Report on

One-week Workshop on

“National Energy Conservation Week”

Organized by

Academic Staff College

From 14th December to 20th December 2018

A One-week Workshop on **National Energy Conservation Week** Organized by Academic Staff College from 14th December to 20th December 2018, to all Lab Technicians in University Campus .

The Objectives of the Workshop:

1. To promote the process of **energy conservation**, organizing many programs like: discussion, conferences, debates, workshops and competitions in the whole country.
2. To encourage people to use less **energy** rather than excessive and extravagant **energy**.
3. To send the message to as many people as possible to know about the importance of conserving energy in the every walk of life among people.
4. To Promoting the way of process of energy conservation by organizing a lot of events such as discussions, conferences, debates, workshops, competitions and etc all through the country.
5. To promote people for less energy usage by neglecting the excessive and wasteful uses.

About the Workshop:

The Energy Conservation Act in India was executed by the Bureau of Energy Efficiency (BEE) in the year 2001. The Bureau of Energy Efficiency is a constitutional body which comes under Government of India and helps in the development of policies and strategies in order to reduce the energy use.

The Energy Conservation Act in India act aims to employ the professional, qualified and energetic managers as well as auditors who are with expertise in managing the energy, projects, policy analysis, finance or implementing the energy efficiency projects.

The workshop focused on the core areas such as to promote energy efficiency and conservation among Indian people in their every walk of life. To make the people broadly aware of “Today’s energy wastage is tomorrow’s energy shortage”, “Energy saved is future save” and many more.

1. Dr. K. Narasimha Raju, HOD-EEE – Convener
2. Dr.S.V.N.L.Lalitha, Professor, EEE – Co-Convener
