National Service Scheme (NSS)

Awareness to the public on Eco-Friendly Diwali

(Swachh Diwali Shubh Diwali)

Event : Awareness to the Public on Eco-Friendly Diwali

Date : 17-10-2025

Place : Pedavادلapudi

Objective:

The objective of the Awareness to the Public on Eco-Friendly Diwali on the eve of “Swachh Diwali, Shubh Diwali” is to educate people about celebrating the festival in an environmentally responsible way. It aims to reduce pollution caused by firecrackers and promote the use of natural clay lamps and eco-friendly decorations. The program encourages cleanliness, sustainable celebrations, and the protection of nature. It seeks to inspire communities to adopt green practices during Diwali. Ultimately, the goal is to spread the message of joy with responsibility towards the environment.

Description:

As per the directions of the Ministry of Youth Affairs and Sports and the National Service Scheme (NSS), under the Swachh Bharat Mission, the KL University NSS Unit and the College of Pharmacy organized the “Swachh Diwali – Shubh Diwali” program on Friday, 17th October 2025, informed Dr. C.H. Chakravarthi, Principal, College of Pharmacy, KL University.

On this occasion, Dr. P. Srikanth Reddy, NSS Programme Coordinator, explained that Diwali is celebrated to mark the return of Lord Rama to Ayodhya after defeating Ravana and completing fourteen years of exile. It is also believed that Goddess Lakshmi, the goddess of wealth and prosperity, descends to earth on this day, and hence, people clean their homes and light lamps to welcome her.

Dr. R. Supriya, NSS Programme Officer, College of Pharmacy, stated that bursting harmful firecrackers causes noise and air pollution, which leads to several health issues. Therefore, it is the responsibility of elders to make children understand these harmful effects.

Dr. K.R.S. Prasad, Dean of Student Affairs, mentioned that NSS volunteers created awareness among the public about the ill effects of firecrackers, such as the emission of toxic gases and noise pollution that can cause respiratory diseases, hearing problems, and eye irritation. He also cautioned that mishandling firecrackers can lead to injuries.

The University Vice-Chancellor Dr. Parthasarathi Varma, Pro Vice-Chancellors Dr. A.V.S. Prasad, Dr. N. Venkata Ram, Dr. K. Rajashekhara Rao, and Dean Dr. Habeebullah Khan appreciated and congratulated the volunteers and coordinator Mr. P. Suresh for successfully organizing the event.

Outcome:

The Swachh Diwali – Shubh Diwali program successfully created awareness among students and the local community about celebrating Diwali in an eco-friendly manner. Participants learned the harmful effects of firecrackers on health and the environment. Volunteers actively engaged with households, promoting the use of clay lamps and reducing noise and air pollution. The event encouraged responsible celebrations and instilled a sense of environmental responsibility among the youth. Overall, it strengthened community participation and reinforced the message of a safe, clean, and joyous Diwali.

Impact on Society:

The Swachh Diwali – Shubh Diwali event positively influenced the community by promoting environmentally responsible practices during the festival. It helped reduce air and noise pollution in the local area, contributing to a healthier environment. The awareness campaign educated children and adults about the dangers of harmful firecrackers, fostering safer celebrations. By encouraging the use of eco-friendly lamps and decorations, it strengthened sustainable habits among families. Overall, the event enhanced social consciousness, community participation, and respect for nature, creating a model for future festivals.

Details of the Event:
