- KEEP PUBLIC PLACES CLEAN
- PROTECT OUR ENVIRONMENT
- BE A RESPONSIBLE CITIZEN

DATE: 11-01-2026 (Sunday) | **PLACE:** KOLANUKONDA | **TIME:** 8:00 AM onwards

LET'S JOIN HANDS FOR CLEANLINESS & GREENERY!

Organized by: Kolanukonda Village Panchayat & Local Youth Volunteers

Event : Cleanliness and Greenery in Public Places
Date : 11-01-2026
Place : Kolanukonda

Objective:

The objective of the Cleanliness and Greenery in Public Places program is to promote hygiene, sanitation, and environmental protection in community spaces. It aims to create clean, safe, and green surroundings through waste removal, proper maintenance, and tree plantation. The program also encourages public participation and social responsibility in preserving shared spaces. Overall, it supports healthier communities, environmental sustainability, and improved quality of life.

Description:

As per the directions of the Ministry of Youth Affairs and Sports, Government of India, National Service Scheme (NSS), and in accordance with the guidelines of the Regional Directorate, Hyderabad and Andhra Pradesh State NSS, the NSS Unit of the College of Pharmacy, KL University organized an awareness program on “Cleanliness and Greenery in Public Places” on Sunday, 11th January 2026, in Kolanukonda village. Dean of Student Affairs, Dr. K.R.S. Prasad, stated that the program was conducted to educate the public about the importance of cleanliness and greenery in public spaces for community health, environmental protection, and a better quality of life.

Principal of the College of Pharmacy, Dr. Chakravarthi, explained that maintaining cleanliness in public places such as roads, parks, schools, and bus stands plays a vital role in reducing diseases and creating a healthier society. He emphasized that proper waste disposal through the use of dustbins, instead of littering, is essential for preserving sanitation and public hygiene.

NSS Programme Coordinator, Dr. P. Srikant Reddy, highlighted the importance of tree plantation, plant conservation, and the development of green spaces to promote environmental sustainability. He stated that trees purify the air, provide oxygen, reduce pollution, and create a peaceful atmosphere while playing a crucial role in protecting nature.

NSS Programme Officer, Dr. R. Supriya, encouraged all citizens to actively participate in cleanliness drives and plantation programs to make villages and towns more beautiful and healthy. She emphasized that maintaining cleanliness and greenery in public places is the responsibility of every citizen and forms the foundation of a clean, green, and healthy society.

The program was successfully coordinated by NSS Field Coordinator Mr. P. Suresh. The volunteers were appreciated by University Vice-Chancellor Dr. G.

Parthasarathi Varma, Pro Vice-Chancellors Dr. A.V.S. Prasad, Dr. N. Venkataram, and Dr. K. Rajashekhara Rao, along with Dean Advisors Dr. Habibullah Khan, Registrar Dr. K. Subbarao, Principal Dr. V. Rajesh, Advisor Dr. Habibullah Khan, Associate Dean Dr. Shanta Sri, and other dignitaries.

Outcome:

The outcome of the program was positive as people gained awareness about the importance of cleanliness, proper sanitation, and greenery in public places. They learned responsible waste disposal practices and the value of tree plantation for a healthier environment. The initiative encouraged community participation in maintaining clean and green surroundings. Overall, the program promoted healthier public spaces and strengthened environmental responsibility.

Impact on Society:

The program has a positive impact on society by promoting public hygiene, environmental protection, and community responsibility. It helps create cleaner public spaces, reduces health risks, and encourages sustainable green practices. The initiative also inspires citizens to actively participate in maintaining shared environments. Overall, it contributes to building a healthier, cleaner, and more environmentally conscious society.
