AWARENESS PROGRAM ON GRIEVANCE SUBMISSION (ONLINE/OFFLINE) MECHANISM AND GRIEVANCE REDRESSAL MECHANISM

Date : 16.09.2020

Time : 10:00 A.M to 5:00 P.M

Venue : R&D Theatre, KLEF

OBJECTIVES:

The objectives of organizing a virtual Awareness Program on "Grievance Submission (Online/Offline) Mechanism and Grievance Redressal Mechanism" for students in the university are manifold. Firstly, it aims to inform students about the available avenues for lodging grievances, whether through online platforms or offline methods, ensuring they are equipped with the necessary knowledge to seek resolution effectively. Secondly, the program seeks to promote transparency and accessibility in the grievance redressal process, empowering students to voice their concerns and contribute to a supportive academic environment. Additionally, it aims to foster a culture of accountability and responsiveness among both students and university staff, encouraging proactive engagement in addressing issues and conflicts. Furthermore, by conducting the program in a virtual mode, the university can reach a wider audience, maximizing participation and ensuring that all students have access to important information and resources related to grievance submission and redressal. Overall, the objective is to enhance student satisfaction, well-being, and academic success by facilitating a more efficient and equitable resolution of grievances within the university community.

DESCRIPTION:

KLEF organized an Awareness Program on "Grievance Submission (Online/Offline) Mechanism and Grievance Redressal Mechanism" in virtual mode on 16.09.2020. During the program, Dr. K. R S. Prasad, Dean of Student Affairs, addressed attendees, highlighting that students have the option to submit their grievances either online or offline. Online submission

methods include utilizing Google Forms at <https://www.kluniversity.in/Student-Grievances.aspx>, accessing the ERP system at <https://newerp.kluniversity.in>, or emailing grievances@kluniversity.in. Offline options entail using Complaints/Suggestion Boxes, meeting the Dean of Student Affairs in person, or reaching out to their respective Heads of Department. Dr. K. R S. Prasad also emphasized that the Grievance Redressal Committee convenes monthly, inviting students to attend and voice their grievances. The date of each meeting is communicated through circulars from the Registrar's Office. He assured students that grievances would be addressed within 3 to 15 days, depending on their nature, and introduced the role of the ombudsperson in the Grievance Redressal Committee. Additionally, Dr. K. R S. Prasad underscored the university's commitment to maintaining a campus free from ragging, sexual harassment, and eve-teasing, elaborating on the preventive measures in place. Types of grievances were also elucidated during the session.

1.Academic grievance

Issues related to course registration.

Issues about change of specialization

Issues regarding course requirement and course content

Examinations related issues

Issues related to applying/receiving certificates.

2.Administrative Decisions, Services or Facilities

Issues related to transport facilities.

Issues related to Hostels.

Issues related to Canteen.

Issues related to Sports.

Issues related to Post Office & bank (on campus)

Issues related to other facilities provided by the university (water etc.)

3.Unfair Treatment

Grievances about a student behavior towards other students

Grievances about Faculty & staff behavior towards other students

4.Sexual Harassment and Discrimination

Issues related to harassment (sexual)

Issues about Discrimination or racial treatment

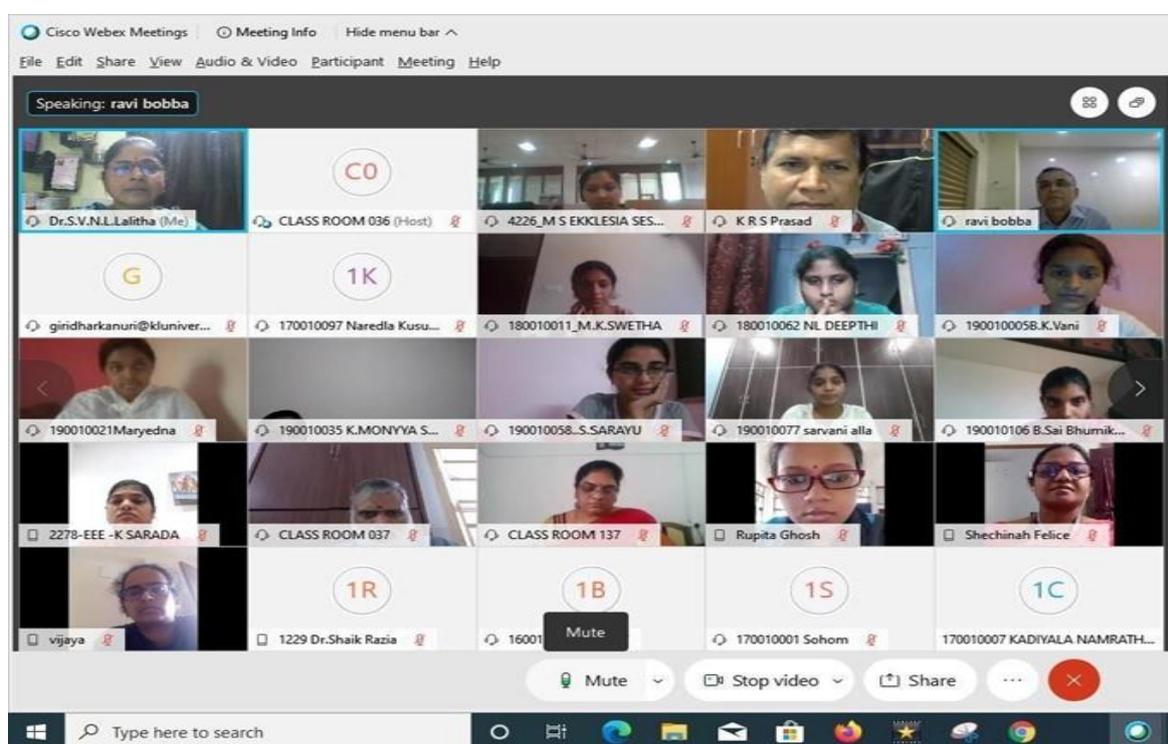

5.Ragging

6. Any other

OUTCOMES:

The outcomes of organizing a virtual Awareness Program on "Grievance Submission (Online/Offline) Mechanism and Grievance Redressal Mechanism" for students in the university are substantial and varied. Firstly, such initiatives can lead to increased awareness and understanding among students regarding the available channels for lodging grievances, resulting in a higher likelihood of timely and effective resolution. By promoting transparency and accessibility, these programs may foster a more open and supportive academic environment, where students feel empowered to voice their concerns and seek assistance when needed. Additionally, heightened awareness of grievance redressal mechanisms can contribute to a culture of accountability and responsibility, encouraging both students and university staff to actively engage in addressing issues and conflicts. Furthermore, the virtual format allows for broader participation and accessibility, potentially reaching a larger number of students and ensuring that important information is disseminated widely. Ultimately, the outcomes may include improved student satisfaction, well-being, and academic success, as well as a strengthened sense of community within the university.
