ANTI-RAGGING AWARENESS PROGRAM

Date : 11/08/2018
Time : 09:00 A.M to 5:00 P.M
Venue : Peacock Hall

OBJECTIVES

The objectives of organizing awareness programs on anti-ragging in virtual mode include educating students about the harmful effects of ragging, promoting institutional policies and procedures for prevention and reporting, empowering students to speak up and seek support, fostering a culture of respect and inclusivity, encouraging bystander intervention, facilitating continuous engagement and dialogue, and fostering collaboration with external stakeholders. Through these initiatives, virtual awareness programs aim to create a safer and more supportive campus environment where all students feel valued and protected from the negative impacts of ragging.

DESCRIPTION

KLEF organized awareness program on anti-ragging. Resource person for this program is Sri P.V. Ramana, Advocate, Guntur. Organizing an awareness program on anti-ragging several steps. Firstly, the institution designs engaging content that educates students about the detrimental effects of ragging and emphasizes institutional policies and legal consequences. Utilizing virtual platforms, such as webinars, online forums, and social media campaigns, the program aims to reach a wide audience and encourage participation. Interactive elements like quizzes, polls, and Q&A sessions enhance engagement and facilitate understanding. Collaboration with external experts, NGOs, and law enforcement agencies enriches the program's credibility and effectiveness. Through continuous dialogue and support mechanisms, the program fosters a culture of empathy, respect, and accountability, ultimately promoting a safe and inclusive learning environment for all students.

OUTCOMES

The outcomes of organizing an awareness program on anti-ragging in mode can be manifold. Firstly, there's heightened awareness among students regarding the negative impacts of ragging, leading to a reduction in incidents as individuals become more vigilant and willing to intervene. Enhanced understanding of institutional policies and reporting procedures

empowers students to take action against ragging, ensuring timely intervention and support for victims. Moreover, the cultivation of a culture of respect and empathy through virtual engagement fosters stronger community bonds, encouraging students to uphold positive behavior and reject harmful practices. Additionally, the program may lead to improved collaboration with external stakeholders, facilitating the implementation of more comprehensive anti-ragging measures. Overall, the outcomes encompass a safer, more supportive campus environment conducive to learning and personal growth.
