevention and early detection. It led to increased community awareness of healthy lifestyle practices, encouraging balanced diets and regular checkups. The event fostered a positive health-conscious mindset among the villagers, contributing to improved overall health awareness in the community.

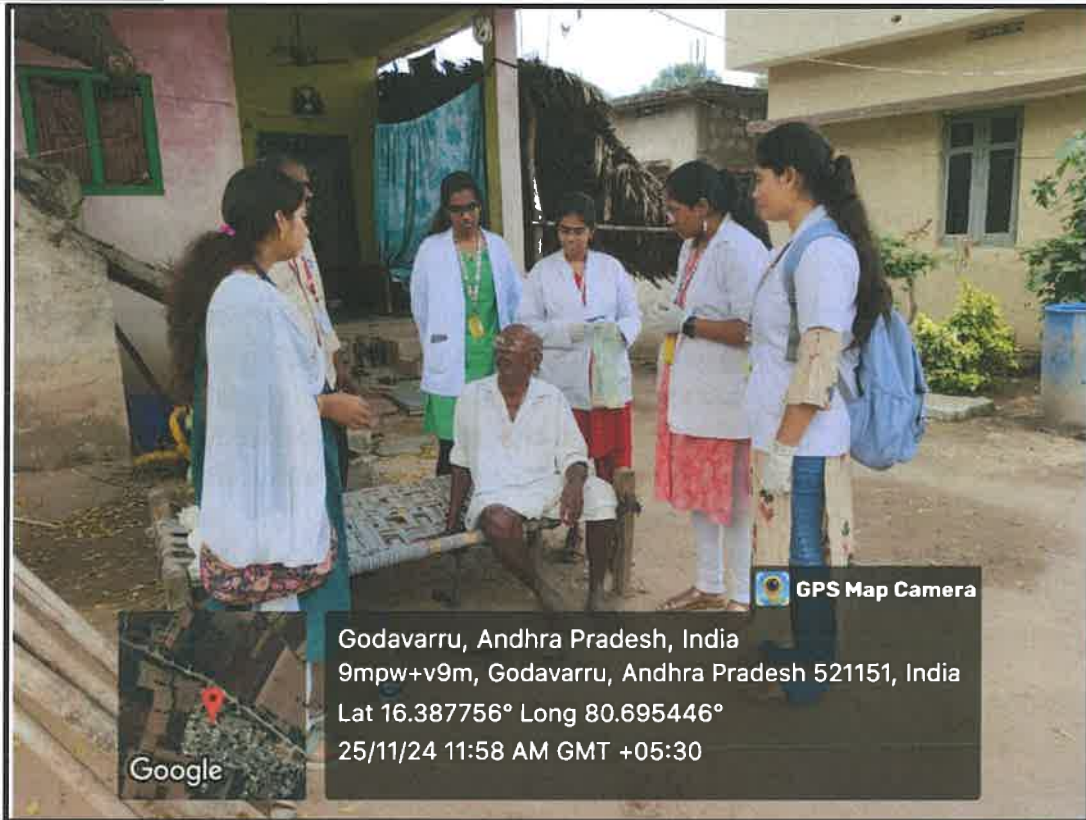

Impact on Society:

The diabetes awareness campaign created a significant impact on society by bridging the healthcare knowledge gap in rural areas. It empowered villagers with the information needed to prevent and manage diabetes, promoting proactive health practices. This initiative strengthened community health resilience, inspiring collective responsibility for long-term well-being and disease prevention.
