National Service Scheme (NSS)

“Road Sanitation Drive for Public Health”

Event : Road Sanitation Drive for Public Health
Date : 03-03-2026
Place : Koppuravuru

Objective:

The objective of the Road Sanitation Drive for Public Health is to promote cleanliness and hygiene on roads and public areas. It aims to reduce waste, prevent the spread of diseases, and create a healthier environment for the community. The program encourages people to adopt proper waste disposal practices and maintain clean surroundings. Overall, it supports public health improvement and builds awareness about sanitation responsibility.

Description:

As per the directions of the Ministry of Youth Affairs and Sports, Government of India, National Service Scheme (NSS), and in accordance with the guidelines of the Regional Directorate, Hyderabad and Andhra Pradesh State NSS, the NSS Unit-11 of the College of Agriculture, KL University organized a “Road Sanitation Drive for Public Health” on Thursday, 12th March 2026, in Pedavadlapudi village of Mangalagiri Mandal as part of the NSS Special Camp. Dean of Student Affairs, Dr. K.R.S. Prasad, stated that this program was conducted as an important social service initiative to improve public health and maintain cleanliness in the surroundings.

Director of the College of Agriculture, Dr. P. Ratna Prasad, explained that during the program, volunteers removed waste accumulated on roads, cleaned drainage systems, and spread bleaching powder to maintain hygiene. They also created awareness among the public about the importance of cleanliness. He highlighted that clean roads help reduce the breeding of harmful insects such as mosquitoes and flies, thereby lowering the risk of diseases like dengue and malaria.

NSS Program Coordinator, Dr. P. Srikant Reddy, emphasized that such initiatives go beyond cleanliness and help in developing a sense of social responsibility among people. He stated that individuals begin to understand their role in maintaining a clean environment, and students and youth, in particular, develop service-mindedness, discipline, and environmental awareness through participation in such activities.

NSS Program Officer, Dr. S. Pradeep Kumar, added that collective efforts like this contribute to building a healthier and more attractive society. He stressed that programs like the Road Sanitation Drive for Public Health are essential for the overall development of the community.

The program was successfully coordinated by NSS Field Coordinator Mr. P. Suresh. The volunteers were appreciated for their efforts by University Vice-Chancellor Dr. G. Parthasarathi Varma, Pro Vice-Chancellors Dr. A.V.S. Prasad, Dr. N.

Venkataram, and Dr. K. Rajashekhara Rao, along with Dean Advisors Dr. Habibullah Khan, Registrar Dr. K. Subbarao, Principal Dr. V. Rajesh, Student Affairs Deans Dr. K.R.S. Prasad and Dr. Habibullah Khan, Associate Dean Dr. Shanta Sri, and other dignitaries.

Outcome:

The outcome of the program was effective as roads and drainage areas were cleaned, creating a healthier environment for the community. The initiative helped reduce the risk of diseases by controlling mosquito and insect breeding. Villagers became more aware of the importance of sanitation and cleanliness. Overall, the program encouraged collective responsibility and improved public health conditions.

Impact on Society:

The program has a significant impact on society by improving public health and promoting a clean environment. It helps in reducing the spread of diseases caused by poor sanitation and unhygienic conditions. The initiative encourages community participation and responsible behavior towards cleanliness. Overall, it contributes to building a healthier, safer, and more sustainable society.
