LEGUM INQUISITOR

About the Research Center

KLEF College of Law, a prestigious institution under Koneru Lakshmaiah Education Foundation (KLEF), has continually aimed to advanced legal education in India. As part of its commitment to academic excellence, the college has established Legum Inquisitor, a legal research centre, which acts as a cornerstone for fostering scholarly inquiry, innovation and critical analysis in the field of law. The centre actively engages in the promotion of legal research with innovative techniques for realization of the objects of the research. Besides engrossing in the research studies of traditional subjects of LAW, the centre encourages the research in advanced subjects of technology like cyber technology, cyber forensics, and etc.

Vision

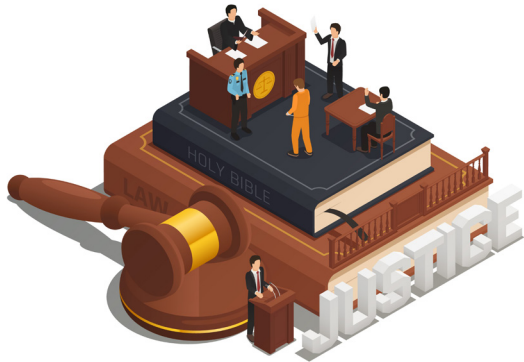

To be a leading centre of excellence in legal research, fostering a culture of inquiry, innovation, and interdisciplinary collaboration to address contemporary legal challenges and contribute to the advancement of legal scholarship and practice

Mission
