

# Koneru Lakshmaiah Education Foundation

(Category -1, Deemed to be University estd. u/s. 3 of the UGC Act, 1956)

Accredited by NAAC as 'A++' ♦ Approved by AICTE ♦ ISO 21001:2018 Certified

Campus: Green Fields, Vaddeswaram - 522 302, Guntur District, Andhra Pradesh, INDIA.

Phone No. +91 8645 - 350 200; www.klef.ac.in; www.klef.edu.in; www.kluniversity.in

Admin Off: 29-36-38, Museum Road, Governorpet, Vijayawada - 520 002. Ph: +91 - 866 - 3500122, 2576129

Stakeholder Category	Stakeholder Feedback / Recommendation	Action Taken in BOS	Name of the Programme	Academic Year	Department	Date of BOS
Academic Peer	Dr. Madhu Babu, Head of department, Department of Economics, Acharya Nagarjuna University, AP, suggested to offer professional core course as to implement the Based on the local needs the industry to get employment.	It is resolved to implement the Based on the local needs the industry personal recommended to introduce the courses Fundamentals of Economics, Social Geography of India for BA students through this course student get employability	BA	2019 - 20	Arts	10-06-2019
Academic Peer	Dr. Murthy wanted to conduct more activities like debates, quizzes, elocutions.	We have been doing such things even earlier but for the present immediately we can't do. We do provide in due course of time.	BA	2019 - 20	Arts	10-06-2019
Academic Peer	Dr. Stuti Saxena suggested that Please provide access to Scopus and Web of Science indexed journals.	Submitted to the concerned higher authorities to act favourably for the progress of research activity	BA	2019 - 20	Arts	10-06-2019
Academic Peer	Dr. Bhisham Narayann Singh, MAHE, Karnataka, Suggested to incorporate Mathematics for computing in 2019-20 curriculum	Mathematics for computing have been incorporated to 2019-20 admitted batch approved by BoS and eventually recommended to Academic council.	B.Tech	2019 - 20	Biotechnology	05-07-2019
Academic Peer	Dr. Mahesh Kumar Sah, NIT Jalandhar, Advised to change the title for the course Basic mathematics to Mathematical methods	Resolved to modify as Mathematical Methods approved by BoS and eventually recommended to Academic council.	B.Tech	2019 - 20	Biotechnology	05-07-2019
Academic Peer	Dr. Vijay Rajesh, NRI Medical college Suggested to include concepts like Latin square design chi-square test -goodness of fit and independence in Biostatistics course	Suggested topics have been incorporated in Biostatistics approved by BoS and eventually recommended to Academic council.	B.Tech	2019 - 20	Biotechnology	05-07-2019
Academic Peer	Dr. Lakshmi Prasuna, NIT Bhopal, Advised to incorporate topics like molecules and material applications in Engineering chemistry	Suggested topics have been incorporated in Engineering Chemistry approved by BoS and eventually recommended to Academic council.	B.Tech	2019 - 20	Biotechnology	05-07-2019

Academic Peer	Dr. A. Ramachandraiah, Prof. NIT Warangal proposed to make Natural products and biomolecules course as professional core as it is important in research and innovation.	It was resolved to change the course Natural Products & Biomolecules from Prof.elective to Prof.core (Syllabus Modified accordingly) respectively.	M. Sc Chemistry	2019 - 20	Chemistry	01-10-2019
Academic Peer	Dr. M V Basaveswara Rao, Prof. Krishna University proposed that Chemical spectroscopy, photo chemistry, analytical techniques courses syllabus to be revised as per the industrial needs.	It was resolved to change the course Photo Chemistry & Pericyclic reactions from Prof.Core to Prof.Elective (Syllabus Modified accordingly) respectively.	M. Sc Chemistry	2019 - 20	Chemistry	01-10-2019
Academic Peer	Dr.D.Rama Seshu sir suggested More hours to be provided for self learning	Self learning classes are added in time table	B.Tech	2019 - 20	Civil Engineering	12-06-2018
Academic Peer	B.Harini Madam suggested Students need to read advanced designs	Approved to add the Pre PhD curriculum and Recommended to AC	B.Tech	2019 - 20	Civil Engineering	12-06-2018
Academic Peer	Dr.N.Visalakshi, Professor, Aditya Engineering college, Suggested to introduce a new vertical in Commerce Department program i.e., B.Com. (Computer Applications) EA from the academic year 2020-21.	It is recommended to approved to introduce a new vertical in Commerce Department program i.e., B.Com. (Computer Applications) EA from the academic year 2020-21 and forwarded to academic council	B.Com & M.Sc	2019 - 20	Commerce	30-11-2019
Academic Peer	Dr.Jahnavi M Associate Professor,( RV Institute of Management)Suggested to introduce new course structure/course curriculum for the new UG program B.Com (Computer Applications) EA 2020-21.	As per recommendations to approve introduce new course structure/course curriculum for the new UG program B.Com (Computer Applications) EA 2020-21 and forwarded to academic council	B.Com & M.Sc	2019 - 20	Commerce	30-11-2019
Academic Peer	Dr. E. Suresh Babu suggested introducing "Information Storage and Management" to understand the concepts of storing and managing data access from the cloud.	Proposed to introduce "Information Storage and Management" to understand the concepts of storing and managing data access from the cloud.	BCA	2019 - 20	CSA	07-06-2019
Academic Peer	Dr. M. Babu Reddy, recommended to add some concepts based on Services on virtualization for "Principles of Virtualization".	Recommended to add some concepts based on Services on virtualization for "Principles of Virtualization".	BCA	2019 - 20	CSA	07-06-2019
Academic Peer	Dr. P. Suresh Varma recommended introducing "Installation and Configuration of Server" course to understand the server capabilities for storing data.	Recommended to introduce the course "Installation and Configuration of Server" course to understand the server capabilities for storing data.	BCA	2019 - 20	CSA	07-06-2019

Academic Peer	Dr. R. Kiran Kumar suggested introducing "Introduction to Cloud Computing", "Cloud Information Security", "Cloud Web Services", "Design & Deployment of Cloud Applications" and "Configuration Management on Cloud" subjects provide better understanding on cloud fundamentals, security, web services, application design, and configuration management is crucial in today's technology.	Recommended to introduce the Cloud related subjects based on the contemporary requirements of the industry and trending technology used for storage, services.	BCA	2019 - 20	CSA	07-06-2019
Academic Peer	Prathusha Assistant Professor, VNR college Hyderabad, Academic peer recommended "Computational epidemiology" course as it employs data-driven techniques and mathematical models to analyze and predict disease patterns, offering vital insights for public health and outbreak control which helps students at the forefront of health research and crisis response.	It is resolved to approve new course "Computational Epidemiology" course for 2019-20 admitted batch students.	B.Tech-CSE	2019 - 20	CSE	15/6/2019
Academic Peer	Lova Kumari Assistant professor, suggested to include "Speech processing" course in curriculum because it involves the analysis, recognition, and synthesis of human speech, driving advancements in communication technology, voice assistants, and more.	It is resolved to approve to introduce new course "Speech Processing" for 2019-20 admitted batch students	B.Tech-CSE	2019 - 20	CSE	15/6/2019
Academic Peer	Dr.A Chandran Sekhar, Academic Peer suggested to introduce a course which focuses on Equipping students with HPC skills. It will empower students to tackle intricate computational challenges across various fields, ensuring their preparedness for cutting-edge research and industry demands. By providing hands-on experience with parallel computing, optimization techniques, and utilization of HPC clusters, this course will foster a deeper understanding of advanced computing paradigms, ultimately enhancing students' competitiveness and versatility in the technology landscape.	It is resolved to approve new course "High Performance Computing" for 2019-20 admitted batch students.	B.Tech-CSE	2019 - 20	CSE	15/6/2019

Academic Peer	Sonal Dipak Mali, Academic Peer recommend incorporating "Application Development on Cloud" in the curriculum to equip students with essential skills in leveraging cloud computing services for building scalable, cost-effective, and globally accessible applications.	It is resolved to approve new course "Application Development on Cloud" for 2019-20 admitted batch students.	B.Tech-CSE	2019 - 20	CSE	15/6/2019
Academic Peer	Mr.Konkimalla Venkata Ranga Rao, Academic peer suggested the course "Parallel & Distributed Computing" into the curriculum for preparing the students with the cutting-edge skills needed to harness the power of modern computing, enabling them to design and optimize high-performance systems for complex real-world challenges.	It is resolved to approve new course "Parallel & Distributed Computing" for 2019-20 admitted batch students.	B.Tech-CSE	2019 - 20	CSE	15/6/2019
Academic Peer	Mr.Digallinte Sreenivasulu, Academic Peer recommended to include a course where they can learn market demanding coding skills like PFSD for comp.Coding.	It is resolved to approve to introduce a new course "Technical Skills(JAVA PBL)" for 2019-20 admitted batch students.	B.Tech-CSE	2019 - 20	CSE	15/6/2019
Academic Peer	Dr.Balakrishna, Academic Peer suggested to revise "Bioinformatics" to equip students with interdisciplinary skills in biology and data science. This course will enable them to analyze complex biological data, fostering innovations in fields such as genomics, drug discovery, and personalized medicine.	It is resolved to approve to revise "Bioinformatics" for 2019-20 admitted batch students.	B.Tech-CSE	2019 - 20	CSE	15/6/2019
Academic Peer	N Lakshmi Narayana, Academic Peer suggested to update the syllabus for Business of Games & Entrepreneurship to include contemporary industry trends and practical case studies.	It is resolved to approve the revision of syllabus "Business of Games & Entrepreneurship" course to 2019-20 admitted batch.	B.Tech-CSE	2019 - 20	CSE	15/6/2019
Academic Peer	Dr. Indranil sarkar, Academic peer suggested to introduce new course "Chemistry for Engineers" it helps to empower students with a profound understanding of chemical processes, enabling them to design safer, more efficient, and environmentally conscious technologies.	It is resolved to approve new course "Chemistry for Engineers" for 2019-20 admitted batch students and to 2018-19 admitted batch students with the course code 18CY1005.	B.Tech-CSE	2019 - 20	CSE	15/6/2019

Academic Peer	Dr. V. Ramalingam , The syllabus for Cloud Infrastructure & Services should be updated to incorporate recent advancements in cloud technologies, ensuring students receive the most relevant and practical knowledge.	It is resolved to approve the revision of syllabus "Cloud Infrastructure & Services" course to 2019-20 admitted batch.	B.Tech-CSE	2019 - 20	CSE	15/6/2019
Academic Peer	Dr.Satyaprasad,Professor of CSE, Acharya Nagarjuna University, Recommend to revise as per industry standards "Operating System Design" as it is a crucial and fundamental topic in computer science and engineering curricula. It focuses on the principles and techniques behind the development of operating systems, which are the backbone of modern computing.	It is resolved to approve the revision of syllabus "Operating System Design" course to 2019-20 admitted batch.	B.Tech-CSE	2019 - 20	CSE	23/11/2019
Academic Peer	Dr. K. Raghava Rao, Professor , recommended for revision of Data Visualization Techniques enabling students to master the art of translating complex data into compelling visual narratives. Through hands-on learning, students will acquire the skills to communicate insights effectively and make data-driven decisions across diverse fields."	It is resolved to approve the revision of syllabus "Data Visualization Techniques " course to 2019-20 admitted batch.	B.Tech-CSE	2019 - 20	CSE	23/11/2019
Academic Peer	Dr.P.Harini,Professor, St.ann's college of engineering and Technology , To enhance Network & Infrastructure Security syllabus, include updated content on emerging threats and technologies to ensure students are well-prepared for evolving cybersecurity challenges.	It is resolved to approve the revision of syllabus "Network & Infrastructure Security " course to 2019-20 admitted batch.	B.Tech-CSE	2019 - 20	CSE	23/11/2019
Academic Peer	Dr. Ramesh G, The syllabus for "Introduction to Blockchain & Cryptocurrencies" should be updated to include more practical hands-on exercises and real-world case studies to enhance student engagement and application of concepts.	It is resolved to approve the revision of syllabus "Introduction to Blockchain & Cryptocurrencies" course to 2019-20 admitted batch.	B.Tech-CSE	2019 - 20	CSE	23/11/2019
Academic Peer	Dr. V.Anil Kumar, IIIT Hyderabad suggested to include the basics of diodes, BJT transistors, Op amps and oscillators in more detail in Analog Electronic Circuit Design course	It is resolved to change the syllabus of Analog Electronic Circuit Design as recommended by Dr. V.Anil Kumar	B.Tech	2019 - 20	ECE	20-05-2018

Academic Peer	Dr. T.Kishore Kumar, NIT Warangal suggested to include basics of telecom systems in the course- Analog and Digital Communications	It is resolved to change the add the topics of telecom systems into the course- Analog and Digital Communications	B.Tech	2019 - 20	ECE	20-05-2018
Academic Peer	Dr. J. Ravikumar, Professor, NIT ,Warangal is suggested Data Base Management System and Operating System courses can be offered as open electives.	It is resolved that those courses are already available as open electives for other branch students.	B.Tech Electronics and Computer Engineering	2019 - 20	ECM	22/06/2019
Academic Peer	Dr.B.Nagaraju, Ass.t Professor, NIT, Nagaland is suggested Suggested to offer professional core course as flexi-core course.	It is resolved to implement the Concept of Flexi core courses are introduced into the curriculum and new elective courses are introduced by expanding the total specializations to nine. The same applies for Y17 and Y18 regulations.	B.Tech Electronics and Computer Engineering	2019 - 20	ECM	22/06/2019
Academic Peer	Dr. N. Viswanathan, Professor, NITW- suggested to offer more flexi courses	Restructured power systems, Electric drives are recommended to offer and forwarded to academic council for approval.	B.TECH	2019 - 20	EEE	22-06-2019
Academic Peer	Dr. N. Jayaram, Asst. Prof., NIT, AP- suggested to include applications of recent advantages like AI applications into curriculum	Added a course titled AI applications in Electrical Engineering in 2019 and forwarded to academic council for approval	B.TECH	2019 - 20	EEE	22-06-2019
Academic Peer	Prof. D. Kesava Rao, HOD , Dept of English, NIT Warangalto modify the syllabus of courses English Language Teaching and Practice	Discuss in BoS the same recommendation and forwarded to Academic council for approval	M.A English	2019 - 20	English	13-08-2019
Academic Peer	Prof. D.VR. Murthy, Professor, Andhra University, suggested to introduce Media laws and ethics as a common course	Proposed to introduce a new course on Media Laws and Ethics	BSC.Vc	2019 - 20	Fine Arts	22-06-2019
Academic Peer	Mr. Joseph Chirstadoss, Head of the Department, Journalism and Mass Communication, St Mary's College, suggested to revise some courses with advertising courses in the first year and common courses.	Proposed to introduce a new advertising course.	BSC.Vc	2019 - 20	Fine Arts	22-06-2019
Academic Peer	Mrs. L. Jayashree, Former Dean and Retd. Professor, ANU advised to introduce 3 year LLB program to facilitate students who wish to pursue law after their graduation in other streams.	3 Year LL.B. Programme from Y19 intake batch onwards was introduced as a new program.	BBA LLB	2019 - 20	LAW	24.06.2019

Academic Peer	Dr.Y.V.S.S.Sanyasi Raju, Professor, Department of Mathematics, IIT, Madras and Dr.Debasish Dutta, Professor & HOD, Department of Mathematics, NIT, Warangal, recommended to introduce the Elective Streams considering application areas.	As per their suggestions introduced Elective Streams in M.Sc.(Applied Mathematics) and forwarded to Academic Council for approval.	M.Sc.(Applied Mathematics)	2019 - 20	Mathematics	25/06/2019
Academic Peer	Dr. Akthar Khan, Assitant professor IITDM Kurnool suggested to include the courses having computational mathematics, topics related to tools like Fusion 360, 3D printing, Latex and applications of engineering in the real world to enhance the skills of students in utilizing various tools available.	It is resolved to include new courses Mathematics for computing, Design tools workshop-I, Design tools workshop-II and Engineering in Physical World to 2019-20 admitted batch students	B.Tech	2019 - 20	Mechanical	08-06-2019
Academic Peer	Dr. Ashok Kumar, Dewangan, Assitant professor NIT Delhi, suggested to include product design specialization as it is much required for a mechanical engineer in the industry	It is resolved to include the product Design Specialization with the following courses for Y19 admitted batch students <ul style="list-style-type: none"> <li>•Design For Quality And Reliability</li> <li>•Designing Intelligence Systems</li> <li>•Sustainable Design</li> <li>•Systems Thinking for Design</li> <li>•Design with Advanced Engineering Materials</li> <li>•Design for Manufacture And Assembly</li> </ul>	B.Tech	2019 - 20	Mechanical	08-06-2019
Academic Peer	Dr. Y. Narasimha Reddy, Professor, University College of Ph. Sciences, Kakatiya University has given the feedback to stick on to PCI syllabus	Recommended to strictly follow the PCI syllabus	B. Pharmacy	2019 - 20	Pharmacy	26-06-2019
Academic Peer	Dr. K. Venkata Rao, Asst. Professor, NIPER, Hyderabad has given the feedback to include skill courses like SAS, CADD, NPTEL/SWAYAM, APSSDC, online courses	Recommended to include skill courses like SAS, CADD, NPTEL/SWAYAM, APSSDC, online courses	B. Pharmacy	2019 - 20	Pharmacy	26-06-2019
Academic Peer	Dr. Md. Fazal, Asst. Professor, University College of Ph. Sciences, JNTUH has given the feedback to put a proposal for seeking M. Pharmacy courses	Recommended to apply for M. Pharmacy courses for the A.Y. 2020-21	B. Pharmacy	2019 - 20	Pharmacy	26-06-2019
Academic Peer	Dr. K. Purna Nagasree, Asst Professor, Raghu College of Pharmacy, has given the feedback to Initiate the process for Pharm.D Courses & Post Baccalaureate Pharm.D	Recommend to initiate the process for Pharm. D and Post Baccalaureate Pharm. D for the AY 2020-21	B. Pharmacy	2019 - 20	Pharmacy	16-11-2019

Academic Peer	Mr. Daveedu Thathapudi, Asst Professor, Narayana College of Pharmacy has given the feedback to provide classrooms for Pharm. D & M. Pharmacy	Recommended to provide classrooms for newly established courses	B. Pharmacy	2019 - 20	Pharmacy	16-11-2019
Academic Peer	Dr. Govinindah Pilli, Asst Professoer, LPU, Punjab has given the feedback to establish labs for M. Pharmacy specializations	Recommended to establish the labs for new post graduate courses	B. Pharmacy	2019 - 20	Pharmacy	16-11-2019
Alumni	Kotha Manimala mentioned that Revise the syllabus to impart advance knowledge	Syllabus revised and updated for each and every course as per the needs of the programme	BA	2019 - 20	Arts	10-06-2019
Alumni	Mr. Siva Reddy, Suggested to include Mechanical properties of Engineering materials in Engineering physics	Suggested topics have been incorporated in Engineering Physics approved by BoS and eventually recommended to Academic council.	B.Tech	2019 - 20	Biotechnology	05-07-2019
Alumni	Mr. Mahesh Reddy, M, Advised to add OOPS in course curriculum for 2019-20	Course is floated Under Engineering Science categorization approved by BoS and eventually recommended to Academic council.	B.Tech	2019 - 20	Biotechnology	05-07-2019
Alumni	Mr. D Kishore babu ID No. 182230002 Introduce a course related to sensors and body fluid analysis as per the industrial needs	It is resolved to introduce new courses chemistry of drugs and pharmaceuticals and Sensor techniques and body fluid analysis for Y19 admitted batch students.	M. Sc Chemistry	2019 - 20	Chemistry	01-10-2019
Alumni	Mr. T Trinadh ID No. 182230009 proposed that heterocyclic chemistry syllabus to be modified.	It was resolved to change the course Advanced Heterocyclic Chemistry from Prof.elective to Prof.core (Syllabus Modified accordingly) respectively.	M. Sc Chemistry	2019 - 20	Chemistry	01-10-2019
Alumni	Mr.B.T.Manikanta suggested More content related to specializatin need to be added	Discussed with higher authorities and technical content has been added	B.Tech	2019 - 20	Civil Engineering	12-06-2018
Alumni	Ms.Anusha Syllabus should be formed based on research oriente	Modifications will be done in syllabus	B.Tech	2019 - 20	Civil Engineering	12-06-2018
Alumni	Meenal Jain (180520010) Suggested to introduce syllabus for B.Com (H) ACCA.	It is recommended to to introduce syllabus for B.Com(H)ACCA and forwarded to academic council.	B.Com(H)	2019 - 20	Commerce	30-11-2019
Alumni	Ms. L. Swathi Shireen suggested introducing "Malware Analysis" to analyze the threats.	Proposed to introduce "Malware Analysis" to analyze the threats.	BCA	2019 - 20	CSA	07-06-2019
Alumni	Mr. Sumanth Kumar suggested introducing "Python Web Development" course based on industry requirements and used in all areas of research.	Proposed to introduce the course "Python web development" based on industry requirements of Python's versatility, strong frameworks" to develop web applications.	BCA	2019 - 20	CSA	07-06-2019

Alumni	Mr. Sumanth Kumar suggested revising the subjects "Windows Azure" to include topics related to Azure Cloud.	Recommended to revise "Windows Azure" by adding the topics related to Azure Cloud.	BCA	2019 - 20	CSA	07-06-2019
Alumni	Mr.Suhas Achanta, Alumni suggested to introduce a comprehensive training program that must be designed to equip individuals with the essential skills and knowledge required to excel in Cloud DevOps practices.	It is resolved to approve new course "Cloud Devops" as a professional Elective Course for 2019-20 admitted batch students.	B.Tech-CSE	2019 - 20	CSE	15/6/2019
Alumni	Mr. Suhas Achanta, Alumni suggested the TS-SDP4 (CLOUD DEVOPS) course to bridges the gap between development and operations in the cloud, enabling streamlined software delivery and meeting the growing industry need for cloud-centric DevOps expertise.	It is resolved to approve new course "TS-SDP4 (CLOUD DEVOPS)" for 2019-20 admitted batch students.	B.Tech-CSE	2019 - 20	CSE	15/6/2019
Alumni	Mr. Gopi Chigurupati, Alumni recommended "TS-SDP4 Cloud Based Solutions Architect" course to provide a well-rounded education in cloud architecture, meeting industry demand for professionals skilled in designing and optimizing cloud solutions.	It is resolved to approve new course "TS-SDP4 Cloud Based Solutions Architect" for 2019-20 admitted batch students.	B.Tech-CSE	2019 - 20	CSE	15/6/2019
Alumni	Mr. Hemanth Duriseti, Alumni suggested the course CLOUD BASED AI/ML SPECIALITY because the students should master in cloud-based AI/ML tools, frameworks, and deployment strategies, enabling them to develop intelligent applications and solutions on cloud platforms.	It is resolved to approve new course "TS-SDP4 Cloud Based AI/ML Speciality" for 2019-20 admitted batch students.	B.Tech-CSE	2019 - 20	CSE	15/6/2019
Alumni	Hanumanth Yaganti, Alumni suggested to revise Advanced Computer Architecture course to aligns the curriculum with industry demands, enhances students' competitiveness in the job market, and fosters a deeper understanding of complex architectural paradigms.	It is resolved to approve the revision of syllabus in "Advanced computer architecture" course to 2019-20 admitted batch.	B.Tech-CSE	2019 - 20	CSE	15/6/2019
Alumni	Dr. Surendra Singh Jadav, The UX Design syllabus should be updated to include emerging trends and technologies, ensuring students are equipped with the latest industry-relevant skills.	It is resolved to approve the revision of syllabus "UX Design" course to 2019-20 admitted batch.	B.Tech-CSE	2019 - 20	CSE	23/11/2019

Alumni	Rasamsetti Anilbabu, Deccansoft Software Services suggested that data link layer, transport layer and network layer topics should be included in data networks and protocols course	It is resolved to add the recommended topics of data link layer, transport layer and network layer more in depth in the course data networks and protocols	B.Tech	2019 - 20	ECE	20-05-2018
Alumni	Mr.S.Siddartha, senior software engineer, L&T, Bangalore is suggested To consider introducing new courses on IoT can be included.	It is resolved to introduce a new course in the fundamentals of IOT included in IoT specialization.	B.Tech Electronics and Computer Engineering	2019 - 20	ECM	22/06/2019
Alumni	Ms. T.Harika ,software consultant, Capgemini, Hyderabad, is suggested Consider for Skilling courses students should be trained in tools is required for industry it should be included.	It is resolved Skilling courses are offered based on the specializations with latest tools/ simulations.	B.Tech Electronics and Computer Engineering	2019 - 20	ECM	22/06/2019
Alumni	Divya Sri Gaddam, Electrical Engineer, SFS, OK, United States - to focus on tools and certifications	various certification courses were suggested in APSSDC , Udemy platform.	B.TECH	2019 - 20	EEE	22-06-2019
Alumni	Rama Chandra Yerramsetti, Programmer Analyst, Cognizant, India-problem solving to be given more weightage through core and programming subjects.	Restructured power systems, Electric drives , Power quality, Utilization of electrical energy recommended and forwarded for approval in academic council	B.TECH	2019 - 20	EEE	22-06-2019
Alumni	Kushvanth Koppula, suggested that more reference links can be provided in the curriculum syllabus	References are updated in the syllabus of all the courses	BSC.Vc	2019 - 20	Fine Arts	22-06-2019
Alumni	Mr. Khadar Basha Abdul, Rolls-Royce suggested to include Geometrical Dimensioning & Tolerancing Course	It is resolved to deliver the content of course entitled "Geometric Dimensioning and Tolerancing" for Y16 students during CRT classes and for Y17, Y18 and Y19 batch students in Machine drawing and Design for Manufacturing Courses.	B.Tech	2019 - 20	Mechanical	08-06-2019
Alumni	Dr. R. Vijay Kumar, HAL Bangalore gave a suggestion through mail on 17/12/2018 to all BOS members regarding inclusion of Artificial intelligence techniques in solving mechanical engineering applications	It is resolved to include the Artificial Intelligence Course along with Robotics Course in Y19 Curriculum	B.Tech	2019 - 20	Mechanical	08-06-2019
Faculty	Dr. K. Anil Kumar, Dr.R.Sai Kumar is suggested to consider including a new professional elective stream in the 2019-20 course structure.	It is resolved to include a new professional elective stream of History of East Asia (From 19 <sup>th</sup> Century A.D. to 1950 A.D.) (Elective) in the 2019-20 course structure.	BA	2019 - 20	Arts	10-06-2019

Faculty	Dr. Kamesh, (HoD) is suggested to consider introducing new skill courses on can be included.	It is resolved to introduce a new skills course in the Fundamentals of Economics course included.	BA	2019 - 20	Arts	10-06-2019
Faculty	Prof. Umanadha Sharma is suggested to contemporary relevant courses in social sciences	It is resolved contemporary socially relevant course is like Contemporary Issues in Geography (Elective) includes on BA Programme 2019 onwards.	BA	2019 - 20	Arts	10-06-2019
Faculty	Mr. Vinod.U recommended to add new topics and bring more appropriacy to the subject Economics.	lthough for UPSC needs such lessons are very helpful, we would like to give them to BA students too	BA	2019 - 20	Arts	10-06-2019
Faculty	Mr. Naresh wanted to introduce regular, systematic CSAT classes	Proposed to offer "CSAT CLASSES " Course in I year of study.	BA	2019 - 20	Arts	10-06-2019
Faculty	Dr. Krishna Kumar, and Dr. Padmavathi suggests that Syllabi needs to be improved, and study of study of Current Affairs, Fundamentals of Economics, Social Geography of India must be included during BA programme.	It is resolved and Syllabi needs to be improved and study of Current Affairs, Fundamentals of Economics, Social Geography of India must be included during BA programme Y 2019 Batch onwards.	BA	2019 - 20	Arts	10-06-2019
Faculty	DR. SS Kumar Suggested the courses like Macro Economics, Business Model Generation can be Included in the Curriculum	As per the proposal two courses Macro Economics , Business model Generatio was approved the BOS members and forwarded for approval in academic Council	BBA	2019 - 20	BBA	14-06-2019
Faculty	Dr A Venkateswara Rao, Asst. Prof., KLEF, Emp. ID 3179 proposed ti include drug and pharmaceutical chemistry course in the curriculum as it helps the student to get more career opportunities.	It is resolved to introduce new courses chemistry of drugs and pharmaceuticals and Sensor techniques and body fluid analysis for Y19 admitted batch students.	M. Sc Chemistry	2019 - 20	Chemistry	01-10-2019
Faculty	Dr. B Pradeep Kumar, Asst. Prof., KLEF, Emp. ID 3356 proposed that Instrumental methods of analysis and applied chemical analysis to be made as professional core to enhance the laboratory skills which are needed for career development.	The Laboratory component also framed for Instrumental methods of analysis-I (18CY2111), Instrumental methods of analysis-II (18CY2211) and Advanced Applied Analysis (18CY2212).	M. Sc Chemistry	2019 - 20	Chemistry	01-10-2019
Faculty	Dr. K. Deepti, Asst. Prof., KLEF, Emp. ID 5321 proposed that for enhancing the carrer prospects of the students recommended to include Design Thinking & Innovation course - 1 (LTPS 1-0-0-4 with 2 credits) Design Thinking & Innovation course - 2 (LTPS 1-0-0-4 with 2 credits) in semester 3 and 4 respectively.	a. Two courses titled Design Thinking & Innovation -1 , Design Thinking & Innovation -2 are added to the curriculam for 2019-20 batch students. b. Design Thinking and Innovation Lab is established	M. Sc Chemistry	2019 - 20	Chemistry	01-10-2019

Faculty	Dr. Anindita Chatterjee, Asst. Prof., KLEF, Emp. ID 3555 proposed that Dissertation work to be initiated from third semester.	It is resolved and initiate dissertation work in 3rd semester instead of 4th semester to get academic publication could be useful for getting placement & appearing for higher studies.	M. Sc Chemistry	2019 - 20	Chemistry	01-10-2019
Faculty	Dr. K. Ravindranath, Prof., KLEF, Emp. ID 3739 proposed that Scopus indexed journal based publication must be made mandatory for dissertation work.	It was resolved to include Dissertation with research Publication course to Y19 Curriculum from academic year 2019-20 and mandatory to publish a article in scopus indexed journal based on the feedback given by Academic peers.	M. Sc Chemistry	2019 - 20	Chemistry	01-10-2019
Faculty	Dr. E. Hari Krishna, Asst. Prof., KLEF, Emp. ID 4438 proposed that Dissertation work to be initiated from third semester.	It is resolved and initiate dissertation work in 3rd semester instead of 4th semester to get academic publication could be useful for getting placement & appearing for higher studies.	M. Sc Chemistry	2019 - 20	Chemistry	01-10-2019
Faculty	Dr J V Shanmukha Kumar, Prof., KLEF, Emp. ID 620 proposed that Instrumental methods of analysis and applied chemical analysis to be made as professional core to enhance the laboratory skills which are needed for career development.	The Laboratory component also framed for Instrumental methods of analysis-I (18CY2111), Instrumental methods of analysis-II (18CY2211) and Advanced Applied Analysis (18CY2212).	M. Sc Chemistry	2019 - 20	Chemistry	01-10-2019
Faculty	Dr. V. Ranga suggested Need extra hours for skilling course & core course	Proposal given to central level Time table inchrage	B.Tech	2019 - 20	Civil Engineering	12-06-2018
Faculty	Mr.K.Venkatesh suggested Syllabus for Engineering chemistry is to be updated with respect to latest trends	Members proposed and approved	B.Tech	2019 - 20	Civil Engineering	12-06-2018
Faculty	Dr. Vahed Shakeel, Asst. Professor recommended to revise the courses of B.Com. (Hons.) ACCA.	As per recommandations of faculty Approved the suggestion to revise the courses of B.Com. (Hons.) ACCA.and forwarded to Academic Council	B.Com & M.Sc	2019 - 20	Commerce	30-11-2019
Faculty	Dr.AVN Murty, Professor, Recommended to reduce the summer internship program period from 8 weeks to 6 weeks and credits also reduced from 6 to 5 credits for all programs.	As per Recommendation accepted and approved to reduce the summer internship program period from 8 weeks to 6 weeks and credits also reduced from 6 to 5 credits for all program and forwarded ot academic council.	B.Com & M.Sc	2019 - 20	Commerce	30-11-2019
Faculty	Mr. K. Rohit Kumar suggested introducing "Client-Side Scripting" to design the client web pages.	Recommended to introduce "Client-Side Scripting" to design the client web pages.	BCA	2019 - 20	CSA	07-06-2019

Faculty	Mr. B. V. Appa Rao suggested revising the course "Fundamentals of Mathematics" and "Probability and Statistics".	Recommended to introduce the course "Probability & Statistics" as it is used in many fields understanding uncertainty, making data-driven decisions, and extracting meaningful information from data in a wide range of fields.	BCA	2019 - 20	CSA	07-06-2019
Faculty	Mr. Vishal Raj suggested introducing the course "Secure Software Design" is an essential phase in the software development lifecycle and develop software applications and systems that are resilient against various forms of cybersecurity threats and vulnerabilities.	Proposed to introduce the course "Secure Software Design"	BCA	2019 - 20	CSA	07-06-2019
Faculty	Dr. Vijaya Sri K, Faculty suggested to include a new course Mathematics for Computing to provide students with foundational mathematical skills vital for understanding complex computational concepts and algorithms.	It is resolved to approve to introduce a new course "Mathematics for Computing" to offer for 2019-20 admitted batch students, to bridge the gap between mathematics and computing and ensuring students grasp fundamental principles, enhancing their ability to excel in computational fields.	B.Tech-CSE	2019 - 20	CSE	15/6/2019
Faculty	Dr. A. Srinath, Dean-Skill Development recommended to offer Design Tools Workshop course that offers a foundational learning experience for aspiring designers, introducing essential design software and techniques to unleash creativity.	It is resolved and approve to offer two new courses "Design Tool Workshop-1" and "Design Tool Workshop-2" course for 2019-20 admitted batch students in their first year.	B.Tech-CSE	2019 - 20	CSE	15/6/2019
Faculty	Dr. Suman Maloji, Professor & HOD, ECE Dept suggested to introduce Digital Logic & Processors in place of Digital System Design as it delve into the fundamentals of electronic circuits and microprocessors, forming the backbone of modern computing systems and innovation.	It is resolved to approve a new course "Digital Logic & Processors" for 2019-20 admitted batch students.	B.Tech-CSE	2019 - 20	CSE	15/6/2019
Faculty	Dr. CH V Ramana Murthy, Professor, Faculty suggested to introduce a course that provides the essential analytical tools and problem-solving skills required for engineering professionals to excel in their field.	It is resolved to approve a new course "Mathematics for Engineers" for 2019-20 admitted batch students.	B.Tech-CSE	2019 - 20	CSE	15/6/2019

Faculty	Dr.A.S.C.S.Sastry, Professor, ECE Dept. Faculty suggested to introduce new course which helps as building blocks of modern electronics, enabling the creation of countless devices and innovations that shape our daily lives.	It is resolved to approve a new course “Basic Electronic Circuits” for 2019-20 admitted batch students.	B.Tech-CSE	2019 - 20	CSE	15/6/2019
Faculty	Ms.Pathuri Bindu, Assistant prof, Mathematics Dept. Faculty suggested to introduce 2 Mathematical Programming Courses one focusing on optimization techniques—linear, integer, and nonlinear programming—to equip students with problem-solving skills applicable across fields like economics, engineering, and computer science. Blend theory, software applications, and real-world projects to foster analytical thinking” and second course to offer advanced problem-solving skills and optimization techniques essential for tackling real-world challenges across various disciplines. This course enriches their quantitative abilities and analytical thinking.	It is resolved to approve new course “Mathematical Programming-I” and Mathematical Programming-II” for 2019-20 admitted batch students.	B.Tech-CSE	2019 - 20	CSE	15/6/2019
Faculty	Dr.Kolla Bhanu Prakash, Faculty suggested to introduce a new course Digital Video Processing course to equip students with essential skills for today’s digital world, fostering creativity and employability across various industries. This addition aligns our institution with the demands of the modern age and enhances our academic offerings.	It is resolved to approve a new course “Digital Video Processing” for 2019-20 admitted batch students.	B.Tech-CSE	2019 - 20	CSE	15/6/2019
Faculty	Mr.T.Vamsidhar, Faculty suggested to include "Functional & Concurrent Programming" as a Professional Elective for both Data Science and Cloud Specializations. This course offers students valuable skills in programming paradigms that are essential for navigating contemporary technological domains.	It is resolved to approve new course “Functional & Concurrent Programming” course for 2019-20 admitted batch students.	B.Tech-CSE	2019 - 20	CSE	15/6/2019

Faculty	Ms. M.V.B.T. Santhi, Faculty recommended a new course which explores advanced database concepts that are essential for students to get full potential of data bases in today's information-driven world, enabling innovation and informed decision-making.	It is resolved to approve a new course "Advanced Databases" as professional elective for 2019-20 admitted batch students.	B.Tech-CSE	2019 - 20	CSE	15/6/2019
Faculty	Ms.K.Srinidhi, Faculty suggested to introduce a course that helps students with essential knowledge and skills to identify, prevent, and mitigate security vulnerabilities in web applications and online environments. Given the increasing reliance on digital platforms, this course is crucial for producing graduates well-equipped to safeguard sensitive information and uphold the integrity of web-based systems.	It is resolved to approve new course "Web Security" for 2019-20 admitted batch students.	B.Tech-CSE	2019 - 20	CSE	15/6/2019
Faculty	Dr.Y.Prasanth, Professor & Associate Dean, strongly recommended the incorporation of a dedicated "Software Reliability" course in the curriculum. This course would provide students with a comprehensive understanding of techniques for designing, developing, and testing reliable software systems. By addressing the critical need for dependable software in various industries, this course equips students to excel as software engineers and contribute to the creation of resilient applications.	It is resolved to approve new course "Software Reliability" for 2019-20 admitted batch students.	B.Tech-CSE	2019 - 20	CSE	15/6/2019
Faculty	Dr. Shashi Melhothra, Faculty suggested to introduce a course that will empower students to master the art of creating applications that transcend platform constraints, utilizing frameworks such as React Native.	It is resolved to approve new course "Cross Platform Development Frameworks" for 2019-20 admitted batch students.	B.Tech-CSE	2019 - 20	CSE	15/6/2019
Faculty	Dr. K.V Raju, Faculty, suggested to incorporating Cloud & Serverless Computing into the curriculum to equip students with essential skills for modern technology landscapes.	It is resolved and approved new course "Cloud & Serverless Computing" for 2019-20 admitted batch students.	B.Tech-CSE	2019 - 20	CSE	15/6/2019

Faculty	Dr.JKR Sastry is suggested Syllabi needs to be improved and study of advanced devices has to be included in the course of Nano electronics.	It is resolved the syllabus of professional elective course modified on Nano electronics for regulation of Y19 students	B.Tech Electronics and Computer Engineering	2019 - 20	ECM	22/06/2019
Faculty	Dr.Md. Ali hussain, suggested to consider including computer communication new professional elective stream in 2019 20 course structure	It is resolved to include computer communication new professional elective stream in 2019-20 course structure.	B.Tech Electronics and Computer Engineering	2019 - 20	ECM	22/06/2019
Faculty	Dr. A Pandian suggested Faculty suggested the recent advancements like Floating Solar & Off Shore Wind Technologies should be included in the M.Tech curriculum.	A course on Floating solar & Off Shore Wind Technologies is included in 2019-20 M.Tech (PED and PS) and was forwarded to academic council for approval.	B.TECH	2019 - 20	EEE	22-06-2019
Faculty	Dr. J Somlal suggested Project based labs need to defined for a particular course in the curriculum	Project based labs can be implemented for the DAC identified and BoS approved core courses and was forwarded to academic council for approval.	B.TECH	2019 - 20	EEE	22-06-2019
Faculty	Dr. V. Ravi Kumar, Assoc Prof Dept of English, KLEF, recommended to change the credits count of the program	Discuss in BoS the same recommendation and forwarded to Academic council for approval	M.A English	2019 - 20	English	13-08-2019
Faculty	Dr. Sabitha Francis, suggested to reduce the credits from 6 to 5 and include more number of literature courses and prepare students for competitive exams like NET/SLET/	Discuss in BoS the same recommendation and forwarded to Academic council for approval	M.A English	2019 - 20	English	13-08-2019
Faculty	Mr. Subhash Yalavarthy, proposed to introduce a new course Animation and advertising	Proposed to introduced new courses.	BSC.Vc	2019 - 20	Fine Arts	22-06-2019
Faculty	Dr. Ch. Lakshmana Rao, Associate Professor advised to consider the replacement of the Course "General Studies & Current Affairs – II: Anthropology, Science and Civilization" with "General Studies & Current Affairs – II: Political Science and Public Administration" for Y16 and Y17 admitted batch.	Replaced "General Studies & Current Affairs – II: Anthropology, Science and Civilization" with "General Studies & Current Affairs – II: Political Science and Public Administration" for Y16 and Y17 admitted batch.	BBA LLB	2019 - 20	LAW	24.06.2019
Faculty	Dr.Ch.V.Ramanamurthy, Professor, recommend to revise the Continuum Mechanics (18AM2112) course.	As per the recommendations, modified the syllabus. In BOS also discussed and forwarded to Academic Council for approval.	M.Sc.(Applied Mathematics)	2019 - 20	Mathematics	25/06/2019

Faculty	Dr.V.S.Bhagavan, Professor, recommended to introduce the Technical Skill course by removing the Skill component from Transform Techniques(18AM1208) Course.	As per their recommendations, introduced the Technical Skill Course for 2018-19 Batch in the 3 <sup>rd</sup> Semester and forwarded to Academic Council for approval.	M.Sc.(Applied Mathematics)	2019 - 20	Mathematics	25/06/2019
Faculty	The faculty members Dr. A. Srikanth and Dr. K. Hemadiya Proposed to offer Business Analytics and Production and Supply Chain Management as minor elective.	The proposal for incorporation of Business Analytics and Production and Supply chain Management as minor electives for II MBA(Y-2019) was approved by the BoS members and forwarded to BoS for approval.	MBA	2019 - 20	MBA	19-11-2019
Faculty	Mr.M.B.S.Sreekar Reddy requested to include topics on family business, marketing in Entrepreneurship course as these topics will help students in understanding the various types of businesses	It is resolved to include the topics on Family business, Starting new business, buying an existing business	B.Tech	2019 - 20	Mechanical	08-06-2019
Faculty	Dr.B.N.Rao, Professor, suggested to add topics on probability addition, multiplication, Baye's theorem, Gauss theorem, Markov process., Structure of Algebra- Semigroups, Monoids and Groups, Homomorphism's, Normal subgroups and congruence Relations, Rings in Mathematics for Engineers course to prepare students ready for the most advanced concepts	It is resolved to include the topics on probability addition, multiplication, Baye's theorem, Gauss theorem, Markov process., Structure of Algebra- Semigroups, Monoids and Groups, Homomorphism's, Normal subgroups and congruence Relations, Rings in Mathematics for Engineers Course	B.Tech	2019 - 20	Mechanical	08-06-2019
Faculty	Mr.S.Ramesh Kumar suggested to add topics on Python, Data Manipulation using Python, Data Analysis with 2D Plotting, Data Analysis with 3D Plotting. In the course Computational Thinking and Data Sciences to impart knowledge on the emerging Python language to students	It is resolved to include the topics on Introduction to python Data Manipulation using Python, Data Analysis with 2D Plotting, Data Analysis with 3D Plotting. In the course Computational Thinking and Data Sciences,	B.Tech	2019 - 20	Mechanical	08-06-2019
Faculty	Mr.Kasi V Rao, suggested to include topics on Identification and Problem Definition, Concept Generation and Evaluation, Embodiment Design, Design Philosophy, General considerations and procedure in machine design, preferred numbers, Codes & Standards in Mechanics of solids-II Course, to make student understand the standards and procedures followed in mechanical design	It is resolved to include the topics on Introduction to standards & codes, Design philosophy in Mechanics of Materials-II course	B.Tech	2019 - 20	Mechanical	08-06-2019

Faculty	Mr.T.Vijaya Kumar, suggested to include topics on metrology to enable students understand the working of various measuring instruments	It is resolved to include the topics on metrology in Measurements and Instrumentation course and rename the course as Metrology and measurements	B.Tech	2019 - 20	Mechanical	08-06-2019
Faculty	Dr. M. Narender Emp Id: 5758 has given the feedback to allot practical school hours in continous mode	Recommended to club 12 hours in a week for practice school in continous mode	B. Pharmacy	2019 - 20	Pharmacy	26-06-2019
Industry Personnel	Mr. lakshmikantham IAS emphasized on training by IAS interviewees, experts.	We will definitely follow it and it is appreciated.	BA	2019 - 20	Arts	10-06-2019
Industry Personnel	Mr. B. Jagadish IPS wanted to introduce Presentation skills as a regular academic activity.	it will be studied and followed up.	BA	2019 - 20	Arts	10-06-2019
Industry Personnel	Mrs Sravanthi , Microsoft proposed to introduce Industry Needs latest specilaisations like LSCM & Strategic Finance	The suggestion to incorpoate two courses namely Logics and supply chain management and Strategic Finacne	BBA	2019 - 20	BBA	14-06-2019
Industry Personnel	Dr. Alok Kumar, Sanofi Biotech, Medchal, Telangana, Suggested to include Bernoulli's equation and applications of Laplace transforms in solving ordinary differential equations in the subject Mathematical methods	Suggested topics have been incorporated in Mathematical Methods approved by BoS and eventually recommended to Academic council.	B.Tech	2019 - 20	Biotechnology	05-07-2019
Industry Personnel	Dr. Easwaran, Biocon Research Academy, Banglore, Recommended to add design thinking and Innovation 1&2 courses for 2019-2020 curriculum	Courses are floated Under skilling for engineers categorization approved by BoS and eventually recommended to Academic council.	B.Tech	2019 - 20	Biotechnology	05-07-2019
Industry Personnel	Dr. K. Nageswara Rao, Trimax Biosciences proposed to make Natural products and biomolecules course as professional core as it is important in industry, research and innovation.	It was resolved to change the course Natural Products & Biomolecules from Prof.elective to Prof.core (Syllabus Modified accordingly) respectively.	M. Sc Chemistry	2019 - 20	Chemistry	01-10-2019
Industry Personnel	Dr. G. Raj Kumar, Aron Research Center proposed that advanced heterocyclic chemistry course syllabus need to be revised as per the industrial requirements.	It was resolved to change the course Advanced Heterocyclic Chemistry from Prof.elective to Prof.core (Syllabus Modified accordingly) respectively.	M. Sc Chemistry	2019 - 20	Chemistry	01-10-2019
Industry Personnel	M.Suresh Babu suggested More focus to be put on specialization courses	special training is given to the students on advanced designs technical content has been added	B.Tech	2019 - 20	Civil Engineering	12-06-2018
Industry Personnel	M.H.Reddy suggested Sequence of offering courses need to be reviewed	Members suggested Review has been done and updated	M.Tech - Structural Engineering	2019 - 20	Civil Engineering	12-06-2018

Industry Personnel	Mr. J.Sree Sagar, Director, Snidy) Suggested to introduce a new vertical in Commerce Department program i.e., B.Com. (Computer Applications) EA from the academic year 2020-21.	It is recommended for approved to introduce a new vertical in Commerce Department program i.e., B.Com. (Computer Applications) EA from the academic year 2020-21. and forwarded to Academic committee meeting	B.Com & M.Sc	2019 - 20	Commerce	30-11-2019
Industry Personnel	Mr. G.Arun Madhan, Director (Rivian Automobiles) Suggested to introduce new course structure/course curriculum for the new UG program B.Com (Computer Applications) EA 2020-21.	It is recommended to introduce new course structure/course curriculum for the new UG program B.Com (Computer Applications) EA 2020-21.and forwarded to Academic committee meeting	B.Com & M.Sc	2019 - 20	Commerce	30-11-2019
Industry Personnel	Mr. Goutham, System Engineer, Infosys suggested offering "Digital Logic Design" course to understand the design of circuits and data transfer for better understanding of computers.	Recommended offering "Digital Logic Design" course to understand the design of circuits and data transfer for better understanding of computers.	BCA	2019 - 20	CSA	07-06-2019
Industry Personnel	Ms. Sravani, Software Engineer, Wipro Suggested to offer "Linux Administration" course for the students to understand how the user can interact with the Operating system directly using system calls.	Proposed to offer "Linux Administration" course for the students to understand how the user can interact with the Operating system directly using system calls.	BCA	2019 - 20	CSA	07-06-2019
Industry Personnel	Ms. Sri Chandana, Software Developer, Infosys has suggested introducing the course "Network & Information Security" to understand the importance of securing the information transmitted over the network.	To introduce the course "Network & Information Security" to understand the importance of securing the information transmitted over the network.	BCA	2019 - 20	CSA	07-06-2019
Industry Personnel	Mr. Sai Sathish, suggested to add topics related to cyber laws in "Digital Forensics."	Recommended to add topics related to cyber laws in "Digital Forensics."	BCA	2019 - 20	CSA	07-06-2019
Industry Personnel	Sreeja Girija R, Industry person suggested to incorporate Artificial Neural Networks into the curriculum. It would offer students a cutting-edge perspective on machine learning.	It is resolved to approve new course "Artificial Neural Networks" for 2019-20 admitted batch students.	B.Tech-CSE	2019 - 20	CSE	15/6/2019
Industry Personnel	Mr.Sagireddy Pulla Reddy, Industry person suggested to include a cloud and machine learning related course which empowers organizations to efficiently process and analyze vast datasets, enabling data-driven insights and innovation at scale.	It is resolved to approve new course "Machine Learning on Cloud" for 2019-20 admitted batch students.	B.Tech-CSE	2019 - 20	CSE	15/6/2019

Industry Personnel	Meenakshi Sharma, Assistant Director - PR & Media, Industry person suggested to include Architecting Cloud Solutions into curriculum as it will empower students with in-depth knowledge of designing scalable, cost-effective, and highly available cloud solutions using Amazon Web Services, preparing them for in-demand roles in cloud architecture and technology.	It is resolved to approve a new course "Architecting Cloud Solutions" for 2019-20 admitted batch students.	B.Tech-CSE	2019 - 20	CSE	15/6/2019
Industry Personnel	Mr.Pallapothula Anvesh, Industry Person highly recommend the integration of a comprehensive "Data Analytics on Cloud" course, combining the power of advanced data analysis techniques with cloud computing.	It is resolved to approve new course "Data Analytics on Cloud" for 2019-20 admitted batch students.	B.Tech-CSE	2019 - 20	CSE	15/6/2019
Industry Personnel	Mr.Akhandam Venkat Aditya, Industry Person suggested to include Security solutions in the cloud offer robust protection against cyber threats, ensuring the integrity and confidentiality of data in cloud environments.	It is resolved to approve new course "Security Solutions in Cloud" for 2019-20 admitted batch students.	B.Tech-CSE	2019 - 20	CSE	15/6/2019
Industry Personnel	Mr. Vamsi Yelamarthi, Industry person suggested to introduce Visual Programming Course for 2019-20 admitted batch as this course would empower students to create applications using intuitive graphical interfaces, fostering creativity and accessibility in software development.	It is resolved to approve new course "Visual Programming" for 2019-20 admitted batch students.	B.Tech-CSE	2019 - 20	CSE	15/6/2019
Industry Personnel	Rajshekar Botcha, Industry person suggested to incorporate a course into curriculum that provides a detailed understanding of the programming languages used in embedded systems, such as C and C++, along with software design principles and real-time operating systems.	It is resolved to approve new course "Embedded Systems" for 2019-20 admitted batch students.	B.Tech-CSE	2019 - 20	CSE	15/6/2019

Industry Personnel	Vijay Krishna Pala, Industry Person suggested to introduce new course "Solutions Architecting on Cloud" that covering key cloud platforms, architectural design principles, security, scalability, and best practices for building resilient and efficient cloud solutions through skilling is recommended.	It is resolved to approve new course "Solutions Architecting on Cloud" for 2019-20 admitted batch students.	B.Tech-CSE	2019 - 20	CSE	15/6/2019
Industry Personnel	Bandaru Ravi Teja, Industry Personnel recommended integrating a comprehensive study of signal processing into the curriculum, emphasizing foundational concepts, mathematical rigor, practical implementations, and real-world applications.	It is resolved to approve new course "Signal Processing" for 2019-20 admitted batch students.	B.Tech-CSE	2019 - 20	CSE	15/6/2019
Industry Personnel	Mr. Vishnu Vardhan, Industry person suggested Technical Skilling (SDP-3) to enhance employability by imparting relevant, adaptable technical skills, making graduates competitive in today's job market and fostering interdisciplinary problem-solving. This addition aligns with evolving industry demands and attracts prospective students, positioning our institution as a forward-thinking educational leader.	It is resolved to approve new course "Technical Skilling (SDP-3)" for 2019-20 admitted batch students.	B.Tech-CSE	2019 - 20	CSE	15/6/2019
Industry Personnel	Mr. Madhu Bodapati, Industry Person recommended "TS-SDP4 Cloud Based Security Speciality" course because it equips individuals with specialized skills to fortify cloud environments, aligning with the increasing demand for cloud security expertise, ensuring data protection and compliance in the digital landscape.	It is resolved to approve new course "TS-SDP4 Cloud Based Security Speciality" for 2019-20 admitted batch students.	B.Tech-CSE	2019 - 20	CSE	15/6/2019
Industry Personnel	Mr. Sai Anil Muthyala, Industry Person suggested "TS-SDP4 Certified Game Developer" course to nurture expertise in game development, covering essential skills, tools, and industry insights for aspiring game creators is required.	It is resolved to approve to introduce a new course "TS-SDP4 Certified Game Developer" for 2019-20 admitted batch students.	B.Tech-CSE	2019 - 20	CSE	15/6/2019

Industry Personnel	Kavitha Avula, Industry Person suggested that its appreciable if a specialized training program dedicated to fostering expertise in securing cloud environments is introduced. It is resolved to approve new course "TS-SDP4 Cloud Based Data Analytics Speciality" for 2019-20 admitted batch students.	It is resolved to approve new course "TS-SDP4 Cloud Based Data Analytics Speciality" for 2019-20 admitted batch students.	B.Tech-CSE	2019 - 20	CSE	15/6/2019
Industry Personnel	Abhinay Irala, Industry Person, suggested that there is a need for a specialized program dedicated for equipping individuals with the knowledge and skills needed to excel in developing Internet of Things (IoT) solutions on cloud platforms.	It is resolved to approve new course "TS-SDP4 Cloud Based IoT Developer" For 2019-20 Admitted Batch Students.	B.Tech-CSE	2019 - 20	CSE	15/6/2019
Industry Personnel	Industry Peers" Abhinay Irala- HR Manager, Sreeja Girija - RSoftware Engineer, Mr.Sagireddy Pulla Reddy - CSE "SP Software" Pvt Ltd, Meenakshi Sharma- Assistant Director -PR & Media, Mr.PALLAPOTHULA ANVESH -YSK INFOTECH PVT LTD MANAGING DIRECTOR have suggested to include open book exam to subjects	It is resolved to approve the inclusion of open book exams for the courses Object Oriented Programming (Regular, Optional and Advanced) , Operating Systems (Regular, Advanced) for II Btech and Distributed Computing (Regular, Advanced), Enterprise Programming (Regular, Advanced) and Algorithm Design & Analysis (Regular, Advanced) for III Btech admitted Students	B.Tech-CSE	2019 - 20	CSE	15/6/2019
Industry Personnel	Mr. Srinivas Vedala, Apple Inc., Bengaluru suggested to include a course called Electromagnetic Fields and Applications	It is resolved to include the course Electromagnetic Fields and Applications in the curriculum	B.Tech	2019 - 20	ECE	20-05-2018
Industry Personnel	Dr. Subba Rao, Head Budget, P&M division, NRSC, Bengaluru suggested to include a course on Control Systems and Robotics	It is resolved to add the course recommended by Dr. Subba Rao i.e. Control Systems and Introduction to Robotics in the curriculum	B.Tech	2019 - 20	ECE	20-05-2018
Industry Personnel	Advanced topics in signal processing can be included with an emphasis on biomedical image and signal analysis.	It is resolved to introduce new professional electives Bio-medical image analysis, Bio-medical signal processing courses are offered under signal processing specialization.	B.Tech Electronics and Computer Engineering	2019 - 20	ECM	22/06/2019

Industry Personnel	Mr.V.Muralikrishna, Sr.Manager, AMD, Hyderabad is suggested Consider the Courses on current thrust areas like automation, IOT and 5G communications can be offered.	It is resolved to introduce New professional electives are offered under specialization IOT & Smart Cities, Data Communications, and Robotics and Automation.	B.Tech Electronics and Computer Engineering	2019 - 20	ECM	22/06/2019
Industry Personnel	P KAVYA, ET, Powergrid corporate of India limited, India- Suggested to include HEV concepts in EV specialization. As the with dual source supplies that adding additional classification of FUEL CELL EV . Fuel Cell EV's are generally Dual source EV's that complement the Batteries or vice versa.. Future reliable EV's will have dual source supplies, For Drive Train, it involves more complexity in terms of charge and Load Distribution, Charge and Discharge pattern for Batteries, e.t.c Fault Diagnosis of EV's, Additionally, Adding Communication protocols or information about standards would give students an idea of what standards need to be considered when designing.	These suggestions were not possible to incorporate in 2019-20 curriculum. But will definitely be considered for 2020-21 curriculum.	B.TECH	2019 - 20	EEE	22-06-2019
Industry Personnel	N V N S Koushik suggested that training on Coding skills to be planned for Advanced learners	Training on Coding skills to be planned throughout the semester as a part of the curriculum	B.TECH	2019 - 20	EEE	22-06-2019
Industry Personnel	Mr. G. Peter Samuel, Site Director, Berkadia Services, suggested to offer some career oriented courses to students keeping in view the current demand in industry as optional courses.	Discuss in BoS the same recommendation and forwarded to Academic council for approval	M.A English	2019 - 20	English	13-08-2019
Industry Personnel	Jagadeesh Bommiseti, freelance cinematographer, Suggested to introduce specializations from 2nd Year to meet the industry standards.	Proposed to introduced Specialization as per the peer feedback.	BSC.Vc	2019 - 20	Fine Arts	22-06-2019
Industry Personnel	Dr.M.Mutyala Rao, Scientist/Engineer, Applied Mathematics Division, ISRO, Trivandram, recommended to introduce Computer related courses as per the present industry needs.	As per his suggestion introduced Soft Computing Course in M.Sc.(Applied Mathematics) and forwarded to Academic Council for approval.	M.Sc.(Applied Mathematics)	2019 - 20	Mathematics	25/06/2019

Industry Personnel	Mr. Srinivasulu Boligarla, Chief Consultant, Engineering and Industrial Services (EIS), Hyderabad who gave training for faculty of Mechanical department on Geometric Dimensioning & Tolerancing course, suggested syllabus to be included for B.Tech students through mail on 25/05/2019	It is resolved to deliver the content of course entitled "Geometric Dimensioning and Tolerancing" for Y16 students during CRT classes and for Y17, Y18 and Y19 batch students in Machine drawing and Design for Manufacturing Courses.	B.Tech	2019 - 20	Mechanical	08-06-2019
Industry Personnel	Mr.K.Shahikanth, Manager, Hyundai Hyderabad division suggested to include sets for manufacturing technology & Control Systems. HE also suggested to include Machine learning and Internet of Things as per the industry requirements	It is resolved to include following courses Skilling for Engineers-I(Manufacturing Technologies) and Skilling for Engineers-2(Control Systems for Machines) as skill courses and Internet of things, Machine learning as flexi courses for Y19 admitted batch students	B.Tech	2019 - 20	Mechanical	08-06-2019
Industry Personnel	Mr. Agni Mitra, Junior Engineer, HAL Bangalore suggested to include design project in every course which involve hand calculations, parametric study, selection of parameters etc. He also suggested to include Production Drawing and Computer aided drafting in machine drawing course to enable students industry ready,	It is resolved to include and effectively implement the project based lab concept for the applicable courses. It is resolved to include production drawing and computer aided drafting topics in Machine drawing course.	B.Tech	2019 - 20	Mechanical	08-06-2019
Industry Personnel	Dr. P. Srinivasa Rao, Global Training Head, Cyient Technologies represented the suggestions given by his colleagues from Cyient through mail to HOD-ME on 06/05/2019. To add the following topics in Thermal Fluids Engineering-I course: (i) Flow and Non-flow process. (ii) Work study during various Non-flow processes,(iii) Steady flow energy equation and its applications. To add the following topics in Heat Transfer course Shape factor, Problems based on shape factors	It is resolved to include the suggested topics in Thermal Fluids Engineering-I and Heat transfer course	B.Tech	2019 - 20	Mechanical	08-06-2019
Industry Personnel	Mr. N. Babu, Deputy General Manager, Granuels, India has advised to start initially with two post graduation and Pharm. D courses	Recommended to initiate the process of applying for M. Pharm and Pharm. D courses	B. Pharmacy	2019 - 20	Pharmacy	16-11-2019
Parents	Mr. Raj Kumar identified that need more attention on UPSC coaching	Sure. Utmost attention given to UPSC and other competitive exams like SSC., CDE etc.,	BA	2019 - 20	Arts	10-06-2019
Parents	Mr.Kesava Rao suggested that hands- on experience should be provided for the students.	It is resolved More hours are allotted for practices and skilling components in the course structure.	BA	2019 - 20	Arts	10-06-2019

Parents	Ms.Soumya Prakash is suggested More focus to include advanced courses like UPSC aptitude courses with more practical exposer in BA curriculum.	It is resolved to include Aptitude Builder courses with more practical exposer in BA curriculum.	BA	2019 - 20	Arts	10-06-2019
Parents	Mr . Subba Reddy , F/o Lohitha Suggested to introduce LSCM in the currciuclum	As per ssuggestions the new course strategic Finance added and approved by BOS	BBA	2019 - 20	BBA	14-06-2019
Parents	Mr. Chandraseskhar Naidu, Advised to include thermodynamics of microbial growth in Biochemical thermodynamics	Suggested topics have been incorporated in Biochemical Thermodynamics approved by BoS and eventually recommended to Academic council.	B.Tech	2019 - 20	Biotechnology	05-07-2019
Parents	Mr. Subhash Reddy, Suggested to add concepts such as material balances with recycle, bypass and purge streams in PEP	Suggested topics have been incorporated in Process Engineering Principles approved by BoS and eventually recommended to Academic council.	B.Tech	2019 - 20	Biotechnology	05-07-2019
Parents	Mrs. D. Siva Parvathi proposed to initiate dissertation work from third semester.	It was resolved to include Dissertation with research Publication course to Y19 Curriculum from ac,ademic year 2019-20 and manclatory to publish a article in scopus indexed journal based on the feedback given by Academic peers.	M. Sc Chemistry	2019 - 20	Chemistry	01-10-2019
Parents	Mr. G. Krishnayya proposed to include dissertation work from third semester.	It was resolved to include Dissertation with research Publication course to Y19 Curriculum from ac,ademic year 2019-20 and manclatory to publish a article in scopusindexed journal based on the feedback given by Academic peers.	M. Sc Chemistry	2019 - 20	Chemistry	01-10-2019
Parents	Mr.K.Narayana Rao requested Counselling activities (weekly once need to update about students)	Weekly once discussion will be done through phone regarding the activities of students	B.Tech	2019 - 20	Civil Engineering	12-06-2019
Parents	Mr.N.Srinivasa Rao requested Need more indian authors	Implemented	B.Tech	2019 - 20	Civil Engineering	12-06-2018
Parents	Mr. K.Srinivasa Rao s/o K.Balaji (parent) Suggested to introduce a new vertical in Commerce Department program i.e., B.Com. (Computer Applications) EA from the academic year 2020-21.	It is recommended to introduce a new vertical in Commerce Department program i.e., B.Com. (Computer Applications) EA from the academic year 2020-21 and forwarded to academic council.	B.Com & M.Sc	2019 - 20	Commerce	30-11-2019
Parents	Smt. T.Nalini, suggested Hands-on experience should be provided for the students.	It is resolved More hours are allotted for practices and skilling components in the course structure.	B.Tech Electronics and Computer Engineering	2019 - 20	ECM	22/06/2019

Parents	Mr. R.Venkatrao is suggested More focus to include advanced courses like Artificial Intelligence, and machine learning courses with more practical exposer in B.Tech curriculum.	It is resolved to include advanced courses in Artificial Intelligence, and machine learning courses with more practical exposer in B.Tech curriculum.	B.Tech Electronics and Computer Engineering	2019 - 20	ECM	22/06/2019
Parents	L Lakshmi Veera Rajesh suggested more books should be provided related to our syllabus	The department has raised demand from time to time for procurement of books in University Central Library to provide more literature option to the students. The library section assures availability of book and journals even in digital form for greater accessibility of books to the students. The faculty members were also suggested to share possible ebooks of their courses to the students.	B.TECH	2019 - 20	EEE	22-06-2019
Parents	NERELLA RADHA KRISHNA suggested Global Certificate courses can be offered in tie-up with the industry and are to be offered during the entire semester rather than for one week which is being done now.	Bos member agreed to put forward for academic concil approval	B.TECH	2019 - 20	EEE	22-06-2019
Parents	Sanjay Bhat, parent of Vaibhav Bhatt, proposed to introduce course useful for industry standards and for placements.	Proposed specialzations to make students a broader way for placements	BSC.Vc	2019 - 20	Fine Arts	22-06-2019
Students	Electives subjects are less in number. ( A. Ahamed abuzar ansari (190160009).	New electives to be floated for next academic year. This recommendation has been forwarded to avademic council for approval. ☑	B.ARCH	2019 - 20	Architecture	05.07.2019
Students	Mrs.Nuthakki Tejaswi is Suggested, courses are more focus on the competitive examination related courses.	It is resolved and More focus on the competitive examination related courses for 2019-20 curriculum.	BA	2019 - 20	Arts	10-06-2019
Students	Shri. Manuru Harsha Vardhan identified aboutCurrent affairs	Separate staff members allocated to teach Current Affairs	BA	2019 - 20	Arts	10-06-2019
Students	Shri Tenali Rahul Prince is suggested to include real-time mock test related hours.	It is resolved and include real-time mock test related hours for 2019-20 curriculum.	BA	2019 - 20	Arts	10-06-2019
Students	Mrs. N. BhavanaTo competitive courses and awareness for students.	The department plan for competitive exams training of all students, provided coaching and practice tests.	BA	2019 - 20	Arts	10-06-2019
Students	Mr . Anirudh suggested Macro Economics & Business Model Generation to be Introduced	As per suggestions of the students the courses are Introduced and approved by BOS	BBA	2019 - 20	BBA	14-06-2019

Students	Mr. Naveen Reddy, Recommended to add DNA Fingerprinting in TPT-2 (Bioprocessing)	Suggested topics have been incorporated in TPT-2 (Bioprocessing) approved by BoS and eventually recommended to Academic council.	B.Tech	2019 - 20	Biotechnology	05-07-2019
Students	Miss. Himaja choudary, Suggested to enrich the syllabus in accordance with industrial needs	Suggested modifications have been incorporated in 2019-20 curriculum approved by BoS and eventually recommended to Academic council.	B.Tech	2019 - 20	Biotechnology	05-07-2019
Students	Miss. Bhagya lakshmi , Recommended to alter the LTP structures for the courses like Indian Heritage & culture and Indian constitution and these courses to be offered as audited courses.	0-0-2 has been modified as 2-0-0, and resolved to offer as audited courses from Y19 regulation approved by BoS and eventually recommended to Academic council.	B.Tech	2019 - 20	Biotechnology	05-07-2019
Students	Ms. Kunamreddy Satya mahalakshmi sushmitha ID No. 194230001 proposed that DTI- 1 and DTI - 2 to be offered in semester 3 and 4 for better understanding.	a. Two courses titled Design Thinking & Innovation -1 , Design Thinking & Innovation -2 are added to the curriculam for 2019-20 batch students. b. Design Thinking and Innovation Lab is established	M. Sc Chemistry	2019 - 20	Chemistry	01-10-2019
Students	Ms. PUTREVI SRUTHI ID No. 194230007 proposed to have lab component for instrumental methods of analysis and applied chemical analysis.	Instrumental Methods of Analysis (18CY2114), (L-T-P-S:3-0-0-0) course which was earlier floated as a Prof., elective has been made as Professional core for which Course Title and code along with L-T-P-S has been modified as Instrumental Methods of Analysis-I and 18CY2111 (L-T-P-S: 4-0-6-0).	M. Sc Chemistry	2019 - 20	Chemistry	01-10-2019
Students	Ms. Chunchu Tejaswani ID No. 194230008 proposed to have dissertation work from third semester.	It is resolved and initiate dissertation work in 3rd semester instead of 4th semester to get academic publication could be useful for getting placement & appearing for higher studies.	M. Sc Chemistry	2019 - 20	Chemistry	01-10-2019
Students	Mr. Dasari Shanmukha sai ID No. 194230003 proposed to have lab component for instrumental methods of analysis and applied chemical analysis.	Instrumental Methods of Analysis (18CY2114), (L-T-P-S:3-0-0-0) course which was earlier floated as a Prof., elective has been made as Professional core for which Course Title and code along with L-T-P-S has been modified as Instrumental Methods of Analysis-I and 18CY2111 (L-T-P-S: 4-0-6-0).	M. Sc Chemistry	2019 - 20	Chemistry	01-10-2019
Students	R.Pradeep Kumar suggested Emphasis is given for tutorials,equal emphasis is given for practicals	Members suggested Importance is given for tutirials and practcal.	B.Tech	2019 - 20	Civil Engineering	12-06-2018
Students	R.Sai Venkata Siva,suggested Extra classes needed for slow learners	Members suggested Classes to be arranged for slow learners	B.Tech	2019 - 20	Civil Engineering	12-06-2019

Students	V.Jairamreddy (194521012) suggested to introduce SAP program (for 15 days) soon after completion of Summer Internship Program for B. Com. (Hons), B.Com. (Computer Applications) EA & M. Sc. (Finance & Control) from the academic year 2020-21.	It is recommended to introduce SAP program (for 15 days) soon after completion of Summer Internship Program for B. Com. (Hons), B.Com. (Computer Applications) EA & M. Sc. (Finance & Control) from the academic year 2020-21.and forwarded to academic council	B.Com & M.Sc	2019 - 20	Commerce	30-11-2019
Students	N.Vineetha (2000550015) Suggested to interest in research methodology and requested to change the syllabus of Empirical methods in Finance	It is recommended to changing the syllabus of empirical methods in finance and forwarded to academic council.	B.Com & M.Sc	2019 - 20	Commerce	30-11-2019
Students	160040614, NARAYANA PAVAN SRINIVAS, suggested to include basics of some advanced microcontrollers like ARM7 and CORTEX (STM32) in the course Processors and Controllers	It is resolved to add the topics on the basics of ARM7, CORTEX (STM32) in the syllabus and the course is renamed as Embedded Controllers.	B.Tech	2019 - 20	ECE	20-05-2018
Students	170050022, Suggested that In relevant courses more focus is to be given on design & implementation	It is resolved a) Two courses titled Design Thinking & Innovation -1 ; Design Thinking & Innovation -2 are added to the curriculum for 2019-20 & 2020-21 batch students. b) Design Thinking and Innovation Lab is established	B.Tech Electronics and Computer Engineering	2019 - 20	ECM	22/06/2019
Students	180050033, suggested to include real-time experiments and more lab hours.	It is resolved to Included fundamentals of IoT and machine learning courses lab component and include list of experiments in real time exercises.	B.Tech Electronics and Computer Engineering	2019 - 20	ECM	22/06/2019
Students	Rishikha suggested to have regular interaction in the form of active learning and provision to design their owns ideas in the laboratory	Design Thinking and Innovation Lab is made a part of the curricullum for 2019-20 batch students. So that they can acquire skill and laboratory to design their own	B.TECH	2019 - 20	EEE	22-06-2019
Students	Jaswanth recommended a certification on PLC	A certification on PLC in association with APSSDC is proposed and recommended for approval in Academic Council	B.TECH	2019 - 20	EEE	22-06-2019
Students	180563002, Akash, second year students of B.Sc. Visual Communication, recommended to make more courses for lab sessions.	Some LTPS Structures has been revised to make them more practical bases	BSC.Vc	2019 - 20	Fine Arts	22-06-2019
Students	Requested to introduce Production and Supply chain Management as minor elective for II MBA(Y-2019)	The request for incorporation of Production and Supply chain Management as minor elective for II MBA(Y-2019) was Approved by the BoS memebrs and forwarded to Academic Council for approval	MBA	2019 - 20	MBA	19-11-2019

Students	Y15 Batch Students requested to include more number of lecture slots to have better understanding of the subject.	It is resolved to educate the students about the importance of self-learning and addressed all the members about the Blended Learning concept introduced in 2019-20 odd semester courses, where in for a course with 45 periods of theory classes: 15 periods are allotted for regular teaching by course instructor, 15 periods for self-learning through MOOCs, 15 periods for Peer Learning.	B.Tech	2019 - 20	Mechanical	08-06-2019
Students	Y16 Batch Students requested to give more focus to laboratory to gain more practical knowledge	It is resolved to caution the faculty members to be more effective in conducting practical sessions and skilling courses.	B.Tech	2019 - 20	Mechanical	08-06-2019
Students	Gadde Srivalli bearing ID No: 180180005 has given feedback to conduct the industry visits	Recommended to allow the studnets for industrial training for a period of 45 days after 3rd year in the form of Practice school	B. Pharmacy	2019 - 20	Pharmacy	26-06-2019
