

KLU-CE is Top 1 Private Engineering College in India

SiliconIndia Top 100 Engineering College Rankings 2016

August 2016

KLU College of Engineering (KLU-CE) was ranked **No.1** private engineering college in India for the year 2016 by India's leading higher education and technology sector magazine [SiliconIndia](#).

The ranking applies with regard to each of the following three engineering disciplines:

- Computer Science and Engineering (CSE)
- Electronics and Communications Engineering (ECE)
- Mechanical Engineering (ME)

In the rankings, KLU-CE figured ahead of many premier public institutions, including the following IITs and NITs:

- International Institute of Information Technology Allahabad
- Dirubhai Ambani Institute of Information & Communication Technology, Gandhi Nagar
- Sardar Patel National Institute of Technology, Surat
- Visvesvaraya National Institute of Technology, Nagpur

In the rankings, among both public and private institutions, KLU-CE was rated **top 1** and **top 15** respectively in South India and India. Check [here](#) for rankings of all the top 100 public and private sector engineering colleges in India.

KL University was earlier in 2016 ranked **top 4** ([check](#)) and **top 7** ([check](#)) in India by [DigitalLearning](#) and [SiliconIndia](#) magazines.

KL University is registered with the University Grants Commission (UGC) as *Koneru Lakshmaiah Education Foundation (KLEF)*.

About KLU

Recognized as a **Deemed University** in 2009 by the Government of India's (GoI's) apex higher education regulator University Grants Commission (UGC), KL University is a large, multidisciplinary, and non-governmental technical university in India with the vision to be among **South Asia's top 5** independent universities by 2020.

Based out of Guntur district, in the capital region of the sunrise state of Andhra Pradesh in the economically developed southern India, KLU has two undergraduate and three postgraduate schools, with over 720 faculty, 640 staff, and 65,000 successful alumni in diverse professions around the world. Consistently ranked among India's **top 10** private technical universities, KLU offers 15 bachelor's, 26 master's, 14 dual-degree, and 14 doctoral programs to over 12,000 students and 1200 PhD scholars from across India and 16 countries from Asia, Africa, and North America.

In 2016, KLU College of Engineering (KLU-CE) was ranked **Top 1** in Andhra Pradesh and Telangana states by National Institutional Ranking Framework (NIRF) 2016, a country wide initiative by the Government of India's Ministry of Human Resources Development (MHRD) to evaluate and rank colleges and universities in the public and private sectors. [Check](#)

ISO-9000 certified since inception, KLU has been accredited twice in a row at **A** grade (valid up to Jan 2018), by the GoI's National Assessment and Accreditation Council ([NAAC](#)) and recognized as Scientific and Industrial Research Organization (SIRO) by the GoI's Department of Scientific and Industrial Research (DSIR).

In the last three years (2012-15), KLU faculty published over 2600 papers in national and international conferences and journals. Over 80 sponsored projects worth Rs.18-crore from the government and industry are currently being carried out at KLU.
