National Service Scheme (NSS)

"Community Awareness on Diarrhea (Swachh Bharat)"

Event : **Community Awareness on Diarrhea**
Date : **05-09-2026**
Place : **Nutakki**

Objective:

The objective of the programme is to create awareness among the community about diarrhea prevention and the importance of maintaining proper hygiene and sanitation. It aims to educate people about safe drinking water, hand washing, hygienic food practices, and the proper use of toilets to prevent the spread of infections. The programme encourages the adoption of cleanliness practices in accordance with the objectives of the Swachh Bharat Mission. Overall, it seeks to promote community health, prevent waterborne diseases, and create a clean and healthy environment.

Description:

As part of the Social Responsibility and Community Service Programme, the NSS Cell and Department of Electronics and Communication Engineering (ECE), KL University, organized a community awareness programme on "Community Awareness on Diarrhea (Swachh Bharat)" at Nuthakki Village, Mangalagiri Mandal, Guntur District, on Saturday, 5th September 2026. The programme was conducted in accordance with the directions of the National Service Scheme (NSS), Ministry of Youth Affairs and Sports, Government of India, and the guidelines of the Regional Directorate of NSS, Hyderabad, and the Andhra Pradesh State NSS. Dean of Student Affairs Dr. KRS. Prasad explained that diarrhea can result from consuming contaminated water and unhygienic food. He emphasized the importance of washing hands thoroughly with soap before eating and after using the toilet. He also highlighted the need to consume safe drinking water, keep food covered, and maintain cleanliness in the surrounding environment.

NSS Programme Coordinator Dr. P. Srikanth Reddy explained the importance of preventing dehydration during diarrhea by using Oral Rehydration Solution (ORS) to replenish lost fluids and salts. He advised people to seek immediate medical assistance if severe symptoms developed. NSS volunteers encouraged community members to practice proper hygiene and sanitation in accordance with the objectives of the Swachh Bharat Mission and to actively participate in building a clean and healthy society.

NSS Field Coordinator Mr. P. Suresh coordinated the programme and ensured its successful conduct. The University Vice-Chancellor Dr. G. Parthasarathi Varma, Pro Vice-Chancellors Dr. N. Venkatram and Dr. K. Rajashekhara Rao, Registrar Dr. I. Pavan Kumar, Principal Dr. T. K. Ramakrishna Rao, Advisor Dr. Habibulla Khan, Associate Dean Dr. Shantisri, and other university officials appreciated the NSS

volunteers for their efforts in promoting community health, hygiene, and sanitation awareness.

Outcome:

The programme improved public awareness of diarrhea prevention, personal hygiene, and sanitation practices. People gained knowledge about the importance of drinking safe water, consuming hygienic food, and washing hands with soap. The awareness campaign encouraged community members to maintain clean surroundings and follow preventive measures to reduce the risk of waterborne diseases. It also motivated people to seek timely medical care and use ORS to prevent dehydration during diarrhea.

Impact on Society:

The programme contributed to building a healthier community by promoting awareness of diarrhoea prevention, hygiene, and sanitation. It encouraged people to adopt safe drinking water practices, maintain food hygiene, and keep their surroundings clean. The campaign helped strengthen community responsibility towards preventing waterborne diseases and protecting public health. It also promoted the objectives of Swachh Bharat by encouraging sustainable cleanliness practices and healthier living habits.
