Academic Staff College (ASC), in association with Value Education Cell, KLEF, hosted a five-day staff development program on “**Universal Human Values and Workplace Ethics**” for the non-teaching staff 16th – 21st Nov, 2023 and 22nd to 28th Nov, 2023. The SDP was attended by **32** non-teaching faculty from various departments.

The objective of the program was to identify issues and obstacles that people confront on an individual, familial, societal, and environmental level as well as potential solutions. The program was led by Dr. B. Pavan Kumar and team from Value Education Cell, KLEF.

Principal ASC, Dr. I. Govardhini, giving introductory speech

The SDP was inaugurated by Dr. I. Govardhini, Principal, Academic Staff College, in which she addressed the participants on the importance of attending the SDP and about following workplace ethics. She also introduced the VEC members to the participants.

Dr.Siva Shankar Mandal Baidya, Asst.Professor, VEC , KLEF.

Dr.Siva Shankar Mandal Baidya, Asst.Professor, VEC, gave a quick explanation of his opinions on the significance of human values using the following examples:

Organic Acknowledgment
tranquility of mind

Dr.Siva Shankar Mandal Baidya addressing the participants

Aspects like happiness, welfare, aspirations, objectives, and achievement in life were discussed during the session. It was also discussed why self-examination and self-investigation are necessary and how to put them into practice on a daily basis.

Dr. B.Pavan Kumar, Asst. Professor, VEC , KLEF addressing the participants

"Develop Right Understanding" was the topic of discussion. According to Dr. Baidya, in order to preserve positive relationships in life, one must be cognizant of the need for continuous mind reading. He emphasized that education's purpose is to help people become competent and behave appropriately in daily life.

Dr. B. Pavan Kumar, emphasized the idea of justice. He listed five elements to characterize the sense of justice:

Self (Eternal Contentment)

Unique Human Being (Coexistence of Body and Self)

Family (Coexistence Feeling)

Nature (Reciprocal Satisfaction)

Existence (togetherness)

Dr. Pavan defined knowledge as "to see the reality as it is and its completeness," emphasizing the word "Gyan."

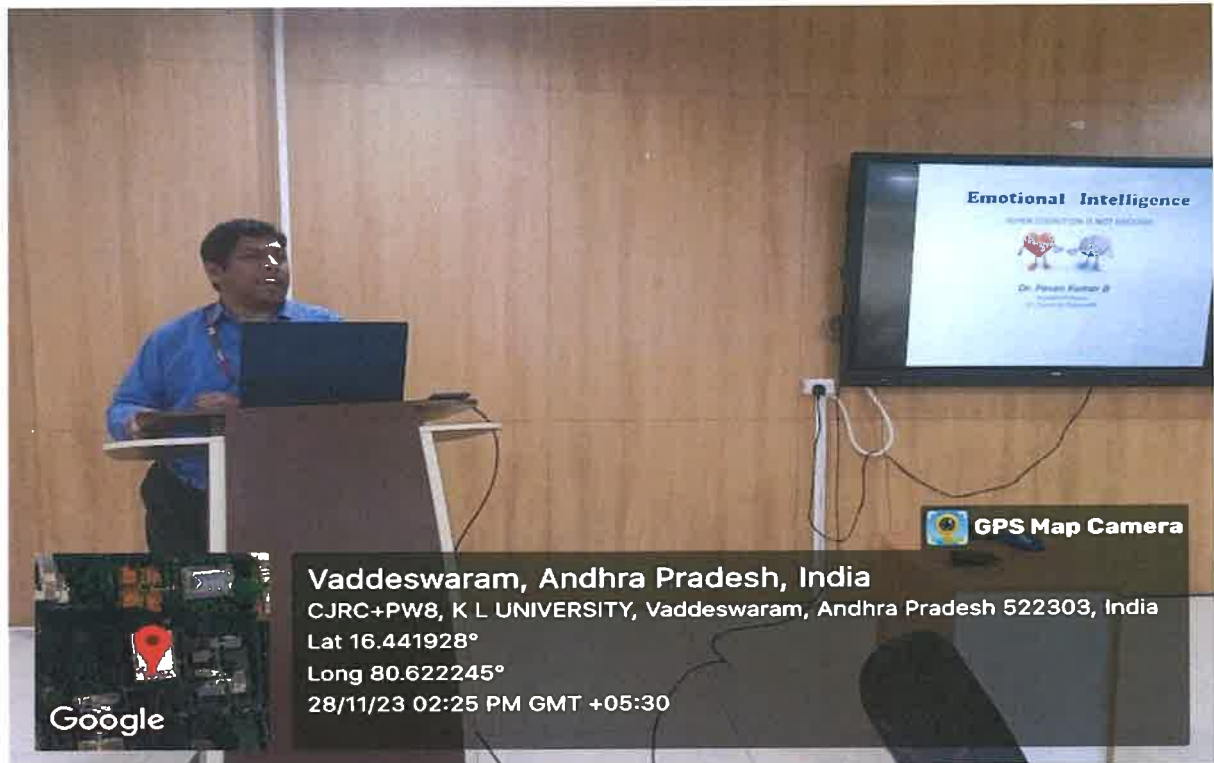

Dr Salomi M, Asst. Professor, VEC, KLEF

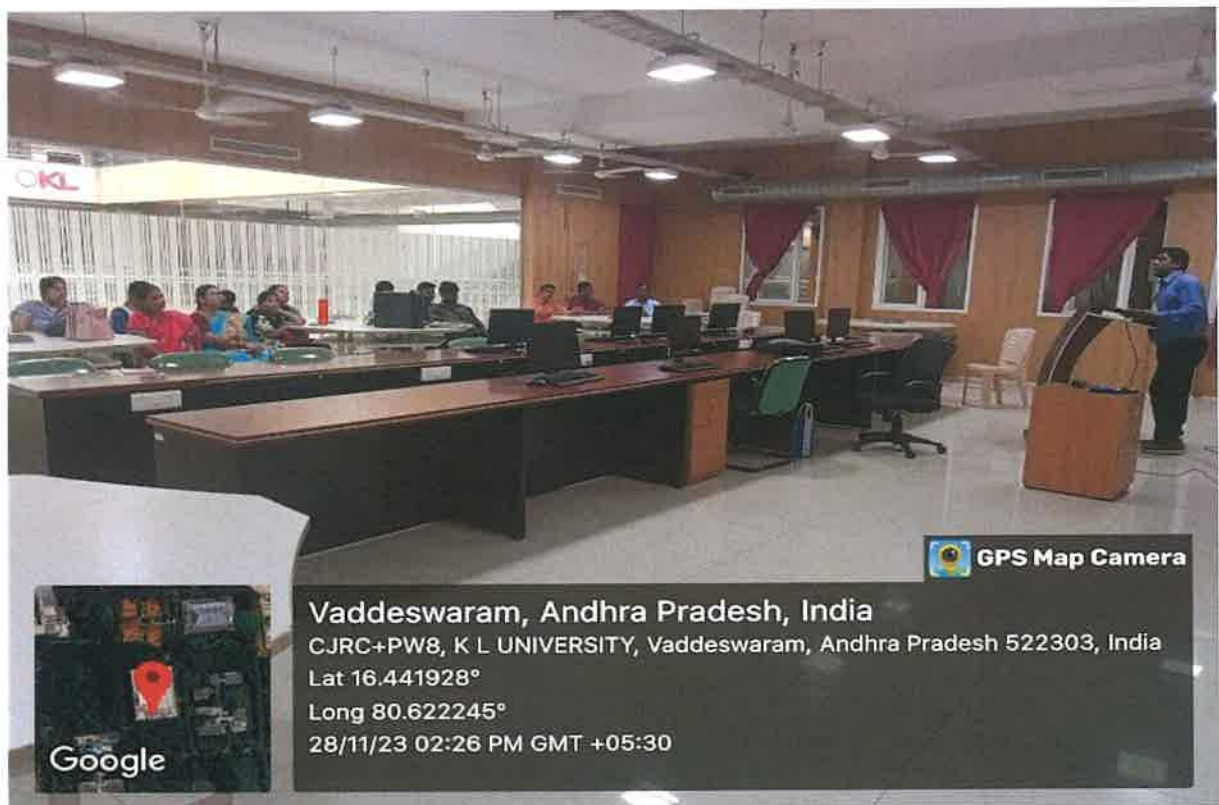

Form, Property, Natural Characteristics, Innateness, and Co-existence were the topics of the session. Dr. Salomi went into great detail about them. She spoke about Space and Units. She claimed that because they can all be counted, including people, animals, lumps of matter, and different

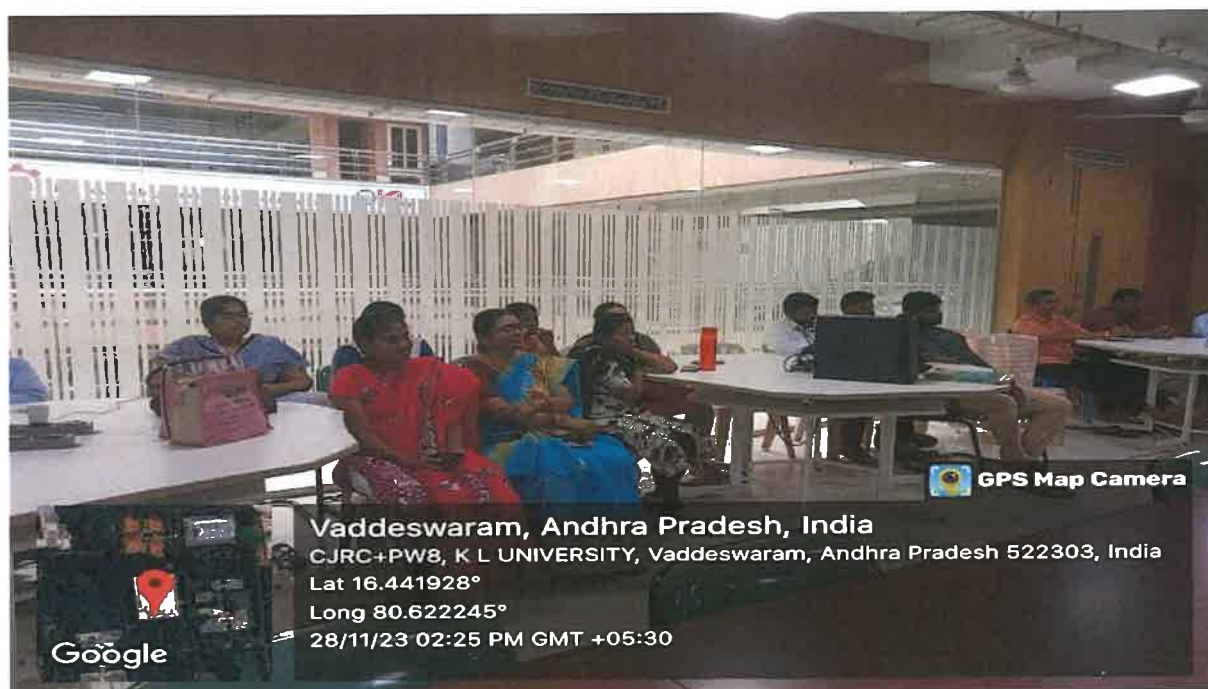

atoms and molecules, all of these entities are units. In contrast, space persists as a reality even though it is not a unit. It is the empty space that surrounds the natural world.

On the day 4, Theory of Desire, Thought, and Expectation (DTE) was covered by Dr. Pavan Kumar. He said that we can recognize the definitiveness of human conduct, also known as ethical human conduct—if we have the proper understanding, which is attained via self-exploration. Every human has the same experience.

Day 5, focused on the Unit's five instructions at the individual level: Form (Scale) Mind (Awareness), Conduct (Innate Acceptance), Work (Continuity of Harmony), Understanding (Divided and Self-Organized in Mutual Existence), Later, it covered Mulya (Contribution) and

described the five mulyas that exist in our lives: Jeevan Manav Mulya Mulya Thapit Mulya Shit Mulya Vastu Mulya. The valedictory ceremony was conducted on 28th Nov, 2023. The SDP proved to be advantageous for the attendees, to utilize the knowledge gained in their daily lives.
