### **AWARENESS PROGRAM ON GRIEVANCE SUBMISSION (ONLINE/OFFLINE) MECHANISM AND GRIEVANCE REDRESSAL MECHANISM**

**Date** : 10.09.2019

**Time** : 10:00 A.M to 5:00 P.M

**Venue** : R&D Theatre, KLEF

#### **OBJECTIVES:**

The objectives of conducting awareness initiatives concerning grievance submission (whether online or offline) and grievance resolution mechanisms for students are multifaceted. Primarily, these endeavours aimed to provide students with thorough knowledge regarding the available avenues for lodging complaints, whether through digital platforms or traditional means, ensuring they are well-informed and empowered to seek solutions. Additionally, these efforts sought to cultivate an environment of transparent communication, trust, and responsibility within the academic community, fostering a conducive atmosphere for addressing concerns and effectively resolving conflicts. Furthermore, by increasing awareness about grievance resolution mechanisms, the program aimed to proactively prevent the escalation of grievances and encourage students to actively participate in resolving issues, ultimately enhancing their overall well-being and satisfaction within the educational institution.

#### **DESCRIPTION:**

KLEF recently organized an Awareness Program on 10.09.2019

"Grievance Submission (Online/Offline) Mechanism and Grievance Redressal Mechanism".

During the event, Dr. Habibullah Khan, Dean of Student Affairs, addressed attendees, highlighting that students have the option to submit their grievances either online or offline.

Online submission methods include utilizing Google Forms at <https://www.kluniversity.in/Student-Grievances.aspx>, accessing the ERP system at <https://newerp.kluniversity.in>, or emailing grievances@kluniversity.in. Offline options entail using Complaints/Suggestion Boxes, meeting the Dean of Student Affairs in person, or

reaching out to their respective Heads of Department. Dr. Khan also emphasized that the Grievance Redressal Committee convenes monthly, inviting students to attend and voice their grievances. The date of each meeting is communicated through circulars from the Registrar's Office. He assured students that grievances would be addressed within 3 to 15 days, depending on their nature, and introduced the role of the ombudsperson in the Grievance Redressal Committee. Additionally, Dr. Khan underscored the university's commitment to maintaining a campus free from ragging, sexual harassment, and eve-teasing, elaborating on the preventive measures in place. Types of grievances were also elucidated during the session.

### **OUTCOMES:**

The outcomes of conducting awareness initiatives about grievance submission (whether online or offline) and grievance resolution mechanisms for students brought about notable advantages. Initially, this program fostered an atmosphere of openness and trust within the academic community, strengthening bonds between administrators and students. It empowered

individuals by providing them with knowledge about available grievance channels and the procedure for redressal. Additionally, it facilitated the prompt resolution of conflicts and complaints, thereby elevating overall satisfaction and well-being. Furthermore, it prompted proactive involvement in addressing concerns, fostering a more cohesive and supportive learning environment. Ultimately, these results encompass enhanced communication, heightened confidence in the grievance redressal process, and the nurturing of a culture characterized by mutual respect and accountability among students.
