Report on Intramurals for Faculty and Staff (Men& Women)

The Department of Physical Education, KL Deemed to be University, takes immense pride in organizing a vibrant and spirited Intramural Sports Festival exclusively for our esteemed faculty and staff (both men and women). This initiative was designed to foster community engagement, encourage physical well-being, and reignite the passion for sportsmanship among the academic and administrative fraternity.

The intramurals served as a dynamic platform promoting active participation, inclusivity, and wellness, blending competition with camaraderie. Through this initiative, we aimed not only to emphasize the importance of maintaining a healthy work-life balance but also to celebrate the spirit of unity, recreation, and teamwork.

A formal circular announcing the event was released on 15th December 2025, inviting registrations from 15th to 28th December 2025. The overwhelming response from all departments was a testament to the enthusiasm and excitement surrounding the event. The match schedules were meticulously curated and displayed on 2nd January 2025 on the official notice boards, ensuring transparency and clarity.

The competitions were conducted from 2nd January 2026, between 4:00 PM and 6:00 PM each day. The University's sports venues buzzed with energy as faculty and staff members showcased not only their athletic talents but also their team spirit, resilience, and mutual respect hallmarks of true sportsmanship.

A wide range of sports and games were included to cater to diverse interests and skill levels, ensuring that every participant found a game that resonated with them. The events witnessed impressive displays of skill, strategy, and sheer determination, wrapped in an atmosphere of fun and fellowship.

Objectives Achieved:

- To instill and encourage regular physical activity among faculty and staff
- To foster interpersonal relationships and break departments through team-based games
- To re in force the core values of fair play, inclusivity, and lifelong fitness

We extend our heartfelt appreciation to all the participants, volunteers, and organizing committee members whose unwavering commitment and enthusiastic participation made this event a grand success. Through this initiative, KLEF once again reaffirms its dedication to promoting a balanced and thriving academic environment, where physical and mental well-being go hand in hand with professional excellence.
