Place : Prathuru

**Objective:**

The objective of the awareness program on human values for children is to instill qualities such as respect, honesty, kindness, and responsibility. It aims to help children understand the importance of empathy, sharing, and caring for others. The program encourages positive behavior and ethical decision-making in daily life. Overall, it supports the development of responsible, compassionate, and well-rounded individuals.

**Description:**

As per the directions of the Ministry of Youth Affairs and Sports, Government of India, National Service Scheme (NSS), and in accordance with the guidelines of the Regional Directorate, Hyderabad and Andhra Pradesh State NSS, the NSS Unit-7 of the ECE Department, KL University organized an awareness program on Human Values for children on Saturday, 28th February 2026, in Prathuru village of Tadepalli Mandal as part of the NSS Special Camp. Dean of Student Affairs, Dr. K.R.S. Prasad, stated that the program was conducted to instill moral values among children.

Head of the ECE Department, Dr. I. Govardhani, mentioned that NSS volunteers actively engaged with children and taught them how to lead a good life with positive behavior. The program focused not only on teaching concepts but also on developing good habits, a kind attitude, and proper conduct in daily life. Children were guided to understand the difference between right and wrong and were encouraged to practice good deeds.

NSS Program Coordinator, Dr. P. Srikant Reddy, explained key human values such as honesty (speaking the truth), respect (valuing elders, teachers, and peers), kindness (helping others), sharing (caring and giving), responsibility (taking ownership of one's actions), and cooperation (working together with others). These values were explained in a simple and relatable manner for children.

NSS Program Officer, Dr. K. Venkata Kishore, emphasized that learning these values at an early age helps in building strong character, discipline, and moral integrity. He added that teaching through stories, games, role-plays, and real-life examples by parents and teachers can make these values more effective. He highlighted that human values form the foundation for children to grow into responsible and good citizens.

The program was successfully coordinated by NSS Field Coordinator Mr. P. Suresh. The volunteers were appreciated for their efforts by University Vice-Chancellor Dr. G. Parthasarathi Varma, Pro Vice-Chancellors Dr. A.V.S. Prasad, Dr. N. Venkataram, and Dr. K. Rajashekhara Rao, along with Dean Advisors Dr. Habibullah

Khan, Registrar Dr. K. Subbarao, Principal Dr. V. Rajesh, Associate Dean Dr. Shanta Sri, and other dignitaries.

**Outcome:**

The outcome of the program was positive as children gained a clear understanding of human values and their importance in daily life. They learned to practice good habits such as honesty, respect, kindness, and responsibility. The interactive activities helped improve their behavior and social skills. Overall, the program contributed to building strong character and moral values among children.

**Impact on Society:**

The program has a positive impact on society by nurturing children with strong moral values and ethical behavior. It helps in building responsible and respectful future citizens. The awareness also promotes harmony, cooperation, and mutual respect within the community. Overall, it contributes to creating a disciplined, value-based, and socially responsible society.
