Day -1 on 7-9- 2023

A faculty induction program for newly joined faculty in a university is crucial for helping them integrate into the academic community, understand institutional policies and procedures, and feel supported in their roles. Here is a suggested framework for a faculty induction. Program starts with Welcome address by Principal Academic Staff College.

KL Deemed to be university was established in 1980-81, as KL College of Engineering, which was upgraded to KL College of Engineering Autonomous in 2006 by UGC and was declared as a Deemed to be University in 2009 by UGC, MHRD Govt.of India. In 2012 as a Deemed to be University the institution was accredited by NAAC with A Grade and later in 2018, was re-accredited by NAAC with A++ grade. In 2019 UGC, MHRD declared this intuition as Category I Institution.

The institutes remain indebted to the leadership of our late co-founder Er. Koneru Lakshmaiah, and our Founder Er. Koneru Satyanarayana, both of whose vision has helped in creating this abode of learning, which has emerged as one of the elite institutes of the nation.

K L Deemed to be University is situated in a spacious 100-acre campus, with a built-up area of over 20,00,000 Sq Ft., on the banks of Buckingham Canal of river Krishna, the campus is eight kilometers from Vijayawada city. Built within a rural setting of verdant green fields, the institute is a virtual paradise of pristine nature and idyllic beauty. The campus has been aptly named "Green Fields" and the splendid avenue of trees and gardens bear testimony to the importance of ecology and environment. The campus ambience is most befitting for scholastic pursuits¹. The first off campus, has come up in 2017 at Hyderabad, Moina bad, Aziz Nagar Road, near TSPA Junction, on the road leading to Chilkur Balaji temple, with a built-up area of 10,00,000 soft, which is temporary campus, and the permanent campus is being made ready at Bachupally.

2. K L Deemed to be University has inaugurated its second off campus in 2022 in Bowrampet Village, Medchal, Malkajgiri District, Greater Hyderabad.

Inaugural address by Dr.I. Govardhani, Principal, ASC

Dean-Quality, Dr. Rama Krishna addressing the faculty

Dr.K. Rama Krishna , Dean IQAC explained about the Quality aspects of the university. KLEF has a memorable journey of about 42 years packed with remarkable landmark achievements. It began its sojourn as an affiliated College of the Acharya Nagarjuna University and Accredited twice by NBA also got its autonomous status in the year 2006. In 2008 the Institute as college has scored highest CGPA 3.76 / 4.00 among Engineering institutes in India in NAAC accreditation. In February 2009, the college, KLCE, through its founding society “Koneru Lakshmaiah Education Foundation” was recognized as Deemed to be University by the MHRD, Govt. of India, Under Section 3 of UGC Act 1956. Again in 2013 it was reaccredited by NAAC with ‘A’ grade. In 2018, KLEF obtained ‘A++’ Grading from NAAC during second cycle, resulting in KLEF being recognized as Category-1 University by MHRD. KLEF’s dedication towards continuous improvement reflects from securing 27th rank in NIRF University ranking in the year 2022.

Day -2 on 8-9- 2023: Dean Academics and his Team

Dr.Aravindhyan Alagarsamy, Assoc. Dean Academics addressing the faculty

Second day of the event covered by the dean academics office regarding the teaching pedagogies followed in the university. Complete session covers the following areas along with national education policy.

Evaluation process

A student's academic progress is examined through one or more of the following methods as decided by the Course Coordinator and duly approved by the Dean, Academic. Assignment Quiz, Sessional, Project Report, Review, Seminar, Group Discussion, In Class Participation / Active Learning, Case Study Report, Capstone Design Project, Simulation, Comprehensive Exam, The Sessional tests and the Semester-End Examinations will be conducted as per the Academic Calendar. As per the necessity, the Supplementary examinations will be conducted at the discretion of Vice Chancellor. Students may have to take more than one examination in a day either during Sessional, Semester End Examinations /Supplementary examination.

In-Semester Evaluation

The process of evaluation should be continuous throughout the semester and involves components as listed in course handout. The maximum distribution of marks for In-Semester evaluation must not exceed 60% of aggregate marks of the course. The distribution of weightage for various evaluation components will be decided and notified by the course coordinator through the course handout after approval by the Dean Academics, at the beginning of the semester. The students are informed of the syllabus to be covered and the question paper pattern. During a semester there shall be maximum of 2 In-semester sessional tests of comprehensive type for a duration of 2 hours. Each student shall be examined in all the topics of a Course Outcome (CO) of respective course and hence there shall be a minimum of one question from each topic of CO. Each question shall contain a question on all Blooms Taxonomy Levels (BTL), for which the course is designed. In order to maintain transparency in evaluation, answer scripts will be shown to the students for verification, within one week of conduct of exam. If there is any discrepancy in evaluation, the student can request the course coordinator to re-evaluate. The solution key and scheme of evaluation for all examinations will be displayed in the appropriate web portal of the course, within 2 days after the conduct of examination, by the course coordinator. The evaluation of outcomes through Active Learning tools will be carried out by using either direct or indirect methods depending on the type of course. The direct assessment method includes Lab taken to class, Tutorials, Home assignment etc., whereas indirect method include the following tools that uses.

Rubrics to evaluate students: One minute paper, Group Discussion, Seminars, , Fish Bowl, Debate, Video synthesis, Quiz/Test Questions, Brain storming session, Immediate feedback, Case Study, Shadowing, Leading question, Puzzle, Enigma, Contradiction, Statement-Opinion-Summary, Think / Pair / Share, Peer review, Just in-time teaching, Peer survey, Focused listing Role playing, Student field work with reflection, Infusing humor into class sessions, No, correction is permitted once the course coordinator submits the marks/grades to the Controller of Examination. In case the student is unable to appear for any such examination owing to medical grounds, participation in extra/ co-curricular activities representing KLEF/ state/ country; make up examination may be conducted as per the discretion of the Director / Principal of concerned College/ school after approval by the Dean Academics.

End-Semester Evaluation

End-semester examination shall be of comprehensive type and conducted for duration of 3 hours. Student will be examined in each CO as defined for each course. However, COs that are not examined during continuous In-semester evaluation, shall be examined during End-semester exams, weightage to ensure the equal distribution to all COs. All UG answer scripts will be valued by single examiner and the marks awarded in single valuation shall be taken as the final mark. All PG answer scripts will be double valued by one valuation from internal examiner and second valuation from external examiner and the marks awarded in average valuation shall be taken as the final mark. The entire course team including course coordinator of the respective course shall be participated in valuation of answer scripts. The marks secured by the students will be scaled to the appropriate weightage. Revaluation of answer scripts is allowed only in respect of semester end theory Examinations.

For internal assessment tests, practical examinations, dissertation, thesis, viva voce etc., there is no revaluation. Application for revaluation should be in the prescribed form. The last date for submission of application and payment of fee for revaluation is announced by the Examination Branch. Late applications should not be entertained. After receiving the valued answer scripts from

the Re-examiner along with Award lists of marks with columns duly filled in, are scrutinized to see that all the answers are valued, marks are correctly posted on the title sheet of the answer booklet and the total is verified.

If the marks obtained in revaluation is higher, it will be considered for revising the “grading” by the Controller of Examinations with the concurrence of result committee and then submitted to the V.C for his kind approval for publishing the result and displaying on the University website. These revised grades obtained on revaluation should be printed on the grade cards.

DAY-3 on 9-9-2023 –

Global Partnership & Faculty Exchange and Assessment of Learning

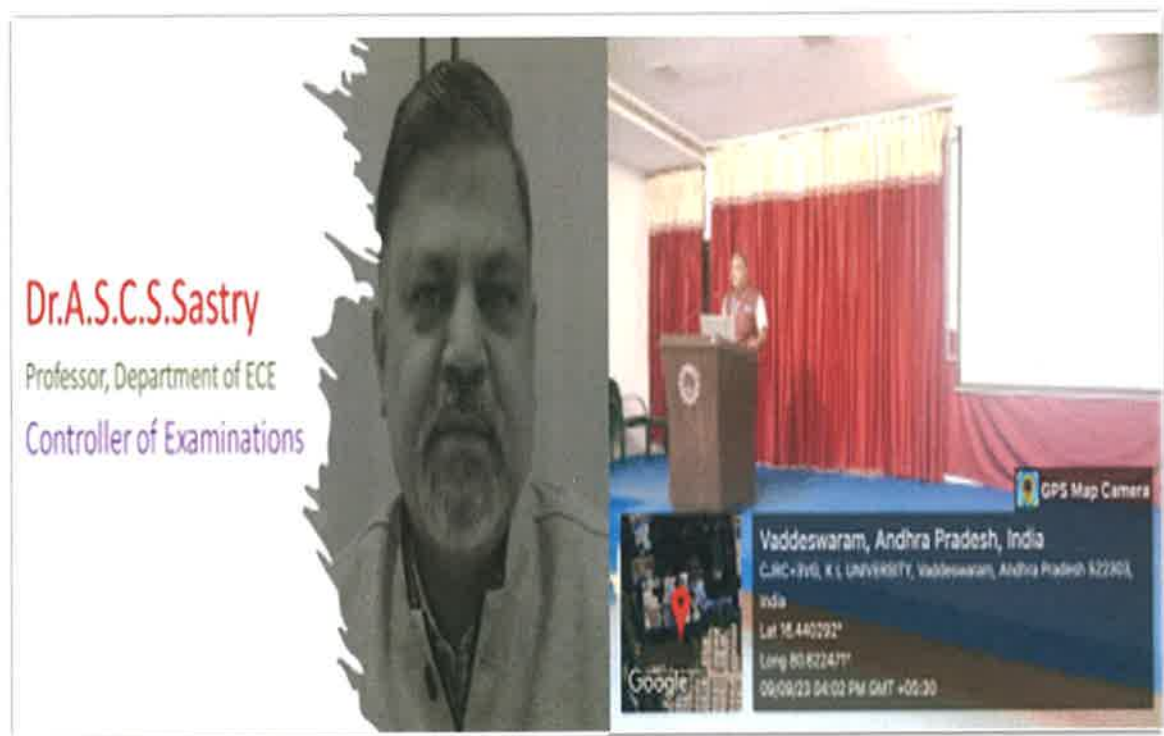

Dr. M Kishore Babu

Dean - Management
Humanities &
Director, International
Relations,
Director Digital marketing, PR
& Media

KLEF has a strong internationalization policy. Through this strategic alliances and links with foreign universities, the standard of education at KLEF is currently at par with the best in the world. With a view to make available world class experience to the students, K L University has signed MoUs with a number of foreign universities and industries, such as Indiana State University, USA, Devry University, USA, University of Massachusetts, USA, Latrobe University,

Australia, Plymouth University, UK, The Robert Gordon University, UK, National College of Ireland, Ireland, University West, Sweden etc. Being a significant and far-reaching program, it aims at exchange of faculty and students to pursue higher studies, besides carrying out research projects, consultancy and exploring placement options abroad which is the need of present times. With these coalitions the students will get the advantage to get trained in the latest available technologies worldwide and also avail specialized and customized training from Oracle, IBM, Microsoft, and CISCO. Consequently, Microsoft Corporation would facilitate our students and faculty to access the latest versions of Microsoft.

Dr.A.S.C.S Sastry, Controller of exams addressing the faculty

The Exam Section is the backbone of the academic process, and your duties within this department are of utmost importance.

Timely Planning and Coordination: One of the primary responsibilities of the Exam Section is to plan and coordinate examinations efficiently. This involves creating a well-structured exam schedule, ensuring the availability of examination materials, and communicating relevant information to both students and faculty.

Adherence to Regulations: Upholding the academic standards and regulations of our institution is crucial. As faculty members, you are entrusted with ensuring that examinations are conducted in accordance with the established guidelines and protocols. This includes the proper invigilation, distribution, and collection of exam papers.

Result Processing: The Exam Section is also responsible for the timely and accurate processing of examination results. Your role involves overseeing the grading process, verifying the results, and ensuring that the final grades are submitted to the relevant departments in a timely manner.

Communication and Support: Effective communication is key to the success of any academic institution. As members of the Exam Section, you are expected to communicate with students, faculty, and other stakeholders regarding examination-related matters. Additionally, providing support to students who may have queries or concerns related to examinations is an integral part of your role.

Continuous Improvement: The academic landscape is ever evolving, and it is essential for the Exam Section to adapt to changes and strive for continuous improvement. Your input and feedback are valuable in enhancing our examination processes and ensuring that they align with the best practices in the field of education. He concluded his speech by addressing the roles and

responsibilities of each faculty to words the exam section and rules followed by each faculty while the exams are going on.

Day-4 on 11-09-2023: Holistic student development & Support services

Dean-Student Affairs, Dr.CH.Hanumantha Rao addressing the participants

Introduction:

In the dynamic landscape of education, fostering holistic student development has become a cornerstone of academic institutions worldwide. Beyond traditional classroom instruction, educators and institutions are recognizing the need to provide comprehensive support services that address the diverse needs of students. This approach, often referred to as Holistic Student Development, goes beyond academic achievement, encompassing the intellectual, emotional, social, and physical aspects of a student's life. Holistic student development begins with a strong academic foundation. Institutions strive to create an environment that promotes intellectual curiosity, critical thinking, and a love for learning. Academic support services, such as tutoring, study groups, and mentorship programs, play a vital role in ensuring students receive the guidance needed to excel in their studies.

Emotional and Mental Well-being:

Recognizing the impact of mental health on academic success, institutions are increasingly investing in support services that focus on students' emotional well-being. Counseling services, mental health workshops, and awareness campaigns contribute to creating a supportive environment where students can navigate the challenges of university life.

Career Guidance and Development:

Preparing students for life beyond academia is a crucial aspect of holistic development. Career counseling, internships, and workshops on resume building and interview skills help students transition seamlessly from the classroom to the professional world.

Social and Cultural Engagement:

Holistic development extends beyond academics and career readiness to include social and cultural experiences. Extracurricular activities, student clubs, and cultural events provide students with opportunities to develop interpersonal skills, build a sense of community, and embrace diversity.

Physical Well-being:

A healthy body is essential for a healthy mind. Institutions are increasingly incorporating wellness programs, fitness centers, and health education initiatives to encourage students to adopt a balanced and healthy lifestyle.

Support Services in Holistic Student Development:

Advising and Mentorship Programs: Personalized guidance from academic advisors and mentors helps students navigate their academic journey, make informed decisions, and set realistic goals.

Health and Counseling Centers: On-campus health centers provide medical assistance, while counseling services address the emotional and mental well-being of students.

Career Development Centers: These centers offer resources for career exploration, job placement, and professional development, ensuring students are well-prepared for the workforce.

Extracurricular and Leadership Opportunities: Student clubs, organizations, and leadership programs empower students to develop teamwork, leadership, and communication skills outside the classroom.

Conclusion:

Holistic student development and support services are fundamental in preparing students not only for academic success but also for the challenges and opportunities that await them in the real world. Educational institutions that prioritize the holistic development of their students contribute to the creation of well-rounded individuals who are equipped to thrive in both their personal and professional lives. As the education landscape continues to evolve, the commitment to holistic student development remains a cornerstone for institutions dedicated to nurturing the leaders of tomorrow.

Institution's Research Culture, Priorities and Research funding Opportunities.
