Event : Cleanliness and Greenery in Hospital Premises  
Date : 17-03-2026  
Place : Nutakki

**Objective:**

The objective of the Cleanliness and Greenery in Hospital Premises program is to maintain a hygienic, safe, and eco-friendly healthcare environment. It aims to promote sanitation, reduce pollution, and create a pleasant atmosphere for patients, visitors, and staff. The program also encourages tree plantation and proper waste management within hospital surroundings. Overall, it supports public health, environmental protection, and community responsibility.

**Description:**

As per the directions of the Ministry of Youth Affairs and Sports, Government of India, National Service Scheme (NSS), and in accordance with the guidelines of the Regional Directorate, Hyderabad and Andhra Pradesh State NSS, the NSS Unit-6 of the CS&IT Department, KL University organized a cleanliness and greenery program on Tuesday, 17th March 2026, in Nuthakki village as part of the NSS Special Camp. Dean of Student Affairs, Dr. K.R.S. Prasad, stated that volunteers cleaned the surroundings of the Government Primary School in the village and planted saplings to promote a healthier and greener environment.

Head of the CS&IT Department, Dr. AV.Praveen Krishna, explained that the cleanliness and plantation drive conducted in the Government Primary School premises served as an excellent social service activity that promoted social responsibility among students and villagers. NSS Programme Coordinator, Dr. P. Srikant Reddy, highlighted that NSS volunteers and local residents worked together to clean the school surroundings by removing waste and maintaining hygiene. After the cleaning activity, saplings were planted in the school premises to increase greenery. He emphasized that the initiative, carried out with the message "Clean School – Green School," laid the foundation for a better future.

NSS Programme Officer, Dr. N.Praveena, stated that these efforts transformed the school environment into a cleaner, healthier, and more attractive space. He also mentioned that students were educated about cleanliness, environmental protection, and the importance of trees. The program was successfully coordinated by NSS Field Coordinator Mr. P. Suresh. The volunteers were appreciated by University Vice-Chancellor Dr. G. Parthasarathi Varma, Pro Vice-Chancellors Dr. A.V.S. Prasad, Dr. N. Venkataram, and Dr. K. Rajashekhara Rao, along with Dean Advisors Dr. Habibullah Khan, Registrar Dr. K. Subbarao, Principal Dr. V. Rajesh, Advisor Dr. Habibullah Khan, Associate Dean Dr. Shanta Sri, and other dignitaries.

**Outcome:**

The outcome of the program was positive as the school premises became cleaner, greener, and more hygienic. Students and villagers gained awareness about cleanliness, environmental protection, and the importance of tree plantation. The initiative encouraged community participation and developed a sense of social responsibility. Overall, the program created a healthier learning environment and promoted sustainable habits.

**Impact on Society:**

The program has a positive impact on society by promoting cleanliness, environmental awareness, and community responsibility. It helps create healthier public spaces while encouraging tree plantation and sustainable practices. The initiative also inspires students and villagers to actively participate in protecting their surroundings. Overall, it contributes to building a cleaner, greener, and more socially responsible society.
