d) In order to maintain transparency in evaluation, the answer sheets of all components of continuous assessment should be shown to the students within one week of conducting the tests. If a student is not convinced with the marks awarded he/she can apply for recheck. However, the student can apply for recheck on the day of returning the answer sheet within the classroom only. The evaluation of courses like practical training, internships, moot courts and court attendance will be based on the diaries and project reports submitted by the students, in addition to the continuous performance of the candidates and viva voce.

Evaluation Pattern of Moot Court Training:

1. The total 100 marks will be awarded only based on their performance in the moot court Practical tests.

2. There will be no theory exams even at the end of the semester.

3. The marks are awarded by the co-ordinators on the following basis:

a. At the end of the Semester, there will be a practical examination for 50 marks.

b. During the semester, each student has to argue and submit memorials on both sides in 5 moot court problems which will carry 10 marks each.

4. The Co-ordinators will award 10 marks for each Moot Arguments and Written Memorial submitted by the student in the 5 moot court problems on the following basis:

a. Written Memorials – 04 Marks

b. Oral Presentation (Arguments) – 05 Marks

c. Dress Code – 01 Mark

Total: -----
10 Marks

5. Students who fail to submit their written and oral argument will be marked absent for that exam and proportionately the marks will be reduced, and he will be evaluated for the remaining marks only.

6. 75% of attendance in all internal moot court classes is mandatory. Student(s) falling short of it will not be allowed for final exam.

VIII. GRADING

a) The overall performance of the student is described by Cumulative Grade Point Average (CGPA) and is calculated taking into consideration grade obtained by the student in all credited courses and credits attached to it. It is the weighted average of the grade points of all the letter grades obtained in credited courses by the student from his entry into the University. CGPA is computed as follows:

$$CGPA = \frac{c_1g_1 + c_2g_2 + \dots + c_n g_n}{c_1 + c_2 + \dots + c_n}$$

where c_1, c_2, \dots, c_n denotes credits associated with the course applied and g_1, g_2, \dots, g_n denotes grades obtained by the student.

b) At the end of the evaluation of all components based on the performance of the student in the course, each student is awarded with a letter grade on a **relative scale**. The list of letter grades and its connotation is given below:

| Grade | Qualitative Meaning | Grade Point Attached |
|-------|---------------------|----------------------|
| X | Excellent | 10 |
| A | Very Good | 9 |
| B | Good | 8 |
| C | Fair | 7 |
| D | Satisfactory | 6 |
| E | Pass | 5 |
| F | Fail | 0 |

c) A student getting less than 40% of overall score and less than 40% in the comprehensive examination will be considered to have earned F grade. In combined theory and clinical courses along with overall 40% score, the student should get independently 40% in both theory and clinical components.

d) A student who obtains F grade has to reappear for the comprehensive examination. However, such a student need not attend the classes and marks obtained in continuous internal assessment for 40 marks, will be carried forward for the subsequent attempts of the student.

e) In case of a student who has earned F grade, after the student has fulfilled all the requirements for passing, it will be converted into a valid grade by considering grade cut offs of the batch in which candidate has passed the course.

f) At the end of each semester the University issues grade sheet indicating the CGPA of the student. However, grade sheet will not be issued to the student if the candidate has any outstanding dues.

g) To convert CGPA into equivalent marks a multiplication factor of 9 is adopted. Ex: CGPA 7 is equivalent to $7 \times 9 = 63$ marks.

IX. REPORTS/GRADES

3. The pattern of the comprehensive examination and various components of continuous evaluation are provided in the succeeding paragraphs.

4. A candidate shall be deemed to have secured the minimum academic requirement in a course if the candidate secures a minimum of 40% of marks in the Internal Evaluation and the Comprehensive Examination put together and also 40% marks in the comprehensive examination separately.

5. In case a candidate does not secure the minimum academic requirement in any of the courses (as specified above), the candidate has to re-appear for the Comprehensive Examination, when that examination is conducted next in that course.

6. In case a candidate is detained for want of attendance or other reasons, the candidate has to repeat the course by re-registering for the same when offered next on the campus or do any other specified course as may be prescribed.

VII. EVALUATION SCHEME

1. A comprehensive examination of three hour-duration is held at the end of the semester for 60 marks. The entire curriculum is covered in the comprehensive examination. General Structure of the Question Paper for the Comprehensive Examinations is provided below:

| S.No. | Pattern | Marks |
|-------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|
| 1 | Section A: Questions based on concepts, theories, etc. shall be included in this section. Each question carries three marks. Students have to answer 6 out of 10 questions. | 6 x 3 = 18 |
| 2 | Section B: Essay type questions based on the application of concepts etc. Students have to answer 4 out of 6 questions. | 4 x 6 = 24 |
| 3 | Section C: Questions based on prescribed cases and/or problem-solving type questions. Students have to answer 2 out of 4 questions. | 2 x 9 = 18 |
| | Total | 60 |

2. **Continuous Assessment:** Continuous Assessment carries 40% weightage in aggregate marks. Various components which are included in the continuous assessment are furnished below:

| S.No. | Component | Duration | Marks |
|-------|----------------------------------------------------------------------------------------------------------------------------------------------------------|------------------|------------------------------------------------|
| 1 | There will be two internal tests carrying 20 marks each and the weightage is calculated for 20 marks only and it is compulsory to attend both the tests. | 90 minutes | 2x20=40 marks (Weightage for 20 marks only) |
| 2 | Active Learning Methods (Assignments and Presentation of Assignments) | ----- | 10 |
| 3 | Surprise Test(s) – Objective or Descriptive | 10 to 20 minutes | 5 |
| 4 | Class attendance | | 5 |
| | Total | | 40 |

a) A Surprise Test is of objective or subjective nature decided by the faculty concerned and is conducted

without prior intimation. There will be two such tests in a semester.

b) Home assignments (Written) are given in each course by the faculty member concerned. There will be one assignment in each semester in each course. The assignments shall be submitted before the deadline fixed by the respective faculty member. The defaulter shall lose marks allotted for that assignment.

c) Class attendance is monitored by each faculty member and based on the percentage of attendance; marks are awarded by the faculty member concerned.

d) In order to maintain transparency in evaluation, the answer sheets of all components of continuous assessment should be shown to the students within one week of conducting the tests. If a student is not convinced with the marks awarded he/she can apply for recheck. However, the student can apply for recheck on the day of returning the answer sheet within the classroom only.

The evaluation of courses like practical training, internships, moot courts and court attendance will be based on the diaries and project reports submitted by the students, in addition to the continuous performance of the candidates and viva voce.

Evaluation Pattern of Moot Court Training:

1. The total 100 marks will be awarded only based on their performance in the moot court Practical tests.

2. There will be no theory exams even at the end of the semester.

3. The marks are awarded by the co-ordinators on the following basis:

a. At the end of the Semester, there will be a practical examination for 50 marks.

b. During the semester, each student has to argue and submit memorials on both sides in 5 moot court problems which will carry 10 marks each.

4. The Co-ordinators will award 10 marks for each Moot Arguments and Written Memorial submitted by the student in the 5 moot court problems on the following basis:

a. Written Memorials – 04 Marks

b. Oral Presentation (Arguments) – 05 Marks

c. Dress Code – 01 Mark

Total: 10 Marks

5. Students who fail to submit their written and oral argument will be marked absent for that exam and proportionately the marks will be reduced, and he will be evaluated for the remaining marks only.

6. 75% of attendance in all internal moot court classes is mandatory. Student(s) falling short of it will not be allowed for final exam.

VIII. GRADING

a) The overall performance of the student is described by Cumulative Grade Point Average (CGPA) and is calculated taking into consideration grade obtained by the student in all credited courses and credits attached to it. It is the weighted average of the grade points of all the letter grades obtained in credited courses by the student from his entry into the University. CGPA is computed as follows:

$$CGPA = \frac{c_1g_1 + c_2g_2 + \dots + c_n g_n}{c_1 + c_2 + \dots + c_n}$$

where c_1, c_2, \dots, c_n denotes credits associated with the course applied and g_1, g_2, \dots, g_n denotes grades obtained by the student.

b) At the end of the evaluation of all components based on the performance of the student in the course, each student is awarded with a letter grade on a **relative scale**. The list of letter grades and its connotation is given below:

| Grade | Qualitative Meaning | Grade Point Attached |
|-------|---------------------|----------------------|
| X | Excellent | 10 |
| A | Very Good | 9 |
| B | Good | 8 |
| C | Fair | 7 |
| D | Satisfactory | 6 |
| E | Pass | 5 |
| F | Fail | 0 |

c) A student getting less than 40% of overall score and less than 40% in the comprehensive examination will be considered to have earned F grade. In combined theory and clinical courses along with overall 40% score, the student should get independently 40% in both theory and clinical components.

d) A student who obtains F grade has to reappear for the comprehensive examination. However, such a student need not attend the classes and marks obtained in continuous internal assessment for 40 marks, will be carried forward for the subsequent attempts of the student.

e) In case of a student who has earned F grade, after the student has fulfilled all the requirements for passing, it will be converted into a valid grade by considering grade cut offs of the batch in which candidate has passed the course.

f) At the end of each semester the University issues grade sheet indicating the CGPA of the student. However, grade sheet will not be issued to the student if the candidate has any outstanding dues.

g) To convert CGPA into equivalent marks a multiplication factor of 9 is adopted. Ex: CGPA 7 is equivalent to $7 \times 9 = 63$ marks.

IX. REPORTS/GRADES

The Course Coordinator can award the following Reports/ Grades depending on the cases:

a) Grade forms X, A, B, C, D, E and F are awarded to the student if the student satisfies the corresponding requirements as specified above.

b) NA (Not Attended) is awarded to the student if the student has shortage of attendance. When student is given NA the candidate has to repeat the course. It should be noted here that NA is different from F grade. For a student with F grade his/her marks obtained in internal evaluation component will be carried forward. While for a student awarded with NA Report, the candidate has to reregister for such course/s and attend the classes by paying the prescribed fee.
