

K L University

HEALTH CENTERS

Our University is committed to the well-being of students, faculty, and staff. To ensure a healthy campus environment, we have established well-equipped dispensaries catering to basic healthcare needs. Here is a summary of their features:

1. Primary Healthcare Services

Each dispensary offers basic medical consultations, first aid, and treatment for minor ailments. Regular health check-ups are conducted to promote preventive care.

2. Qualified Medical Staff

The dispensaries are staffed with qualified doctors and trained nursing professionals available during working hours. Emergency care and referrals to nearby hospitals are promptly managed.

3. Facilities and Equipment

Equipped with essential medical instruments and supplies, including beds, nebulizers, and basic diagnostic tools. 24 X 7 Ambulance are also available in case of emergency.

4. Special Health Initiatives

Collaborations with local healthcare providers for specialized care and health camps.
