

Guest Lecture (Virtual) on “An Insight on Pharmacovigilance”

Date : 23rd March 2024

The KL College of Pharmacy organized a virtual guest lecture on “**An Insight on Pharmacovigilance**” on March 23rd, 2024, at 2:00 PM. Mr. Pradeep Karakavalasa, a Senior Safety & PV Submission Specialist at Syneos Health Pvt. Ltd. in Gurgaon, Haryana, served as the guest speaker. Dr. J. Risya Namratha, an Assistant Professor of Pharmaceutical Chemistry at the college, introduced Mr. Karakavalasa and welcomed participants to the session.

Mr. Karakavalasa's lecture covered a range of topics related to Pharmacovigilance, including its applications, recent trends, data collection methods, regulatory requirements, and the global impact of Adverse Drug Reactions. He also discussed the benefits of Pharmacovigilance. Faculty members and B. Pharmacy students attended the session.

The session was very interactive and helped the students in understanding the basics of Pharmacovigilance and its role in clinical research organisations. This webinar session concluded with an expression of gratitude by Dr. M. Narender and Dr. J. Risya Namratha.
