The screenshot displays the Microsoft Outlook application window. The top navigation bar includes tabs for Home, View, and Help. Below this is a ribbon with various icons for actions like New, Reply, Forward, etc. The left sidebar shows the 'Favourites' section with folders for Inbox (35/59), Sent Items, Drafts, and Deleted Items. A search bar at the top center contains the text 'Search'. The main pane is divided into two sections: 'Focused' and 'Other'. The 'Focused' section lists several emails, including one from 'Vijaya Krishna Senthil' titled 'Invitation to Attend the 14th Board of Studies (BoS) Meeting - 14th August 2025 - Reg...'. This email is selected and its content is displayed on the right. The email body mentions the Department of Computer Science & Information Technology (CSIT) and provides details about the meeting agenda, which includes reviewing curriculum revisions, discussing course proposals, aligning updates with industry trends, and addressing academic matters.

Discussion on Listed Agenda Points

- Y25 Admitted Batch Course Structure for B.Tech CS&IT
 - The curriculum remains aligned with the CSE branch, except for the branch-specific core course, **Enterprise Information Management**.
- Y24 Admitted Batch Course Structure for B.Tech CS&IT
 - The same courses proposed in the Y25 structure are offered to Y24 admitted batch students, excluding first-year courses which were completed under the earlier curriculum structure.
- New SDC Course to be Added for SM & DevOps Specialization
 - For Y23 admitted batch students enrolled in the **Software Modelling & DevOps** specialization, the new SDC-4: Professional Scrum Master course will replace Cloud DevOps, as Cloud DevOps is now being offered as a regular SDC course.
