Where ' C_i ' is the number of credits of the i^{th} course and ' G_i ' is the grade point scored by the student in the i^{th} course.

The CGPA is also calculated in the same manner considering all the courses undergone by a student over all the semesters of a program, where ' S_i ' is the SGPA of the i^{th} semester and ' C_i ' is the total number of credits in that semester.
