WISDOM OF THERAPEUTICS

29TH & 30TH MARCH

APOTHECA 2K24: WISDOM OF THERAPEUTICS

The KL College of Pharmacy, KLEF Deemed to be University recently hosted a two-day techno fest, APOTHECA 2K24, on March 29th and 30th, 2024. This event seamlessly blended academic pursuits with cultural immersion, bringing together faculty and students for a fulfilling experience.

Day one kicked off with a thrilling carnival atmosphere, featuring engaging activities like tug-of-war, cricket, arm wrestling, and exciting games for girls. Beyond the competitive spirit, the carnival fostered a strong sense of community, offering a refreshing break from the academic routine. Live performances, a captivating costume contest, and a variety of attractions added to the festive mood, creating lasting memories.

The second day delved into the intellectual realm with technical events such as quizzes, word building, puzzles, and scientific presentations. Students showcased their knowledge and research prowess through insightful presentations. The cultural evening that followed was a mesmerizing display of the department's rich diversity.

Distinguished guests, including Dr. G. Chakravarthi, Principal, and Dr. N. Buchi Naidu, Life Sciences Director, graced the occasion with inspiring speeches emphasizing the significance of cultural diversity and inclusivity. A kaleidoscope of traditional music and dance performances transported the audience to different cultures, from the energetic beats of Tollywood, Bollywood to the soulful rhythms of Africa.

Cultural booths offered interactive experiences, allowing attendees to explore various customs, traditions, and cuisines. The event culminated in a celebration of unity, respect, and understanding, reinforcing the department's commitment to fostering a harmonious and inclusive environment.

APOTHECA 2K24 was more than just an event; it was a transformative experience that enriched the academic and cultural landscape of the Pharmacy department.
