KONERU LAKSHMAIAH EDUCATION FOUNDATION

(Deemed to be University)

Vaddeswaram – 522302, Andhra Pradesh, India.

ABOUT THE UNIVERSITY

KL Deemed to be University, officially known as Koneru Lakshmaiah Education Foundation (KLEF), is a premier institution located in Vaddeswaram near Vijayawada, Andhra Pradesh, India. KLEF is recognized as a Category 1 University by the University Grants Commission (UGC). KLEF has secured the 26th Rank in the NIRF Rankings 2025 and is ISO 21001:2018 certified. The university is renowned for its excellence in education, research, and innovation.

KLEF actively promotes global engagement through collaborations with 48 international universities. These partnerships support student and faculty exchanges, joint research, and twinning programs, providing opportunities for semester abroad and international exposure. To bridge academia and industry, KLEF has introduced the "Professor of Practice" model, inviting professionals with real-world experience to enrich the curriculum and mentor students. This holistic approach prepares graduates with both academic knowledge and practical skills, fostering innovation and global competence across disciplines.

ABOUT THE ACADEMIC STAFF COLLEGE

The Academic Staff College (ASC) of KLEF plays an important role in supporting the professional growth of faculty and staff across all disciplines. It serves as a centre for continuous learning, innovation, and improvement in teaching, research, and academic leadership. The ASC regularly conducts Faculty Development Programmes, Orientation and Induction Programmes, Workshops, and Seminars in collaboration with national agencies such as AICTE and NITTTR to help faculty enhance their knowledge, teaching skills, and understanding of values in education. It also works closely with national and international experts from reputed universities, research organizations, and industries to promote knowledge sharing and skill development, thereby strengthening the overall teaching-learning ecosystem at KL University.

ABOUT THE FDP

The Faculty Development Programme on Universal Human Values-II (UHV-II) is designed to deepen faculty members' understanding of human values, harmony, and holistic education. It is a continuation of UHV-I, focusing on the integration of these values into teaching, professional conduct, and institutional culture.

This programme is part of the [AICTE's ongoing initiative under the AICTE National Initiative for Technical Teachers Training \(AICTE-NITT\)](#) and the [Universal Human Values Cell \(UHV Cell\)](#). It equips faculty with the ability to facilitate courses on "Universal Human Values" and to promote value-based education across disciplines.

- The complete FDP will be conducted by the team of Resource Person(s) of NCC-IP, a committee of AICTE.
- AICTE will certify the participants who successfully qualify through the FDP.

OBJECTIVES OF THE FDP

- To help teachers understand and practice human values in daily life and teaching.
- To guide faculty in creating a value-based & caring classroom environment.
- To build harmony within oneself, with others, and with nature.
- To encourage teachers to include values and ethics in their subjects.
- To promote peaceful, sustainable, and responsible living through education.

The programme focuses on deepening the appreciation of human values, fostering harmony within self, family, society, and nature, and enhancing the overall quality of education through value-based living. Through interactive sessions, reflections, and discussions, participants will gain insights into integrating Universal Human Values into their teaching-learning processes in alignment with AICTE's vision for holistic and ethical education.
