The Koneru Lakshmaiah Charities was established as a trust in the year 1980 with its official address at Museum Road, Governerpet, Vijayawada, Andhra Pradesh, India and started KL College of Engineering in the Academic year 1980-81. KLEF was established in 1980-81, as KL College of Engineering, which was upgraded to KL College of Engineering Autonomous in 2006 by UGC and was declared as a Deemed to be University in 2009 by UGC, MHRD Govt. of India. In 2012 as a Deemed to be University the institution was accredited by NAAC with A Grade and later in 2018, was re-accredited by NAAC with A++ grade. In 2019 UGC, MHRD declared this intuition as Category 1. The University was also ranked 22 under NIRF 2024.

DEEMED TO BE UNIVERSITY)

About Department of Chemistry

Department of Chemistry is one of the vibrant departments of K L E F (Deemed to be University) with highly qualified and well experienced faculty whose areas of expertise and research include organic synthesis, Bio Sensors, Material Chemistry, Natural products, Medicinal Chemistry, Analytical, Bio Analytical, Inorganic, Physical, Environmental and Nanotechnology. The Department has infrastructural facilities in terms of well-equipped laboratories with modern instruments and well-furnished and spacious classrooms to appease the requirement of undergraduate & postgraduate students apart from M. Phil and

Ph. D students. The department is recognized as DST-FIST Level 1 department with grant of Rs.190 lakhs by the Department of Science and Technology, Govt. of India, New Delhi. Our faculty members have received grants from DST and are working on many more. The department also has good number of sponsored research projects under DST SERB. Faculty members of our department have published more than 500 research publications in highly reputed international journals with high impact factor.

About IconPAC 2025

Department of Chemistry, Koneru Lakshmaiah Education Foundation, Andhra Pradesh is organizing an International Conference on Pure and Applied Chemistry, IconPAC 2025 on 2nd - 4th January 2025. The conference will focus on the theme "**Next Generation of Sensors and Biosensors**", bringing together leading researchers, scientists, and industry professionals to explore the latest advancements and innovations in sensor technologies. This event aims to provide a platform for discussing cutting-edge research, new methodologies, and the future directions of sensors and biosensors across various fields, including healthcare, environmental monitoring, and industrial applications.
