

INTERNATIONAL CONFERENCE ON
**QUANTUM COMPUTING &
ARTIFICIAL INTELLIGENCE**

(ICQCAI - 2026)

16-18 March 2026

Organized by:

Department of **Mathematics**

Vaddeswaram, Guntur -522302, A.P. INDIA

KONERU LAKSHMAIAH EDUCATION FOUNDATION

The Koneru Lakshmaiah Charities was established as a trust in the year 1980 with its official address at Museum Road, Governerpet, Vijayawada, Andhra Pradesh, India and started KL College of Engineering in the Academic year 1980-81. KLEF was established in 1980-81, as KL College of Engineering, which was upgraded to KL College of Engineering Autonomous in 2006 by UGC and was declared as a Deemed to be University in 2009 by UGC, MHRD Govt. of India. In 2012, the institution was also accredited by NAAC with A Grade and later in 2018, was re-accredited by NAAC with A++ grade. In 2019 UGC, MHRD declared this intuition as Category I. The university was also ranked 26 under NIRF 2025.

The organizing committee of the conference invites papers on the following areas and related topics (but not limited to):

Algebra

Operations Research

Topology

Graph Theory

Fluid Dynamics

Boundary Value Problems

Tribology

Fixed Point Theory

Functional Analysis

Lattice Theory

Statistical Quality Control

Fuzzy Algebra

Queueing Theory

Fuzzy Sets and Systems

Special Functions

Mathematical Modeling

Dynamical Systems on Time Scales

DEPARTMENT OF MATHEMATICS

The Department of Mathematics was established in 1980. The department has strong backup of 100% doctorate faculty. All the faculty are highly qualified, motivated and specialize in various areas of Mathematics. The department focuses on Pure and Applied Mathematics catering to the professional needs of students of varied backgrounds. The department offers M.Sc. Program in Applied Mathematics and research programs in Ph.D. The department is also offering courses for students majoring in Science, Engineering, Commerce, Pharmacy, Law, Arts, Architecture and Business Administration areas. The curriculum has been designed with emphasis on the application of concepts. The faculty members regularly attend seminars,

workshops and conferences to keep themselves upgraded with the latest research input as well as efficient classroom management techniques which meet the challenges of a fast-rapid technical world.

ABOUT ICQCAI - 2026

The conference's aim is to gather academicians, scientists, researchers, engineers, and industrialists together under a single roof to share their experiences, current research findings, and innovations for various applications of applied mathematics. The conference not only provides a forum for advancing mathematical research but also gives an excellent opportunity for participants to comprehend current research trends in mathematics and to update their expertise in their areas of study. The conference includes invited talks by researchers from various reputed institutes as well as parallel paper presentations.

CALL FOR PAPERS

Authors are invited to submit the full papers in the given template which is available at our conference website: www.kluniversity.in/maths/. Each manuscript will undergo a peer review process (including plagiarism check). The abstracts and full length papers must be mailed to emea@kluniversity.in. The contributed papers must be original and should not have been submitted/accepted/published in any other conference/journal proceedings. Upon the notification of the acceptance the author must submit a final copy of the manuscript of the paper, copyright transfer agreement, registration fee, along with registration form.

PUBLICATION

The proceedings containing the abstracts of all accepted papers will be released on the first day of the conference. Furthermore, all the selected papers will be peer reviewed by the experts of the specialized areas. All the accepted papers will be published in the journals which are indexed by leading databases like Scopus/SCI/Web of science. Article processing charges are to be paid by the authors upon acceptance of the article. Processing charges are to be borne by the authors upon acceptance of the article. The finalized Journals list will be kept in the conference website.

IMPORTANT DATES

Last date for submission of Abstract :	25-02-2026
Information of Acceptance/Rejection :	02-03-2026
Registration Deadline :	10-03-2026
Submission of Camera-ready paper :	12-03-2026
Conference Dates :	16-18 March 2026

REGISTRATION FEE:

Academicians/Research Scholars :	1300 INR
Industry Persons :	2000 INR
International Delegates :	100 USD

At least one of the authors of the selected paper(s) should register and present the paper during the conference. Registration fee can be paid by money transfer.

SCOPE OF THE CONFERENCE

Mathematics plays a major role in engineering, physical, biological, economical, medical, computer science and real-world applications. The Department of Mathematics has conducted several workshops, seminars and conferences at National & International level from 2012 to till date. Currently an International Conference on **Quantum Computing on AI (ICQCAI -2026)** is being organized by the Department of Mathematics. The prime objective of this conference is to bring the experts from industry and academia to share their valuable knowledge related to real world application of Mathematics. The conference includes keynote addresses and invites talks by eminent speakers/professors around the world. Further, it includes oral and poster presentations by researchers. The conference highlights the salient and important aspects of applying mathematical techniques. Research organizations and academic institutions have given their consent to grace the conference.

CHIEF PATRONS

Er. K. Satyanarayana, President

Er. K. L. Havish, Vice-President

Er. K. Raja Harin, Vice-President

PATRONS

Prof. K. S. Jagannadha Rao, Pro-Chancellor

Prof. G. Pardha Saradhi Varma, Vice-Chancellor

Prof. K. Raja Sekhara Rao, Pro Vice-Chancellor

Prof. N. Venkatram, Pro Vice-Chancellor

Prof A. V. S. Prasad, Pro Vice-Chancellor

Prof. K. Subba Rao, Registrar

Prof. A. Jagadeesh, CCO & Director-FED

Prof. V. Krishna Reddy, Principal, FED,
