

**Event Title: Rice Distribution to Matruchaya Orphanage Children Home, Nutakki, Guntur**

*Event Date: August 15, 2024 @ 2:00 pm*

In alignment with the 78th Independence Day celebrations, the Department of Physics at KLEF organized a rice distribution event as part of a societal extension activity. The initiative aimed to support the Matruchaya Orphanage in Nutakki of Guntur District, providing essential supplies to the children residing there and contributing to the spirit of service and community welfare.

The distribution took place on August 15, 2024, from 2:00 to 3:00 PM. The event was coordinated by Prof. A. Jagadeesh, Director-FED, Prof. K. Subrahmanyam, Principal & Director, College of Science, Prof. V. Krishna Reddy, Principal-FED, KLEF, and Dr. K. Swapna, Assoc Prof and Head, Dept of Physics. The entire activity was managed by Dr M Gnana Kiran, Asst Prof & I/c Dept Extension activities and all faculty members of the Department of Physics, including staff, research scholars, students, and other volunteers.

A total of 200 kilograms of rice was sourced from rice dealer stores and arranged for delivery to Matruchaya Orphanage, Nutakki. The rice was handed over to the orphanage management and distributed to the children with the assistance of department volunteers. The team spent time interacting with the children and staff, fostering a sense of community and support.

The donation supported 50 children at the orphanage, ensuring they had a supply of nutritious food. The event was well-received, with positive feedback from the orphanage staff and a warm atmosphere during the distribution.

The event demonstrated the department's commitment to societal welfare and made a meaningful impact on the lives of the children at Matruchaya Orphanage. Faculty members, staff, and students volunteered their time and effort, enhancing the event's success and fostering team spirit.
