OBJECTIVES:

The objectives of conducting awareness campaigns on grievance submission (whether online or offline) and grievance resolution mechanisms for students are varied. Primarily, these initiatives aimed to provide students with comprehensive understanding of the available channels for reporting complaints, whether through digital platforms or traditional means, ensuring they are well-informed and empowered to seek resolutions. Furthermore, these efforts sought to cultivate an environment characterized by transparent communication, trust, and accountability within the academic community, fostering a supportive atmosphere for addressing concerns and effectively resolving conflicts. Additionally, by increasing awareness about grievance resolution mechanisms, the program aimed to anticipate and address grievances proactively, encouraging students to actively participate in resolving issues and ultimately enhancing their overall well-being and satisfaction within the educational institution.

DESCRIPTION:

KLEF organized an Awareness Program centred on "Grievance Submission (Online/Offline) Mechanism and Grievance Redressal Mechanism." Dr. K R S Prasad, Dean of Student Affairs, addressed participants, highlighting the flexibility for students to submit grievances via online or offline means. Online submission avenues include utilizing Google Forms at <https://www.kluniversity.in/Student-Grievances.aspx>, accessing the ERP system at <https://newerp.kluniversity.in>, or emailing grievances@kluniversity.in. Offline options entail using Complaints/Suggestion Boxes, arranging in-person meetings with the Dean of Student Affairs, or contacting respective Heads of Department. Dr. K R S Prasad underscored the monthly convening of the Grievance Redressal Committee, urging student engagement and grievance expression. Meeting dates are communicated through circulars from the Registrar's Office, assuring students that grievances will be addressed within 3 to 15 days, depending on their nature. The role of the

ombudsperson in the Grievance Redressal Committee was introduced. Additionally, Dr. Ch. Hanumantha Rao emphasized the university's commitment to maintaining a campus free from ragging, sexual harassment, and eve-teasing, elaborating on implemented preventive measures. Initially, this endeavor fostered an atmosphere of transparency and trust within the academic community, enhancing relationships between administrators and students. It empowered individuals by providing them with knowledge about available avenues for addressing grievances and the procedures for seeking resolution. Additionally, it facilitated the prompt resolution of conflicts and complaints, contributing to an overall increase in satisfaction and well-being. Furthermore, it promoted active engagement in addressing concerns, fostering a more cohesive and supportive learning environment. Ultimately, these results encompass improved communication, heightened

confidence in the grievance redressal process, and the cultivation of a culture characterized by mutual respect and accountability among students.
