The resource persons were Mr. Sanket Sahasrabudhe (PP Module), Ms. Navpreet Jhingan (ABAP Module), Mr. Priyank Sareen (HR Module) from SEED Infotech Ltd., Pune. It was organised by SAP-Centre of Excellence along with Academic Staff College and coordinated By Mr. Shyam Prasad K, Associate Dean, R & D (COE) and Mr. Ratna Prasad P, Asst.Prof, Dept.ME.

A brief of the three modules

- **SAP PP** (**Production Planning**) Training. **SAP PP** is one the important **module** in **SAP** system. It handles all business process related to production of a company. In **SAP** R/3 system modular data is classified as master data and transaction data where the master data is defined as the individual **module** objects.
- **SAP** system contains several predefined **function modules** that can be called from any **ABAP** program. The **function** group acts as a kind of container for a number of **function modules** that would logically belong together.
- **SAP HR** is also called as Human Resource Management System (HRMS) and Human capital management. **SAP HCM** (Human Capital Management) is one of the important **modules** in ERP **SAP**. **SAP HR** (human Resource Management) manages all functions from hiring an employee to its final termination in organization.
