National Service Scheme (NSS)

“Community Cleaning Drive at School and Bus Shelter”

Event : Campaign on Cervical Cancer to Girl Students
Date : 12-03-2026
Place : Veerlapalem

Objective:

The objective of the community cleaning drive at the school and bus shelter is to promote cleanliness and hygiene in public spaces. It aims to create a safe, clean, and healthy environment for students and commuters. The program also encourages community participation and responsibility in maintaining public infrastructure. Overall, it fosters awareness about sanitation and sustainable cleanliness practices.

Description:

As per the directions of the Ministry of Youth Affairs and Sports, Government of India, National Service Scheme (NSS), and in accordance with the guidelines of the Regional Directorate, Hyderabad and Andhra Pradesh State NSS, the NSS Unit-4 of the CSE-04 Department, KL University organized a cleaning program on Thursday, 12th March 2026, in Veerlapalem village of Duggirala Mandal as part of the NSS Special Camp. Dean of Student Affairs, Dr. K.R.S. Prasad, stated that the volunteers carried out cleaning activities at the Mandal Parishad Primary School surroundings and the public bus shelter.

Head of the CSE-04 Department, Dr. T. Pavan Kumar, mentioned that the objective of the program was to improve cleanliness in these public areas. NSS volunteers cleaned the school premises by removing waste, sweeping the area, and washing the surroundings with water, thereby creating a hygienic environment for students.

NSS Program Coordinator, Dr. P. Srikant Reddy, explained that the volunteers also cleaned the public bus shelter by removing dust and litter and washing the area, ensuring a clean and safe waiting space for commuters. He emphasized that maintaining cleanliness in public places helps prevent the spread of diseases and promotes a healthy lifestyle.

NSS Program Officer, Mr. G. Mohana Rao, stated that the volunteers interacted with villagers and created awareness about the importance of sanitation and maintenance of public spaces. They encouraged people to avoid littering and to take responsibility for keeping their surroundings clean.

Outcome:

The outcome of the program was positive as the school surroundings and bus shelter were transformed into clean and hygienic spaces. Students and commuters benefited from a safer and healthier environment. The activity also increased awareness among villagers about the importance of cleanliness and sanitation. Overall, the program encouraged community participation and responsibility in maintaining public places.

Impact on Society:

The program has a positive impact on society by promoting cleanliness and hygiene in public spaces. It helps in preventing the spread of diseases and improving overall public health. The initiative encourages community participation and responsible behavior towards maintaining surroundings. Overall, it contributes to building a cleaner, healthier, and more disciplined society.
