OBJECTIVES

The objectives of organizing awareness programs on anti-ragging in virtual mode include educating students about the harmful effects of ragging, promoting institutional policies and procedures for prevention and reporting, empowering students to speak up and seek support, fostering a culture of respect and inclusivity, encouraging bystander intervention, facilitating continuous engagement and dialogue, and fostering collaboration with external stakeholders. Through these initiatives, virtual awareness programs aim to create a safer and more supportive campus environment where all students feel valued and protected from the negative impacts of ragging.

DESCRIPTION

KLEF organized awareness program on anti-ragging. Resource person for this program is Sri Mr. B Ankamma Rao - SHO . Organizing an awareness program on anti-ragging several steps. Utilizing virtual platforms, such as webinars, online forums, and social media campaigns, the program aims to reach a wide audience and encourage participation. Interactive elements like quizzes, polls, and Q&A sessions enhance engagement and facilitate understanding.
