AWARENESS PROGRAM FOR SCHOLARSHIPS ,JOB OPPORTUNITIES AND CAREER OPPORTUNITIES FOR ST & SC STUDENTS

Date : 11.10.2018
Time : 2:00 P.M to 5:00 P.M
Venue : C.V .Ramana Hall

OBJECTIVES

The objectives of organizing awareness programs on SC- ST Awareness program include educating students about Ensure that individuals belonging to SC and ST communities have equal opportunities in education, employment, and other spheres of life, aiming to bridge the historical gaps caused by discrimination and social exclusion.

DESCRIPTION

KLEF organized awareness program caste based inequity. Resource person for this program is Dr.Habibulla Khan. Organizing an awareness program Caste-based inequity is rooted in social structures that assign individuals to different castes or social groups based on birth. These structures create a hierarchical system where certain castes enjoy privilege and power while others face marginalization and oppression. NSTFDC offers financial support to ST individuals for entrepreneurship and education. UGC offers several scholarships and fellowships for SC and ST students pursuing higher education.This ministry often runs various scholarship schemes for ST students at the central and state levels. Discriminatory practices and attitudes are often embedded in institutions, laws, and social norms, perpetuating inequity across generations. Addressing caste-based inequity requires a multi-faceted approach that involves legal reforms, policy interventions, social initiatives, and cultural transformations aimed at dismantling caste-based hierarchies, promoting inclusivity, and upholding human rights for all individuals, regardless of caste or social identity.

OUTCOMES

The outcomes of organizing an awareness program on caste-based inequity, particularly concerning Scheduled Castes (SC) and Scheduled Tribes (ST), are manifold and deeply impactful on individuals, communities, and society at large. Addressing caste-based inequity requires comprehensive strategies aimed at dismantling caste-based hierarchies, promoting social justice, and ensuring the full realization of rights and opportunities for SC/ST communities. This includes targeted interventions in education, healthcare, employment, land rights, legal protection, and social inclusion, along with efforts to challenge discriminatory attitudes and practices at societal and institutional levels.
