## National Service Scheme (NSS)

### “Preventing Sexual Harassment on Social Media”

Event : Preventing Sexual Harassment on Social Media

Date : 25-02-2026

Place : Gundimeda

**Objective:**

The objective of addressing Preventing Sexual Harassment on Social Media is to create awareness about the forms and consequences of online abuse. It aims to educate individuals on recognizing inappropriate behavior such as cyber stalking, bullying, and unsolicited messages. Another objective is to promote responsible digital behavior and respect for others' privacy and dignity. It also focuses on empowering victims to report incidents and seek support without fear or stigma. Ultimately, the goal is to foster a safer, more respectful, and inclusive online environment for everyone.

**Description:**

As per the directions of the Ministry of Youth Affairs and Sports, Government of India, National Service Scheme (NSS), and in accordance with the guidelines of the Regional Directorate, Hyderabad and Andhra Pradesh State NSS, the NSS Unit-1 of the CSE-1 Department, KL University organized an awareness program on "Sexual Harassment through Social Media" on Wednesday, 25th February 2026, in Gundimeda village of Tadepalli Mandal as part of the NSS Special Camp. Dean of Student Affairs, Dr. K.R.S. Prasad, stated that the program was conducted to educate the public about online safety and harassment issues.

Head of the CSE-1 Department, Dr. K. Amarendra, mentioned that NSS volunteers, organized into groups, conducted door-to-door campaigns to create awareness about various forms of sexual harassment on social media. These include sending inappropriate messages, sharing obscene photos or videos, making threats, and posting personal information without consent. NSS Program Coordinator, Dr. P. Srikant Reddy, explained that such harassment often occurs through unknown friend requests, inappropriate chats, fake accounts, and misuse of photos. He advised people not to accept requests from strangers, avoid sharing personal information such as phone numbers and addresses, use proper privacy settings on social media, and refrain from opening suspicious links or messages.

NSS Program Officer, Dr. G. Anjaneyulu, emphasized that if harassment occurs, individuals should immediately block the offender, take screenshots as evidence, and report the issue to cybercrime authorities through the official portal ([www.cybercrime.gov.in](http://www.cybercrime.gov.in)). He also advised victims to seek support from family members or trusted individuals; as such incidents can seriously affect mental health, leading to fear, stress, and loss of confidence. The program was successfully coordinated by NSS Field Coordinator Mr. P. Suresh. The volunteers were appreciated for their efforts by University Vice-Chancellor Dr. G. Parthasarathi Varma, Pro Vice-Chancellors Dr. A.V.S. Prasad, Dr. N. Venkataram, and Dr. K. Rajashekhara Rao, along with Dean Advisors Dr.

Habibullah Khan, Registrar Dr. K. Subbarao, Principal Dr. V. Rajesh, Associate Dean Dr. Shanta Sri, NSS Program Officer Dr. Vijay, and other dignitaries.

**Outcome:**

The outcome of the program was effective as villagers gained awareness about online safety and the risks of sexual harassment through social media. They learned how to identify inappropriate behavior and take preventive measures. The session encouraged them to use privacy settings and report incidents without fear. Overall, the program promoted digital safety, confidence, and responsible use of social media.

**Impact on Society:**

The program has a positive impact on society by promoting awareness about online safety and preventing social media harassment. It empowers individuals, especially youth, to protect their personal information and respond confidently to threats. The initiative also encourages reporting of cyber crimes, strengthening digital security in the community. Overall, it contributes to building a safer, more responsible, and digitally aware society.
