AWARENESS PROGRAM ON GRIEVANCE SUBMISSION (ONLINE/OFFLINE) MECHANISM AND GRIEVANCE REDRESSAL MECHANISM

Date : 09.09.2021

Time : 10:00 A.M to 5:00 P.M

Venue : R&D Theatre, KLEF

OBJECTIVES:

The goals of conducting awareness initiatives regarding grievance submission (whether online or offline) and grievance resolution mechanisms for students are diverse. Primarily, these endeavours aimed to equip students with comprehensive knowledge about the available avenues for reporting complaints, whether through digital platforms or traditional methods, ensuring they are well-informed and empowered to seek resolutions. Moreover, these efforts aimed to nurture an environment characterized by transparent communication, trust, and accountability within the academic community, fostering a supportive atmosphere for addressing concerns and efficiently resolving conflicts. Additionally, by enhancing awareness about grievance resolution mechanisms, the program sought to pre-emptively address grievances and encourage students to actively engage in resolving issues, thereby ultimately improving their overall well-being and satisfaction within the educational institution.

DESCRIPTION:

KLEF hosted an Awareness Program focusing on "Grievance Submission (Online/Offline) Mechanism and Grievance Redressal Mechanism." Dr. K. R.S. Prasad, Dean of Student Affairs, addressed attendees, emphasizing that students have the flexibility to submit their grievances via online or offline channels. Online submission options include using Google Forms at <https://www.kluniversity.in/Student-Grievances.aspx>, accessing the ERP system at <https://newerp.kluniversity.in>, or emailing grievances@kluniversity.in. Offline alternatives encompass utilizing Complaints/Suggestion Boxes, scheduling in-person meetings with the Dean of Student Affairs, or contacting their respective Heads of Department. Dr. K. R.S. Prasad

highlighted the monthly convening of the Grievance Redressal Committee, encouraging student participation and grievance expression. Meeting dates are communicated through circulars from the Registrar's Office, with assurances that grievances will be addressed within 3 to 15 days, contingent upon their nature. The role of the ombudsperson in the Grievance Redressal Committee was introduced. Furthermore, Dr. K. R.S. Prasad emphasized the university's dedication to maintaining a campus free from ragging, sexual harassment, and eve-teasing, elaborating on the implemented preventive measures. Various types of grievances were also discussed during the session.

OUTCOMES:

The results of conducting awareness campaigns regarding grievance submission (whether online or offline) and grievance resolution mechanisms for students yielded significant benefits. Initially, this initiative cultivated an environment of transparency and trust within the academic community, strengthening the relationships between administrators and students. It

empowered individuals by equipping them with knowledge about available avenues for addressing grievances and the process for seeking resolution. Additionally, it facilitated the swift resolution of conflicts and complaints, leading to an overall increase in satisfaction and well-being. Moreover, it encouraged proactive participation in addressing concerns, fostering a more united and supportive learning environment. Ultimately, these outcomes include improved communication, enhanced confidence in the grievance redressal process, and the promotion of a culture marked by mutual respect and accountability among students.
