K. L. University, Vaddeswaram  
Guntur Dist. (AP)-522 502

Dear Sir,

This has reference to the personal discussion had with your PS-faculty member. We understand and appreciate that the focus of Practice School is On-the-Job Engineer Training (OJET) for B.Tech. students. We are pleased to confirm an intake of the following no. of students for Practice School program in our company, during the period PS-1/PS-2, academic year 2016-17.

| SN    | Branch | No. of Students required |        |       | Skill sets required | Job description                         |
|-------|--------|--------------------------|--------|-------|---------------------|---|
|       |        | Male                     | Female | Total |                     |   |
| 1)    | BT     |                          |        |       |                     |   |
| 2)    | CE     |                          |        | 5     |                     | site supervision,<br>office assistance. |
| 3)    | CSE    |                          |        |       |                     |   |
| 4)    | ECE    |                          |        |       |                     |   |
| 5)    | ECM    |                          |        |       |                     |   |
| 6)    | EEE    |                          |        |       |                     |   |
| 7)    | ME     |                          |        |       |                     |   |
| Total |        |                          |        | 5     |                     |   |

We have noted the following:

- 1) The duration of Practice School is ONE SEMESTER (4 1/2 months approx.)
- 2) The period of Practice School is from June/16 to November/16
- 3) We understand that the actual dates and calendar would be communicated to us in due course.

4) The company offers following facilities to the students:

| No. | Facility offered                        | Please ✓<br>appropriately |    | Remarks, if any |
|-----|---|---------------------------|----|-----------------|
|     |   | Yes                       | No |                 |
| 1)  | Free transport from residence to office |                           | ✓  |                 |
| 2)  | Free/Subsidized lunch                   |                           | ✓  |                 |
| 3)  | Free accommodation                      |                           | ✓  |                 |
| 4)  | Monthly Stipend (Specify Rs. .... pm)   |                           | ✓  |                 |
| 5)  | Other allowances (Specify Rs. .... pm)  |                           | ✓  |                 |

5) Mode of selection of students: (tick appropriately)

- a) Through campus selection by our team
- b) Through telephonic interviews by our team
- c) Through University allotment

### **Salient features of Industrial Training Program (ITP)**

1. The Objective of Industrial Training Program is to provide Practical exposure and On-the-job training to the students.
2. Students contribute to the organization through achievement of targets under the supervision of a Company Guide and a University Guide.
3. The Practice School Programme is of **4 month duration** i.e., One full Semester Period for B. Com (Hons.) Final Year students.
4. ITP is an academic component. Hence the students are required to submit ITP report. For this purpose they need to be given clear ITP titles reflecting on-the-job training provided to them.
5. The performance of the students will be academically evaluated and graded.
6. Payment of stipend is recommended to make the student motivated and committed.
7. A University Guide from Practice School will supervise student interns and also coordinate with the Company Guide.
8. Each student shall be assigned to University Guide, who shall monitor student's attendance, discipline, leaves and others, operational matters.
9. The interns have to submit Fortnightly performance report in the prescribed format to the University Guide. The performance of students will be evaluated Fortnightly basis on these reports and will be aggregate marks component in the ITP.
10. The University Guide shall meet the Company Guide once in a fortnight to review the students' performance and other related issues.
11. The University guide will provide required information on Fortnightly basis to the concern Department Committee to enable evaluation.
12. For interns have to submit THREE reports during the 4 Months period of ITP via, (a) Initial Report, (b) Interim report and (c) Final report.
13. Student shall also make presentation on their performance at the interim and final Stages of ITP.
14. The Company Guide is a member on the panel to evaluate 10% of total marks and make evaluation for every fortnight depending on the parameters like Progress achieved during the fortnight on OJET, Work Engagement, ability to solve problems, knowledge application, Professional behavior, team Work, new ideas generated for the company, appreciations received etc.
15. The University Guide will evaluate for 10% of total marks and make evaluation depending on student discipline, regularity, punctuality, commitment, willingness to work hard, attitude & behavior etc.
16. The Department Coordinator along with the Professor-Evaluators team at University Campus will evaluate the remaining 80% of marks during Initial, Interim & Final Evaluations depending on PPT Presentation & Reports submitted by the Student.

17. A Student has to take prior permission from the Company Guide and University Guide in order to take leave from the Company.
18. A Student is allowed to take only **5 days leave** for his entire Practice School period, beyond that reduction of **3 Marks/day** will be a penalty from the total 100 Marks at the end of the Practice School.
19. ITP completion, performance and reliving Certificate are to be issue to the students at end of the ITP.

To  
The HOD,  
MECHANICAL DEPARTMENT,  
K.L. UNIVERSITY, GUNTUR

Dear Sir,

With reference to your Lt.No. \_\_\_\_\_ dated 21/03/16, we are pleased to inform you that we will provide Practical training facilities to the following students for a period of 19 weeks on a regular basis.

| SL.No. | Name(S/Sri)                      | Branch / Year | Remarks |
|--------|----------------------------------|---------------|---------|
| 1.     | R. RAGHU BABU (13007081)         | MECH          |         |
| 2.     | U. SAGAR KUMAR (13007255)        | "             |         |
| 3.     | B. ABHINAV (13007477)            | "             |         |
| 4.     | CH. VENKATRAMAKRISHNA (13007476) | "             |         |
| 5.     | N. AKSHAYA KUMAR (13007498)      | "             |         |

You may advise the student to report to the undersigned on 27/06/16 by 9.30 am.

You are further requested to advise them to

- bring (a) the copy of this confirmation letter (b) photo ID card issued by your Institute and (c) 4 recent passport size photographs and glue for fixing the photos, at the time of their joining without fail.
- come prepared to pay the training charges as per the terms and conditions given overleaf in the form of a challan at Bank of Baroda, Steel Plant Branch, at the time of joining. The challan will be issued by TTI.
- arrange leather safety shoe and safety helmet on their own (to ensure their own safety). They have to invariably follow all safety rules and regulations of VSP.
- make their own arrangements for accommodation and transport
- They have to undergo training in the allotted department only.

Yours Sincerely,  
for Visakhapatnam Steel Plant

  
Signature of the Training  
Coordinator & Seal

NOTE: VSP is located at a distance of 30 km from Visakhapatnam railway station.

## CONSENT OF GUIDE

**Sub: Acceptance to guide the students.**

I hereby accept to guide the following student(s) for doing project work from 27-06-2016 to 05-11-2016 M.M.S.M. (Dept.). I undertake the responsibility of their safety in the department. I will ensure that the students shall not visit any other departments in the Plant.

Subject: Re: Fw: Invitation to participate in 2017 Internship-Cum-Placement / Campus Hiring for B.Tech Graduates at K L University Vijayawada (A.P.)- Reg.

Dear sir,

sir, Received ur mail. As per the conversation in our company (MK AUTOCOMPONENTS INDIA LIMITED), our sector is a PUBLIC limited company. with a turnover of about 9 crores.

we are the leading manufacturer of Automobile components for various segments.

our branded customers are Brakes India, Rane, Royal Enfield, Comstar, Delphi tvs etc.,

we are involved in cold forging, heat treatment, Induction hardening, CNC turning, grinding, VMC milling, Assembly of Fly wheels etc.,

as per the discussion with our chairman, he is very happy in giving INTERNSHIP for your students.

A maximum of 5 students can be given Internship. NO stipend or Allowance will be given to the students.

all the expenses will be borne by the students only. We will Provide training only for the students. We cannot Assure you for the placement of the students.

If there are vacancy arises definitely that students will we put in the corresponding position and the terms and conditions will be applicable at that time only.

If you are ready to send your students, please send me the Semester wise mark statement of that students, duly attested by the PRINCIPAL / HOD/ REGISTER. (SOFT COPY).SCANNED COPY

With regards

K.Sivakumar,

Professor, Training Head

The Associate Dean,  
Industrial Practice School  
K. L. University, Vaddeswaram  
Guntur Dist. (AP) - 522 502.

Dear Sir,

This has reference to the personal discussion had with your PS-faculty member. We understand and appreciate that the focus of Practice School is On-the-Job Engineer Training (OJET) for B.Tech. students. We are pleased to confirm an intake of the following no. of students for Practice School program in our company, during the period PS-1/PS-2, academic year 2016-17.

| Branch | No. of Students required |        |       | Skill sets required | Job description |
|--------|--------------------------|--------|-------|---------------------|-----------------|
|        | Male                     | Female | Total |                     |                 |
| BT     |                          |        |       |                     |                 |
| CE     |                          |        |       |                     |                 |
| CSE    |                          |        |       |                     |                 |
| ECE    |                          |        |       |                     |                 |
| ECM    |                          |        |       |                     |                 |
| EEE    | ✓                        |        | 1     |                     |                 |
| ME     | ✓                        |        | 5     |                     |                 |
| TOTAL  |                          |        | 6     |                     |                 |

We have noted the following:

- a) The duration of Practice School is ONE SEMESTER (4 1/2 months approx.)
- b) The period of Practice School is from December 2016 to April 2017.
- c) We understand that the actual dates and calendar would be communicated to us in due course.

4. The company offers following facilities to the students:

| No. | Facilities                              | Please appropriately |    | Remarks, if any |
|-----|---|----------------------|----|-----------------|
|     |   | Yes                  | No |                 |
| 1   | Free transport from residence to office |                      | ✓  |                 |
| 2   | Free/Subsidized lunch                   | ✓                    |    |                 |
| 3   | Free accommodation                      |                      | ✓  |                 |
| 4   | Monthly Stipend (Specify Rs.....pm)     |                      | ✓  |                 |
| 5   | Other allowances (Specify Rs.....pm)    |                      | ✓  |                 |

Guntur Dist. (AP)-522 502

Dear Sir,

This has reference to the personal discussion had with your PS-faculty member. We understand and appreciate that the focus of Practice School is On-the-Job Engineer Training (OJET) for B.Tech. students. We are pleased to confirm an intake of the following no. of students for Practice School program in our company, during the period PS-1/PS-2, academic year 16-17.

| SN    | Branch | No. of Students required |        |       | Skill sets required   | Job description           |
|-------|--------|--------------------------|--------|-------|-----------------------|---------------------------|
|       |        | Male                     | Female | Total |                       |                           |
| 1)    | BT     |                          |        |       |                       |                           |
| 2)    | CE     |                          |        |       |                       |                           |
| 3)    | CSE    |                          |        |       |                       |                           |
| 4)    | ECE    |                          |        |       |                       |                           |
| 5)    | ECM    |                          |        |       |                       |                           |
| 6)    | EEE    |                          |        |       |                       |                           |
| 7)    | ME     | 5                        |        | 5     | Production Technology | CNC, Manufacturing Design |
| Total |        | 5                        |        | 5     |                       |                           |

We have noted the following:

- 1) The duration of Practice School is ONE SEMESTER (4 1/2 months approx.)
- 2) The period of Practice School is from Dec '16 to Apr '17.
- 3) We understand that the actual dates and calendar would be communicated to us in due course.

|    |   |  |                                     |  |
|----|---|--|-------------------------------------|--|
| 1) | Free transport from residence to office |  | <input checked="" type="checkbox"/> |  |
| 2) | Free/Subsidized lunch                   |  | <input checked="" type="checkbox"/> |  |
| 3) | Free accommodation                      |  | <input checked="" type="checkbox"/> |  |
| 4) | Monthly Stipend (Specify Rs.....pm)     |  | <input checked="" type="checkbox"/> |  |
| 5) | Other allowances (Specify Rs.....pm)    |  |                                     |  |

5) Mode of selection of students: (tick appropriately)

- a) Through campus selection by our team  
b) Through telephonic interviews by our team  
c) ☒ Through University allotment

|                                     |
|-------------------------------------|
|                                     |
|                                     |
| <input checked="" type="checkbox"/> |

Dear Mr.Ramakrishna Garu,

This has reference your trailing regarding permission for your students to do Project/Internship in our Organisation.

In this, please be informed that permission is hereby granted to a maximum of 4 students to undergo their Project/Internship in our Organisation. In this regard, please arrange to submit a letter addressed to our Dr.O.Satyanarayan Rao, Sr.GM-HR, Pennar Industries Limited, IDA, Patancheru, Medak District mentioning the names of the candidate and their specialisation. You may handover the letter to the candidates and on submission of the same at our end, they can start their Project work from 19.12.2016.

With Regards

M.Vijay Kumar

**Subject:** K L University Internship

Dear sir,

Greeting from KL University!

We wish to introduce ourselves as one of the leading Deemed Universities in South India, located in the Vaddeswaram, Guntur District of Andhra Pradesh, India. Established in the year **1980 with the largest intake of 4000+ students in the state of Andhra Pradesh**. K L University is one of the high performing institutes in India providing quality education with eminent and highly qualified academic staff with rich Industrial, Research and Teaching experience. KLU has two under graduate and three postgraduate schools, with over 720 faculty, 640 staff, and 65,000 successful alumni in diverse professions around the world.

K L University is very strong on the front of Institute - Industry interaction: It's our privilege to being associated & partnered with a good number of companies for the academic excellence and professional standards. Our University's practice school program(PSP) forms an important component of education at KL University. Salient features of Practice school program are:

1. Provide on-the-job training to the students through the practical exposure in organizations.
2. Students contribution to the organization through achievement of targets under the supervision of a Company & University Guide.
3. The practice school program is for 4 months duration for B.Tech students.
4. PSP is an academic component. For this purpose, the company needs to give clear PSP titles reflecting on-the-job training provided to the students interns.
5. The performance of the students will be academically evaluated and graded.
6. A University Guide from practice school will provide guidance to student interns and also coordinate with the Company Guide.
7. The Company Guide is a member on the panel for evaluation of the student interns.

We would like to mention that the internship of our final year B.Tech students will be commencing in the month of December'16. Students will come to your organization & will be working as per the rules & regulations of your organization. You can retain the students by offering placement to the best students based on their performance.

We are interested in having a long term association with your esteemed organization.

We request you to give opportunity to some of our students to pursue internship in your esteemed organization commencing from the last week of December'16.

## CONSENT - for Mechanical . Uniparts.

V Shourie Reddy

Wed 11/9/2016 1:24 PM

Inbox

To: Dr. Y V Hanumantha Rao <dryvhrao@kluniversity.in>;

Cc: P V Rao, PS, KLU <pvenkateswararao@kluniversity.in>; Lakshmi Prasanna <lakshmiprasanna\_klu@hotmail.com>; vshouriereddy@gmail.com <vshouriereddy@gmail.com>;

Dear Sir,

UNIPARTS, the CORE manufacturing International Company offered IPS training our students of B.Tech- Mechanical for last 2 batches.

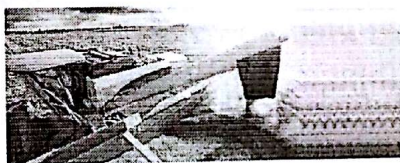

First Batch did exceptionally well.

Now once again this firm accorded CONSENT for 6 (SIX) for the next batch.

Hope this batch will do well. There is plenty for the MECHANICAL students to learn out of this Company. Hence, request you to allot students to this company.

Request to consider the below company CONSENT mail as consent letter.

Company website. [www.unipartsgroup.com](http://www.unipartsgroup.com)

Uniparts Group

[www.unipartsgroup.com](http://www.unipartsgroup.com)

Construction & Forestry. Uniparts Group is a major supplier for precision machined parts to the mobile equipment market and in particular to the construction market.

Viswanadha K

Manager

Human Resources

Tel :- 91 8924 286528,

Dear Sir,

This is with reference to our today's discussion for providing 4.5 months internship to your B.Tech(Mechanical) students.

Uniparts is pleased to inform you that we have accepted your request for providing internship to your students(6 no) with the below terms as per our company norms.

- The tenure of the internship training will be from 15<sup>th</sup> December, 2016 to 30<sup>th</sup> April-2017.
- This training mainly aims to make the student aware about the industrial knowledge and exposure and to make him empower to get a suitable job in any industry after completion of his diploma course.
- It is to be noted that this training is purely for the purpose of giving an opportunity to the student to learn /enlighten himself about industry. The Student/College is not having any right to demand employment during the training, after the training of after the completion of the Course.
- There will be no Employer & Employee relationship existing between the Organization and student.
- The Student / College is also not having any right to demand employment after completion of the course by referring this training.

- The Organization will not pay any remuneration/stipend etc. during the training period.
- The students have to follow the general rules and regulations of the company without any deviation.
- The students have to follow strictly the safety rules & regulations and also wearing of PPE wherever it is required.
- The Organization is not responsible for any accident occurred to the student during the tenure of the training period.

The students may come across with important and sensitive information, records and such other matters of the company during the training period. They should maintain high confidentiality and should not divulge any information pertaining to the organization during the training period or after the completion of training.

Looking forward for list of students along with their student enrolment numbers.

Thanks and Warm Regards

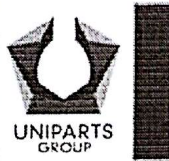

Viswanadha K

**RASHTRIYA ISPAT NIGAM LIMITED  
VISAKHAPATNAM STEEL PLANT  
VISAKHAPATNAM-530 031  
TECHNICAL TRAINING INSTITUTE**

No. Trg/28/VT/

Date: 09/12/2016

To  
Sri Vatti Shourie Reddy - Faculty.  
Regional Manager -- Industrial Practice School,  
Visakhapatnam -Region  
K L University.

Dear Sir,

With reference to your request, we are pleased to inform you that we will provide Internship/Practical training facilities to the following students for a period of 4 Months on chargeable basis.

| Sl.No. | Branch     | No. Of seats allotted |
|--------|------------|-----------------------|
| 1      | Mechanical | 4                     |
| 2      | EEE        | 4                     |
| 3      | Bio-Tech   | 2                     |

You are further requested to advise them to

1. bring (a) the copy of this confirmation letter (b) photo ID card issued by your Institute and (c) 4 recent passport size photographs and glue for fixing the photos, at the time of their joining without fail.
2. come prepared to pay the training charges as per the terms and conditions given overleaf in the form of a challan at Bank of Baroda, Steel Plant Branch, at the time of joining. The challan will be issued by TTI.
3. arrange leather safety shoe and safety helmet on their own (to ensure their own safety). They have to invariably follow all safety rules and regulations of VSP.
4. make their own arrangements for accommodation, and transport will be arranged on payment on co-operative basis.
5. They have to undergo training in the allotted department only.

Yours Sincerely,  
For Visakhapatnam Steel Plant

(J Prabhakara Rao)  
Manager (Training)

Note: VSP is located at a distance of 30 km from Visakhapatnam railway station.

**Terms and Conditions for students taking Vocational/Project based/Practical training at Visakhapatnam Steel Plant (VSP) on chargeable basis:-**

- a) Technical Training Institute (TTI) is the Nodal Agency of VSP to coordinate Industrial /Project Based Training.
- b) Only Bonafide Engineering *students* who have completed at least three years of study or PG students one year in M.Sc./MCA, etc are eligible.
- c) A request letter in **original** sent **well in advance from** College/Institution, indicating clearly the period of training / project work, starting date etc., to **DGM (Trg.) I/c, TTI, VSP**
- d) Only those students who receive the confirmation letters from TTI will be allowed to join for training/project work.
- e) Training charges per student per week or part thereof are given below:
  - i) For the **first 8 weeks @ Rs.300.**
  - ii) For the **next 10 weeks @ Rs.200/-**
  - iii) For the period **beyond 18 weeks** till the completion of training the charges will be **@Rs.100.**
  - iv) Students belonging to **SC/ST** category will be allowed a **50% concession** subject to their submitting a community certificate duly signed by a competent authority at the time of joining.
  - v) There will be no charges for the wards of **VSP** employees and **CISF** personnel working for **VSP**, subject to certification by the concerned **VSP Zonal Personnel Officer/CISF Commandant.**
  - vi) **The full amount of charges for the desired period is to be paid in advance** at the time of their joining only. The charges once paid are non refundable under any circumstances.
- f) **Joining will be taken strictly on confirmed dates only i.e. either on Monday or Tuesday** and the period from Monday to Saturday or Part thereof will be counted as one week.
- g) **TTI** will extend the necessary help and co-ordinate the training.
- h) Students will have to arrange safety helmets, shoes on their own and girl students are advised invariably to wear apron. They have to follow all the safety precautions, general rules and regulations of the company.
- i) **VSP** will not be responsible for any untoward incident that takes place with involvement of student(s).
- j) **TTI** has full discretion to terminate the training of any student(s) without assigning any reason.
- k) On completion of the training/project the student has to report at TTI to receive their Training / Project Completion Certificate along with No due cum attendance certificate duly certified by the Departmental Co-Ordinator/Project guide. **Trainees coming from out station should plan their return journey after 5:30 pm on the last day of training in order to complete post training/project formalities at VSP.**

**Note: VSP is located at a distance of 30 km from Visakhapatnam railway station.**

### CONSENT FOR INDUSTRIAL PRACTICE SCHOOL

To,  
The Associate Dean,  
Industrial Practice School  
K. L. University, Vaddeswaram  
Guntur Dist. (AP) - 522 502.

Date: 10-12-2016

Dear Sir,

This has reference to the personal discussion had with your PS-faculty member. We understand and appreciate that the focus of Practice School is On-the-Job Engineer Training (OJET) for B.Tech. students. We are pleased to confirm an intake of the following no. of students for Practice School program in our company, during the period PS-1/PS-2, academic year 2016-2017.

| Branch | No. of Students required |        |       | Skill sets Required | Job Description                      |
|--------|--------------------------|--------|-------|---------------------|--------------------------------------|
|        | Male                     | Female | Total |                     |                                      |
| BT     |                          |        |       |                     |                                      |
| CE     | 2                        | 0      | 2     | Civil Engineering   | Site super vision of deep foundation |
| CSE    |                          |        |       |                     |                                      |
| ECE    |                          |        |       |                     |                                      |
| ECM    |                          |        |       |                     |                                      |
| EEE    |                          |        |       |                     |                                      |
| ME     |                          |        |       |                     |                                      |
| TOTAL  |                          |        |       |                     |                                      |

We have noted the following:

- The duration of Practice School is ONE SEMESTER (4 1/2 months approx.)
- The period of Practice School is from 19Dec2016 to \_\_\_\_\_.
- We understand that the actual dates and calendar would be communicated to us in due course.

4. The company offers following facilities to the students:

| No. | Facilities                                  | Please appropriately |    | Remarks, if any   |
|-----|---|----------------------|----|---|
|     |   | Yes                  | No |   |
| 1   | Free transport from residence to office     |                      | No |   |
| 2   | Free/Subsidized lunch                       |                      | No |   |
| 3   | Free accommodation                          | Yes                  |    | Upto 4 members/room (without any furniture) shall be given. |
| 4   | Monthly Stipend (Specify Rs.6000/-.....pm)  | Yes                  |    |   |
| 5   | Other allowances (Specify Rs.1000/-.....pm) | Yes                  |    |   |

5. Mode of selection of students: (tick appropriately)

- a) Through campus selection by our team ☐
- b) Through telephonic interviews by our team ☒
- c) Through University allotment ☐

Dear Thanmayi Chowdary, 13001049

This has reference to your letter dated on November 23, 2016, wherein you have permit to do project in Quality Control Department from December 01, 2016 to April 29, 2017.

Please note the following points:

1. The Project will be decided by the company / Candidate after consultation with HOD.
2. You are not entitled for any type of stipend during the course of the project work from the company.
3. The company shall have no liability for compensation whatsoever for any injury/accident arising out of or in the course of the project.
4. Other expenditure like food, papers, medical, analytical etc., should pay back to the organization 100% if availed.
5. You are advised to conform the company policies and procedures, rules, working timings and general work practices, which are subject to change from time to time
6. You are responsible for the safe keep and return in good condition and order, of all property such as tools, equipment, instruments, books, uniforms etc., which may be in your use, custody, care or charge. The company shall have the right to deduct the monetary value of all such things from you and takes such other action, as we deem proper in the event of your failure to account for such property to our satisfaction.
7. During the period of project work, your services are subject to termination without any notice or assigning any reason.
8. It is also understood that you should adhere to all rules and regulations applicable for the successful and timely completion of assignment.

We welcome you into our organization and hope that you gain structured learning experience and will benefit your Career Profession.

Thanking you,

Yours truly,

**Terms and Conditions for all Trainees/Interns**

Dear Mr./Ms. DUDDUKURI.DIVYA SREE (13001039)

Date: 12/12/2016

With reference to your letter/email dated 07/12/2016, the permission has been granted as per request of the training/project/internship for the time period of months/days from 19/11/2016 to 18/05/2017 in the chemical Section under the supervision of (Technical/Quality Manager).

Please note the below mentioned points/terms and conditions for trainees/interns:

1. You are allowed to do the Training or internship/project/dissertation as per the allotted Subject/Title which will be decided by your Training Supervisor in consultation with the you and/or also your HOD/Project Guide.
2. If your project/internship/dissertation/training is as a part of your academic curriculum then you should have to submit No Objection Certificate/Recommendation Letter issued by your College/University.
3. You shall not entitle for any type of stipend, remuneration, travelling allowance and any other reimbursement during the course of project/internship/dissertation/training. As per company's policy, you can avail only Lunch, Tea/Coffee facility.
4. The company shall have no liability for compensation whatsoever for any injury/ accident arising during the course of project/internship/dissertation/training and you shall not be covered any insurance coverage what so ever you shall be taking sufficient insurance coverage on his/her own for your protection.
5. You should comply with the company policies and procedures, rules and regulations, working timings and should have to follow Good Laboratory Practices (GLP).
6. It is your individual responsibility for the personal safety, equipments, books provided to you during the course of project/internship/dissertation/training. After completion of project/internship/dissertation/training, you should submit all to respective departments.
7. Leave is not applicable during the course of training however if it is required (allowed for maximum 04 working days in a month) then you should submit leave application signed by your Section In-charges/Sr. Analyst and submit it to Quality Department. Failing to it will cause the termination of

project/internship/dissertation/training. For any medical emergency, you should submit the Medical Certificate issued by certified M.B.B.S. doctor after rejoining within 02 working days.

8. During the traineeship period, you shall be free to undertake, pursue and accept any employment opportunity being offered to you by any other organization.

9. You should have to adhere to all rules and regulations applicable for the successful and timely completion of your project/internship/dissertation/training.

10. After successful completion of your project/internship/dissertation/training, you should have to submit the copy of project/internship/dissertation/training work to Quality Department then company will issue the certificate against your project/internship/dissertation/training.

11. You should have to maintain confidentiality of Intertek India Pvt. Ltd., (Food Services), during and after the course of project/internship/dissertation/training.

12. Such offer of traineeship shall not constitute any employee-employer relationship between you and organization and it shall not render the organization liable to necessarily offer employment upon completion of training period.

13. These terms and conditions are effective on the first day of training.

14. All above points are subjected to rules and regulations of Intertek India Pvt. Ltd., (Food Services), and if any discrepancy is found, then company has reserved the right for termination of your project/internship/dissertation/training at any time of course.

We welcome you in our organization and hope that you gain structured learning experience and benefit your career profession.

Thanking you.

## SUBJECT: INTERNSHIP OFFER LETTER

Dear Vasireddy Sai Teja,

We are pleased to offer you an Internship with Covalense Technologies Pvt Ltd, effective from Dec 19th, 2016. You shall perform the duties as are customarily associated with the position of an Intern and as company or its authorized representative may from time to time require. You shall devote your full efforts and time to the Company and agree to perform your duties faithfully and to the best of your ability.

You should be aware that your Internship with Covalense constitutes "at--will" engagement. This means that your Internship relationship with the Company may be terminated at any time with or without notice, for any inappropriate behavior, or at either party's option.

This is a six month internship. Your progress and performance will be assessed and upon satisfactory results, this internship may be converted as permanent employment with the company.

You acknowledge and agree that you are executing this letter voluntarily and without any duress or undue influence by the Company or anyone else.

You further acknowledge and agree that you have carefully read this letter and that you understand the terms, consequences and binding effect of this letter.

This letter, together with the Non-Disclosure Agreement and any agreement you enter with the Company represents the entire agreement and understanding between the parties as to the subject matter herein. In the event that any provision here of becomes or is declared by a court of competent jurisdiction to be illegal, unenforceable or void, this letter will continue in full force and effect without said provision.

No waiver, alteration, or modification of any of the provisions of this Agreement will be binding unless in writing and signed by both the parties hereto. This letter shall be governed by the internal substantive laws, but not the choice of law rules, of the State of Telangana.

To indicate your acceptance of this Internship letter, please sign and date this letter in the space provided below.

Sincerely,

  
Raj Sekhar Gullipalli  
Sr. H/R Manager
