## National Service Scheme (NSS)

“Clean Today, Green Tomorrow”

Event : Clean Today, Green Tomorrow  
Date : 27-02-2026  
Place : Revendrapadu

**Objective:**

The objective of the “Clean Today, Green Tomorrow” initiative is to promote cleanliness and environmental sustainability in the community. It aims to encourage people to maintain clean surroundings and adopt eco-friendly practices. The program also focuses on reducing pollution and conserving natural resources. Overall, it inspires individuals to take responsibility for creating a cleaner and greener future.

**Description:**

As per the directions of the Ministry of Youth Affairs and Sports, Government of India, National Service Scheme (NSS), and in accordance with the guidelines of the Regional Directorate, Hyderabad and Andhra Pradesh State NSS, the NSS Unit-3 of the CSE-3 Department, KL University organized a cleanliness drive under the slogan “Clean Today, Green Tomorrow” on Friday, 27th February 2026, in Revendrapadu village of Duggirala Mandal as part of the NSS Special Camp. Dean of Student Affairs, Dr. K.R.S. Prasad, stated that NSS volunteers cleaned village roads and surroundings and ensured proper disposal of waste by transporting it to the dumping yard.

Head of the CSE-3 Department, Dr. A. Senthil Athithan, emphasized the importance of maintaining cleanliness, reducing plastic usage, planting trees, and proper waste management. He stated that collective efforts from the community are essential to keep villages clean and protect the environment. He also highlighted that small individual actions can contribute significantly to safeguarding the future.

NSS Program Coordinator, Dr. P. Srikant Reddy, explained the importance of effective waste management practices such as segregating waste into wet and dry categories, promoting recycling, and producing organic manure through composting. He noted that these practices play a crucial role in reducing environmental pollution.

NSS Program Officer, Dr. Vijay, created awareness about conserving natural resources by saving water, reducing electricity usage, and promoting the use of renewable energy. The program was coordinated by NSS Field Coordinator Mr. P. Suresh, who ensured its successful execution.

The volunteers were appreciated for their efforts by University Vice-Chancellor Dr. G. Parthasarathi Varma, Pro Vice-Chancellors Dr. A.V.S. Prasad, Dr. N. Venkataram, and Dr. K. Rajashekhara Rao, along with Dean Advisors Dr. Habibullah Khan, Registrar Dr. K. Subbarao, Principal Dr. V. Rajesh, Associate Dean Dr. Shanta Sri, and other dignitaries.

**Outcome:**

The outcome of the program was highly positive as the village surroundings became cleaner and more hygienic. Villagers gained awareness about waste management, cleanliness, and environmental protection. The activity encouraged people to adopt practices like waste segregation, recycling, and reducing plastic usage. Overall, the program promoted a sense of responsibility towards maintaining a clean and green environment.

**Impact on Society:**

The program has a significant impact on society by promoting cleanliness and environmental sustainability in the community. It encourages collective responsibility in maintaining hygienic surroundings and reducing pollution. The awareness on waste management and eco-friendly practices helps in protecting natural resources. Overall, it contributes to building a cleaner, greener, and healthier society.
