Legend, Major Dhyan Chand; one of the best sportsmen ever to have graced the game of hockey. Hockey always has a special place among Indians. Our generation sometimes look back with a sense of disbelief about the golden era of Indian hockey, when India won three Olympic gold medals in field hockey in 1928, 1932 and 1936. That era was led by none other than Dhyan Chand who scored 33 goals in 12 matches. Dhyan Chand was born in Allahabad to Sam Eshwardutt Singh. Dhyan Chand joined the Indian Army at the age of 16 and never played hockey during his childhood. Slowly he was attracted to the game and progressed quickly to represent India. Sports are a very important activity for Students. It's an activity which can help us to develop multiple qualities like sense of togetherness, leadership skills, stamina, physical strength, planning and strategy, patriotism, and teamwork. The qualities which help us to excel in life. National Sports day is not only a tribute to one of the greatest in the game; it also reminds us of the importance of sports in our Life.
