<p>2200031562BHAIRA VABHOTLA ABHIRAM, CSE</p> <p><i>ABHOTLA</i></p>	<p>I am writing this complaint not to accuse anyone, but in good faith to address the general climate in KL University. Our college is renowned for academic brilliance, yet these kinds of unbecoming behavior are tarnishing the environment in particular—the impatience, arrogance, and civic insensitivity among officials and students.</p> <p>Namely, the books which specifically I particularly want to highlight are as follows:</p> <p>Certain vigilance officers' conduct – Occasionally, their approach is interpreted as stern or foreboding instead of consultative. Students typically are looking for guidance and respect, while the communicating style unnecessarily generates tension.</p> <p>Tight rule application without practical thinking – Rules are significant, yet rules should be implemented with due consideration through logical</p>	CSGRC	Online [Mail]	<p><i>Conducted meeting and counselled all vigilance officers.</i></p>	01-09-2025	Dr. K. <p>8919654853</p> <p>SINGUPARAPU VENKATA SWAROOP 2300049055ECE</p> <p>S. Swaroop</p>	<p>I am raising a ticket to express a serious concern regarding the daily college bus from Prabhas College on the 6D1 bus route. Every day during the 3:30 PM slot, we students are facing issues with overcrowding.</p> <p>Specifically, the drivers are forcing students from five buses to merge into just three or four buses. This results in extremely congested seating, making it impossible to travel comfortably. The seats are very tight, and many students are standing, yet the drivers or the transport management do not seem to consider this a problem. Even in morning shift also we are Standing till the stop krishna lanka from our stop until the driver gets another bus and shift the standing students to it. This is becoming a very serious problem since no one is caring about this issue. This is repeating regularly. I request you to consider and take a charge to clear this issue ASAP.</p>	CSGRC	Online [ERP]	<p>A - separate B - separate CD - combined EF - combined</p> <p>Based on the strength came in that route on that day; supervisors will arrange buses at 1:15pm, 4:00pm & 5:30 pm. If they think students are very less in bus then they adjust student in the vacant bus & keep the bus aside for 4:00pm/5:30pm shift.</p>	18-09-2025	Dr. A.V.S.
